REGULAR SESSION

ACTION:

Item 1 Approval of Minutes

President Smith stated that the first item on the agenda was approval of the minutes from the July 2016 Board meeting.

Upon a Motion by Judge Horn (seconded by Councilmember Archer), and unanimous vote of all members present, the Board approved the minutes of the July 2016 Executive Board meeting.

Item 2 Resolution Authorizing Contract with Mascari Corporation for Housing Navigator Services

Doni Green, Director of Aging, explained that the Texas Department of Aging and Disability Services (DADS) funds housing navigator services through NCTCOG's Aging Department program. NCTCOG has selected a qualified contractor for these services through a competitive procurement process that garnered only one proposal: from its current contractor, Mascari Corporation. Mascari Corporation has satisfied the terms of its current contract and would be awarded a contract in an amount not to exceed \$100,000.

Upon a Motion by Councilmember Lombard (seconded by Councilmember Gray), and unanimous vote of all members present, except Judge Self, who voted no, the Board approved the resolution as presented.

See Exhibit E16-08-02

Item 3 Resolution Authorizing Contracts for Aging Case Management Services

Doni Green, Director of Aging, told the Board that NCTCOG, in its capacity as the Area Agency on Aging (AAA), receives funding from DADS to provide case management services in three programs: Title III-B care coordination, Title III-E caregiver support coordination, and nursing home relocation. Case managers assess clients in their home or nursing home and help arrange services. After evaluation of proposals received for these services, AAA recommends 2017 contracts with the following entities up to \$990,000 of available funds, and will continue to accept proposals from those qualified and willing to serve rural and underserved counties. In addition, one agency applied to provide nursing home relocation services exclusively and will be awarded a contract of up to a maximum \$90,000.

2017 Recommended Contractors:

- Bell-White, Shaneka (\$73/unit)
- Carr, Shoshana (\$73/unit)
- ComForCare (\$58/unit)
- Dodge, Roslyn (\$73/unit)
- Doyle, Jayne (\$73/unit)
- Griffith, Ulylesia (\$70/unit)
- James, Cathy (\$73/unit)
- McKnight, Sandra (\$73/unit)
- REACH Resource Centers on Independent Living (< \$90,000 during FY17)
- Mitchell-Wyatt, Kelli (\$73/unit)
- Morgan, Kim (\$55/unit)
- Pospisil, Amy (\$68/unit)
- Reconcile Case Management Services (\$73/unit)
- Sovereign Case Management Services (\$73/unit)
- Taylor, Gary (\$65/unit)
- Thompson, Chandra (\$73/unit)
- Tilley, Hollie (\$69/unit)

Upon a Motion by Councilmember Archer (seconded by Judge Horn), and unanimous vote of all members present, the Board approved the resolution as presented.

See Exhibit E16-08-03

Item 7 Resolution Authorizing Consultant Contract with Kapsch TrafficCom Transportation NA, Inc. to Implement the 511 DFW Traveler Information System and Information Exchange Network

Dan Kessler, Assistant Director of Transportation, explained that the Unified Planning Work Program for Regional Transportation Planning supports implementation of the 511DFW Traveler Information System – a real-time single source of traveler information available to agencies and the public. This project will provide for continued operation and recommended enhancements for the region’s 511DFW system. A Consultant Selection Committee reviewed and evaluated the proposals received for consultant assistance for Development, Operations and Maintenance Support of 511DFW and recommended Kapsch TrafficCom Transportation NA, Inc. for an amount not to exceed \$3,675,000 in Surface Transportation Block Grant Program funds, with state funds to support the match requirement.

Upon a Motion by Councilmember Lombard (seconded by Councilmember Archer), and unanimous vote of all members present, the Board approved the resolution as presented.

See Exhibit E16-08-07

Item 8 Resolution Approving Disadvantaged Business Enterprise Participation Goal Update for Fiscal Years 2017-2019

Ken Kirkpatrick, Transportation Legal Counsel, explained that as a recipient of Federal Transit Administration funds, NCTCOG is required to update the Disadvantaged Business Enterprise (DBE) Participation Goal every three years and submit it for review and approval by federal funding agencies. NCTCOG underwent an analysis, consistent with federal guidance, to update the DBE goal for FY2017-FY2019. To meet federal requirements, NCTCOG published the proposed goal and supporting materials for review and comment from June 1, 2016, through July 21, 2016. Based on the analysis conducted and comments from the public and contractor community, staff recommends maintaining an overall DBE goal of 25 percent for US DOT-assisted contracts through NCTCOG’s Transportation Department.

