LET'S KEEP MANSFIELD BEAUTIFUL
Join the City of Mansfield, Keep Mansfield Beautiful and Keep Texas Beautiful by participating in the Fall Sweep Cleanup and Mayor's Litter Challenge. Picking up litter helps keep trash out of our creeks, rivers and lakes.

All residents, families and groups are invited to participate in picking up litter beginning Sept. 1 through Oct. 31. Click [HERE](#) to get all the details and register today.

JUST A TRICKLE OF WATER CAN GET THE JOB DONE

The Texas Trickle encourages you to rethink how much water you need when you're at the sink.

Instead of turning on the faucet to full-blast pressure, and wasting water, use just a trickle. A little water can go a long way when washing our hands or face, brushing our teeth and rinsing plates or produce. [Read more about how to conserve water](#) with the Texas Trickle.
