# AGENDA

**Trinity River COMMON VISION Steering Committee**  
**Thursday, August 29, 2013**  
**9:30 a.m., Regional Forum Room, CPH**  
**North Central Texas Council of Governments**

1. Welcome and Introductions

### **ACTION/DISCUSSION/PRESENTATION ITEMS**

2. **US Army Corps of Engineers (USACE) Upper Trinity River Feasibility Study Update.** USACE staff will provide an update on the current status of the study's various activities.
3. **Consideration of the Corridor Development Certificate (CDC) Regulatory Model Update.** During their last several meetings, the Flood Management Task force (FMTF) has been evaluating the CDC regulatory model update under development over the past year. After discussion regarding the methodology and findings of a dynamic Trinity River system, the FMTF completed the review and voted to recommend it for Trinity River COMMON VISION Steering Committee approval.
4. **Approval of FY14 Trinity River Work Program.** The FMTF considered and unanimously recommend that the Trinity River COMMON VISION Steering Committee approve the FY14 Trinity River Work Program. This program continues basic coordination, outreach and training while emphasizing the incorporation of the CDC regulatory model update into a revision of the 4<sup>th</sup> Edition of the CDC Manual. This item was developed earlier in the year and has been held for this time frame to incorporate the approval for the model update noted in the previous item.