Upon a Motion by Councilmember Lombard (seconded by Councilmember Wilemon), and unanimous vote of all members present, except Judge Self, who voted no, the Board approved the resolution as presented.

See Exhibit E16-08-08

Councilmember Gray left the meeting.

Item 9 Resolution Authorizing Budget Increase for Consultant Contract with Kimley-Horn and Associates, Inc., for the Northwest Highway and Preston Road Area Plan

Dan Kessler, Assistant Director of Transportation, explained that the Northwest Highway and Preston Road Area Plan is examining future possible land development scenarios and their potential impact to the transportation network, in order to develop a vision and recommendations for future policy and public investment. The Board previously authorized a contract with Kimley-Horn and Associates to perform this work in an amount not to exceed \$350,000 (\$250,000 RTC Local and \$100,000 from the City of Dallas). Due to additional project meetings and data collection requested by the community and the City of Dallas, staff is requesting an increase of \$40,000 to the contract budget (using RTC Local funds) for a new, not to exceed total of \$390,000.

Upon a Motion by Councilmember Lombard (seconded by Judge Horn), and unanimous vote of all members present, the Board approved the resolution as presented.

See Exhibit E16-08-09

Item 10 Resolution Approving Contract for Temporary Staffing Services with Robert Half International, Inc. through the Houston-Galveston Area Council Cooperative Purchase Program

Monte Mercer, Deputy Executive Director, told the Board that NCTCOG has periodically utilized temporary staffing services through Robert Half International, Inc. for technology related temporary staffing needs. In Fiscal Years 2016 and 2017, these staffing needs are anticipated to cause expenses for temporary staffing to exceed administrative authority. Robert Half is an approved contractor through the Houston-Galveston Area Council (H-

GAC) cooperative purchasing program. Staff requested Board approval for the continued use of Robert Half's temporary technology staffing services for Fiscal Years 2016 and 2017, through an Interlocal Agreement (ILA) with H-GAC, in an amount not to exceed \$200,000.

Upon a Motion by Councilmember Archer (seconded by Councilmember Lombard), and unanimous vote of all members present, the Board approved the resolution as presented.

See Exhibit E16-08-10

STATUS REPORTS:

Item 11 Status Report on Fiscal Year 2017 Proposed Budget

Monte Mercer, Deputy Executive Director, presented an overview of the Fiscal Year 2017 Proposed Budget to the Board for their review. He summarized the main budget features, as:

- Total expenditures of \$210,513,003
- State and federal grants fund approximately 85% of programs - the remainder is local funding.
- Fiscal controls are established by individual grants and contracts, not the plan outlined in the Annual Fiscal Program.
- Annual dues from the membership comprise less than 1% of the total budget and the dues per capita rate has not changed.

Item 12 Status Report on NCTCOG's 50th Anniversary Celebration

In continuation of the celebration of NCTCOG's 50th anniversary and an overview of each NCTCOG Department, Lucille Johnson introduced Tim Barbee, Director of the Research and Information Services (RIS) Department. Tim briefed the Board on the department's history and activities.

History: In 1989, known as the Regional Data Center department, with only seven employees, the Department was formed under the leadership of Bob O'Neal. In 1993, the name was changed to Research & Information Services (RIS). The department has grown to 28 employees and has been under the leadership of Director and Chief Information Officer Tim Barbee since 2006. In 1993, RIS began offering email to the agency, and in 1994 the agency got access to the Internet. Explosive growth of technology over the years has led to expansion of the departments responsibilities. The first website was launched in 1995 and RIS now manages over 30 websites, more than 165 terabytes of electronic data and a local and wide-area computer network which serves over 675 employees and contractors on more than 2,000 devices at 25 locations.

Demographic Research: The function of the department has traditionally been demographic research. The first Population Estimates publication in 1974 estimating the population of the 16-county region to be just over 2.8 million (slightly more than the population of Dallas County today). Since that time, Population Estimates have been produced annually, and the population of the region is estimated to be over 7 million today. At one time, RIS served as a local affiliate for the Census Bureau. In 2001, RIS combined its demographic research and GIS capabilities, offering the first interactive radius summaries of 2000 Census data via the agency's website. The demographic research program also includes development monitoring, employment estimates, land use and demographic forecasting. Demographic research serves as the foundation for a variety of collaborative projects both inside and outside the agency, including transportation and environmental planning, workforce development, emergency management, and economic development.

