# Choice Partners & BuyBoard Purchasing Cooperative Vendors

---

# Overview

---

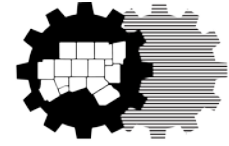

North Central Texas  
Council of Governments

- To take advantage of an available Choice Partners or BuyBoard contract discount, first be sure that your city/agency has an Interlocal Contract in place with Choice Partners. If one is not already in place, you may need to work with your Procurement/Purchasing team to take this as an item for approval to your city council.
- Be sure to always list the contract number when ordering or requesting a quote.
- Set-up Fees are listed separately and are generally applied to only your first order.
- Imprint Fees for a single color/single location are generally included in the cost of most items. Multiple colors/locations will incur additional charges. Be sure to always double check all fees on the website and with the vendor.
- Production Time refers to the typical time to order, imprint, and ship an item once artwork has been approved.
- Tip: Once you've selected a vendor and are working with your Procurement/Purchasing team, don't forget to send the vendor your tax-exempt certificate to ensure sales tax is removed from quotes/orders.

# 4Imprint

---

North Central Texas  
Council of Governments

Contact: Mary Vamosy

Email: [govrequests@4imprint.com](mailto:govrequests@4imprint.com);

Phone: 888-238-9482

Website: <http://www.4imprint.com>

## DETAILS

Set-up Fees: Vary by item and are listed next to each item on the website. Typically not charged on repeat orders of same item.

Imprint Fee: Not a separate fee from Set-up Fee and is based on the imprint of one color/one location. Additional colors/locations incur additional costs.

Production Time: Varies by item. Please see item details on website for estimated production time.

# Buffalo Specialties

---