Arial Cooperative Purchase Program: In 1999, the department offered its first cooperative purchase of aerial imagery for the region, and has continued to do so every other year. Images are available for viewing, printing, and purchase via NCTCOG's interactive mapping site, www.dfwmaps.com and the latest version was launched in 2010. This project has set the standard for large regionally shared data purchases, allowing considerable cost savings through group participation.

Regional Cooperation: Over the past 27 years, RIS has collaborated on technology- and GIS-related projects with the National Weather Service, Dallas County Elections, the U.S. Army Corps of Engineers, the Federal Emergency Management Agency, the Texas Natural Resources Information System, The Dallas Morning News, the Fort Worth Star-Telegram, the OneStar Foundation, and numerous cities and counties throughout the NCTCOG region. In the 2000s, six cable TV shows about the Tornado Damage Risk Assessment Study

performed by RIS appeared on the National Geographic, Discovery, History and Weather channels. The department has also won awards from ESRI, the Center for Digital Government, and the National Conference on Citizenship.

Much more information about the RIS department can be found on NCTCOG 50th Anniversary website at <http://www.nctcog.org/50/>. An extensive history of NCTCOG is featured on the website and new information is added each month.

Remaining Steps In Budget Process.

- Answer any questions today.
- Provide for public hearing and budget adoption resolution at September's Board meeting.
- Prepare budget document for filing with the Board and state agencies.
- Monitor FY 2016 budget year close out.
- Implement FY 2017 budget beginning October 1.
- Present status of programs and need for budget amendments throughout the year as new programs and funding become available.

Following is the full presentation

North Central Texas Council Of Governments FY 2017 Proposed Budget*

Executive Board Meeting
September 22, 2016

*Revisions to the August Board Presentation have been incorporated, for detail of changes see slide 11 for Workforce Revenue and slide 17 for Workforce Expenditures.

NCTCOG FY 2017 Proposed Budget

- Characteristics of NCTCOG budgeting and contrasts with typical local government budgeting.
 - Funding is comprised primarily of grants and local contracts for services.
 - Each grant is a separate contract with its own grant period and funding amount. Grants can encompass more than one NCTCOG fiscal year.
 - Continuously evolving as program needs change and funding opportunities become available.
 - Scope of work, funding, and expenditure limitations are regulated by the individual grant or contract, rather than the planned program summary.
- High inter-departmental dependency and cooperation.
 - Common objectives (i.e. environmental, air quality and transportation programs).
 - Multi-disciplinary approach (i.e. operating departments, computer services, finance and accounting teams).

SUBJECT: Resolution Ratifying Fiscal Year 2016 Contract Option and to Authorize Fiscal Year 2017 Contract Option with Gradient Solutions for Professional Advisory Services

The North Central Texas Council of Governments (NCTCOG) procured and awarded a professional advisory services contract to Gradient Solutions (formally Webb Watch Corporation) in October 2011. The contract was for three (3) years and included three (3) additional one (1) year options to renew.

Gradient Solutions has provided financial and programmatic advisory services in the design and review of the agency's risk assessment; utilization of data analytics for trend analysis; recommendation of best practices in policies and procedures; leveraging technology to maximize efficiency and effectiveness; and assessing financial performance of major subcontractors. In addition, for new grant funding after December 26, 2014, new Federal regulations issued through the OMB Supercircular imposed additional ongoing procurement, auditing and reporting requirements, such as pre-award assessments, risk assessments, data transparency.

Gradient Solutions has performed satisfactorily under the agreement. Staff is requesting ratification of the Fiscal Year 2016 contract option in the amount of \$60,000 and recommends exercising the third of three possible one (1) year options for Fiscal Year 2017. The amount payable to Gradient Solutions for services performed under the Fiscal Year 2017 contract option will not exceed \$33,500, with total compensation under the six (6) year contract not to exceed \$487,500. Upon completion of these services, staff will be reprocurring for another professional advisory services contract.

A draft resolution ratifying the Fiscal Year 2016 contract option and authorizing the Fiscal Year 2017 option with Gradient Solutions is attached for Executive Board consideration.

I will be available during the Board meeting to respond to questions.

**RESOLUTION RATIFYING FISCAL YEAR 2016 CONTRACT AND
AUTHORIZING FISCAL YEAR 2017
CONTRACT OPTION WITH GRADIENT SOLUTIONS
FOR PROFESSIONAL ADVISORY SERVICES**

WHEREAS, the North Central Texas Council of Governments conducted a procurement and awarded a professional advisory services contract to Gradient Solutions (formally Webb Watch Corporation) in October 2011; and,

WHEREAS, that contract included a three (3) year initial term with three (3) one (1) year options to renew; and,

WHEREAS, the Executive Board authorized the Fiscal Year 2015 option for Gradient Solutions; and,

WHEREAS, under the contract, professional advisory services were provided by Gradient Solutions for FY 2016; and,

WHEREAS, Gradient Solutions has performed satisfactorily under the contract and staff recommends that NCTCOG exercise its third of three available one (1) year contract renewal options with Gradient Solutions for Fiscal Year 2017 in the amount not to exceed \$33,500; and,

NOW, THEREFORE, BE IT HEREBY RESOLVED:

Section 1: The Executive Board ratifies the Fiscal Year 2016 Contract option in the amount of \$60,000 with Gradient Solutions.

Section 2: A one (1) year contract option between NCTCOG and Gradient Solutions, for Fiscal Year 2017 in an amount not to exceed \$33,500, be and is hereby approved. Total compensation for the six (6) year term is hereby amended to an amount not to exceed \$487,500.

Section 3: The Executive Director or designee is authorized to execute a contract option for Fiscal Year 2017 with Gradient Solutions in the name of the North Central Texas Council of Governments.

Section 4: This resolution shall be in effect immediately upon its adoption.

SUBJECT: Resolution Authorizing Contract with The Bogdahn Group, LLC for Retirement Consultant Services

The North Central Texas Council of Governments (NCTCOG) provides retirement plans for all regular full-time and regular part-time employees of the Agency through the provider ICMA-RC. In August 2016, NCTCOG issued an Invitation to Bid to secure retirement consultant services for retirement policy management, investment analytics, project evaluation, audit compliance, and related services. A total of sixteen responses were received for this solicitation. Following review, two firms were interviewed and The Bogdahn Group, LLC, is being recommended to provide these services. Staff is proposing an initial three-year contract term with three (3) optional one (1) year renewals. A statement of work outlining objectives and deliverables for each fiscal year will be developed prior to exercising a renewal option which includes the related services above with periodic updates during each year as well as an annual update.

International City Management Association Retirement Corporation (ICMARC) administers the Council's 401(a) retirement plan. It is a defined contribution retirement plan, which provides retirement benefits for all full-time permanent employees. The council contributes an amount equal to twelve percent (12%) of the permanent full-time employees' gross salaries. Full-time employees contribute an amount equal to six percent (6%) of gross salaries.

A draft resolution authorizing a contract with The Bogdahn Group, LLC, for retirement consultant services in an amount not to exceed \$150,000 is attached for Executive Board consideration. I will provide a brief presentation on this item and be available to answer any questions prior to requesting Board approval.

SUBJECT: Resolution Authorizing an Increase to the Contract to ResCare Workforce Services for Delivery of Childcare Services

The North Central Texas Council of Governments (NCTCOG), in its capacity as Administrative Entity and designated Grant Recipient/Fiscal Agent of the North Central Texas Workforce Development Board (Workforce Board), contracts with ResCare Workforce Services for the delivery of child care services. The one (1) year contract with four (4) optional one (1) year renewals was authorized by the NCTCOG Executive Board in May 2015 in an amount not to exceed \$40.0 million annually.

At this time, staff is projecting higher than anticipated carry over funds from FY 2016 to FY 2017 which if fully expended would exceed the current authorization of \$40.0 million annually. As a result, staff recommends increasing the ResCare Workforce Services FY 2017 child care services contract to \$42.5 million. A draft resolution authorizing a \$2.5 million increase to the FY2017 child care services contract with ResCare Workforce Services, resulting in a revised not to exceed amount of \$42.5 million, is attached for Executive Board consideration.

I will provide a brief presentation of this item and will be available to answer any questions prior to requesting board approval.

**RESOLUTION AUTHORIZING AN INCREASE TO THE CONTRACT TO RESCARE
WORKFORCE SERVICES FOR DELIVERY OF CHILDCARE SERVICES**

WHEREAS, the North Central Texas Council of Governments (NCTCOG) serves as the Administrative Entity and designated Grant Recipient/Fiscal Agent of the North Central Texas Workforce Development Board (Workforce Board); and,

WHEREAS, the NCTCOG Executive Board authorized a contract with ResCare Workforce Services in May 2015 for the delivery of child care services in the amount of \$40.0 million for FY 2016 including four (4) one (1) year options to renew for \$40.0 million annually; and,

WHEREAS, due to higher than anticipated carry over funds from FY 2016 to FY 2017, staff recommends increasing the FY 2017 contract with ResCare Workforce Services for the delivery of child care services to an amount not to exceed \$42.5 million.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The contract for childcare services between NCTCOG and ResCare Workforce Services, for the FY 2017 term ending September 30, 2017, be increased by \$2.5 million resulting in a revised not to exceed amount of \$42.5 million.

Section 2. The Executive Director or designee is authorized to execute contractual agreements necessary to carry out this program, in the name of the North Central Texas Council of Governments

Director of Aging Programs

SUBJECT: Resolution Authorizing Contract with Quality Medical Supplies for Medical Equipment and Supplies

The North Central Texas Council of Governments (NCTCOG), in its capacity as the designated Area Agency on Aging, receives federal and state funding to provide medical equipment and supplies to clients of its care coordination and caregiver support coordination program. Through the Health Maintenance Program, Aging case managers purchase items necessary for the health and safety of their low-income consumers such as transfer benches, handheld showerheads, grab bars, and incontinence supplies.

For the past several years NCTCOG has purchased medical equipment and supplies from a single contractor, selected through a competitive bid process based on lowest cost and available product line.

NCTCOG recently sought bids for medical equipment and supplies and received one response—from its current contractor, Quality Medical Supplies (QMS). QMS has performed well under the terms of its current contract and is recommended for award. A draft resolution authorizing a contract with QMS for the period October 1, 2016 through September 30, 2017, with an option to renew for one (1) additional year is attached for Executive Board consideration. Funding under such contract shall be in an amount not to exceed \$350,000 during the two-year period of performance.

I will be available September 22nd, should you or the Board have questions.

Thank you.

DATE: September 14, 2016

FROM: Doni Green
Director of Aging Programs

SUBJECT: Resolution Authorizing FY2017 and 2018 Agreements for Aging Caregiver Services

The North Central Texas Council of Governments (NCTCOG), in its capacity as the designated Area Agency on Aging, receives National Family Caregiver (NFC) funds through the Older Americans Act to provide support services to family caregivers of older persons. A caregiver is a person who provides uncompensated care to a family member or friend age 60 and over, a person of any age who has Alzheimer's disease, a grandparent who is at least 55 years old and has primary custody of grandchildren under the age of 18, or a person age 60 and over who is caring for an adult child who has severe disabilities. NCTCOG awards these funds to community-based providers for caregiver information, education, training, and mental health activities. Providers apply during a Request for Proposal process, through which a subcommittee of the Regional Aging Advisory Committee (RAAC) evaluates competitive proposals.

NCTCOG has approximately \$145,000 per annum available in pass-through funding for caregiver information, education, training, and/or mental health services.

NCTCOG received nine competing proposals for FY2017 services from seven agencies, requesting \$189,060 in funding. The RAAC Proposal Review Subcommittee reviewed all proposals and recommends that each agency be funded. These agencies include: Alzheimer's Association—North Central Texas Chapter; Wellness Center of Collin County; Z-Quest; LifeRoads; Meals on Wheels Senior Services of Rockwall County; Meals on Wheels of Johnson and Ellis Counties; and Senior Connect.

A draft resolution authorizing agreements with the seven agencies listed herein for aging caregiver services, for a maximum two (2) year term and in a total amount not to exceed \$362,000 is attached for Executive Board consideration. Exact funding awards to each agency will be determined by the Regional Aging Advisory Committee (RAAC) based on actual dollars received from the State for Fiscal Years 2017 and 2018. These agreements are "performance based," and sub-recipients are paid at a unit rate for actual work performed.

I will be available at the September 22nd Board meeting, should you or the Board have any questions.

Thank you.

Executive Director

DATE: September 14, 2016

FROM: Doni Green
Director of Aging Programs

SUBJECT: Resolution Authorizing Contracts with Instruction and Training Providers

The North Central Texas Council of Governments (NCTCOG), in its capacity as the 14-county Area Agency on Aging (AAA), passes through funds to community-based organizations that conduct educational programs for professionals and volunteers who provide direct services to older adults. It supports such projects under the service category of Instruction and Training. NCTCOG currently has contracts with four such organizations that were solicited through a competitive procurement process, with periods of performance that terminate on September 30, 2016.

Aging has approximately \$76,000 budgeted in FY 2017 for Instruction and Training services and anticipates a similar amount in FY 2018.

In June 2016, NCTCOG issued a request for proposals for Instruction and Training and subsequently received four proposals. These proposals reflected a broad range of funding requests, from \$5,500 to \$57,726, and totaled \$105,226. NCTCOG staff convened a review committee, comprised of three members of its Regional Aging Advisory Committee (RAAC) and an Aging staff person, which recommended that the three respondents with the highest ratings be funded. In addition, the Proposal Review Subcommittee recommends annual funding in the following approximate amounts:

<u>Agency</u>	<u>Recommended Funding Level</u>
Wellness Center of Collin County	\$40,000
Good NEWS Living at Home/Block Nurse Program	\$30,000
Mascari Corporation	\$ 6,000
TOTAL	\$76,000

A draft resolution authorizing contracts with Wellness Center of Collin County, Good NEWS Living at Home/Block Nurse Program, and Mascari Corporation for Instruction and Training services, for maximum two (2) year terms and in a total amount not to exceed \$160,000 is attached for Executive Board consideration.

I will be available at the September 22nd Board meeting, should you or the Board have any questions.

Thank you.

RESOLUTION AUTHORIZING CONTRACTS WITH INSTRUCTION AND TRAINING PROVIDERS

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Area Agency on Aging for State Planning Region 4A by the Texas Department of Aging and Disability Services (DADS); and,

WHEREAS, NCTCOG is strongly committed to serving older persons, their family caregivers, and nursing home residents in the North Central Texas region; and,

WHEREAS, NCTCOG receives funding from DADS that may be used for Instruction and Training services, and;

WHEREAS, NCTCOG recently engaged in competitive procurement for Instruction and Training services for Fiscal Years 2017 and 2018 and received four (4) proposals in response; and

WHEREAS, the Regional Aging Advisory Committee (RAAC) Proposal Review Subcommittee evaluated all proposals and is recommending the three (3) highest rated be funded.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

- Section 1.** The NCTCOG Executive Board hereby authorizes contracts with Wellness Center of Collin County, Good NEWS Living at Home/Block Nurse Program and Mascari Corporation for Instruction and Training services, for maximum two (2) year terms and in a total amount not to exceed \$160,000.
- Section 2.** The Executive Director or designee is authorized to execute contractual agreements necessary to carry out this program, in the name of the North Central Texas Council of Governments.
- Section 3.** This resolution shall be in effect immediately upon its adoption.

Subject: Resolution Authorizing Acceptance of the FY2016 Homeland Security Grant Program (HSGP) Funds to Support Regional Activities

The North Central Texas Council of Governments' Emergency Preparedness Department proposes to continue to assist the Office of the Governor Homeland Security Grants Division and the Urban Area Security Initiative in administering and planning these grant programs for the region and urban area. This is a continuation project.

This funding is a part of the 2016 Department of Homeland Security Appropriations Act. The Department of Homeland Security Homeland Security Grant Program includes provisions for funding assistance of approximately \$1,500,000 to the Council of Governments to provide planning, equipment, training, and exercise assistance to the local governments. It will also support the regional Citizen Corps Program. Consequently, it effectively fills the gaps between needs and existing capabilities pertaining to prevention, preparedness, mitigation, response, and recovery activities. The performance periods for projects under this grant program are September 1, 2016 to August 31, 2019.

2984102 – 2016 UASI – NCTCOG – THIRA
2983902 – 2016 UASI – NCTCOG – UASI Citizen Corps Coordinator

The Office of the Governor Homeland Security Grants Division will enter into an Interlocal Cooperation Agreement with the North Central Texas Council of Governments for approximately \$74,000 to manage and administer the 2016 Homeland Security Grant Program as outlined in the Statement of Work. The Emergency Preparedness Department annually leads the application process for the State Homeland Security Grant Program as outlined and accepted by the Regional Emergency Preparedness Advisory Committee, the Emergency Preparedness Planning Council, and the Executive Board. The Emergency Preparedness Department also provides technical assistance to local subgrantees, including grant rules, regulations, and guidance, and the web-based grant management systems. The performance period is September 1, 2016 to August 31, 2017.

Staff is seeking Executive Board approval to accept the 2016 Homeland Security Grant Funds and execute the necessary grant agreements for an amount of approximately \$1,500,000 and to execute the Interlocal Cooperation Agreement for management and administration activities in the amount of approximately \$74,000. These are included in the FY16 Emergency Preparedness Department budget. At this time, the grant program is 100% federally funded with no local cost-share or match requirements. A draft resolution is attached for Executive Board consideration.

Should either you or the Executive Board members have questions, staff and I will be present at the meeting to summarize and address any questions, or I may be contacted by phone at 817-608-2322 or by e-mail at mmcfadden@nctcog.org.

Resolution Authorizing Acceptance of the FY2016 Homeland Security Grant Program (HSGP) Funds to Support Regional Activities

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is working with local governments and others in building regional emergency preparedness capacity; and,

WHEREAS, the health, safety and welfare of citizens in North Central Texas is threatened by a variety of natural and technological hazards including terrorism; and,

WHEREAS, the Department of Homeland Security, in coordination with the State of Texas Office of the Governor, and North Central Texas Council of Governments seek to address regional priorities such as planning, equipment, training, exercise, citizen preparedness; and,

WHEREAS, North Central Texas Council of Governments is the appropriate agency of local governments to coordinate the aforementioned assistance, contract with the Urban Area for program implementation, and complete regional planning initiatives with city and county governments in North Central Texas.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

- Section 1.** NCTCOG is authorized to receive approximately \$1,500,000 in FY2016 Homeland Security Funds to provide planning, equipment, training, citizen preparedness, and exercise assistance for the region and Urban Area, including funds for management and administration activities.
- Section 2.** An agreement between NCTCOG and the State of Texas Office of the Governor to manage and administer the FY 2016 Homeland Security Grant Program in an amount of approximately \$74,000 be and is hereby approved.
- Section 3.** The NCTCOG Executive Board agrees that in the event of loss or misuse of State Homeland Security Program funds, NCTCOG will return the funds to the Office of the Governor in full.
- Section 4.** The Executive Director or designee is authorized to execute grant and contractual agreements consistent with the approval herein in the name of the North Central Texas Council of Governments.
- Section 5.** This resolution shall be in effect immediately upon its adoption.

SUBJECT: Resolution Authorizing Amendment to Memorandum of Understanding with United States Army Corps of Engineers to Expedite Environmental Permitting

On August 10, 2015, the Regional Transportation Council (RTC) programmed \$500,000 in Regional Toll Revenue (RTR) funds to support ongoing efforts to expedite environmental permitting for priority transportation projects in the region. This funding is provided to continue successful efforts, which were initially supported with RTC Local funds and previous RTR funds. Over the last eight years, the North Central Texas Council of Governments (NCTCOG) and the United States Army Corps of Engineers (USACE) have coordinated implementation of this initiative, including issuance of approximately 110 expedited permits for priority projects, reduction in the amount of time to process permits, and identification of unnecessary permits that could be withdrawn.

NCTCOG will utilize additional funding to continue coordination with the USACE. The Executive Board previously authorized an agreement and subsequent amendments with USACE to expedite environmental permitting in an amount not to exceed \$1,200,000 through December 31, 2016. RTR funds in the amount of \$500,000 will be used to extend the agreement with the USACE for continuation of their efforts through December 31, 2019.

A draft resolution authorizing an amendment to the USACE Memorandum of Understanding to increase the not to exceed amount from \$1,200,000 to \$1,700,000 through December 31, 2019, is attached for the Executive Board's consideration. I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Board approval.

ENVIRONMENTAL PERMITTING**

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth Metropolitan Area by the Governor of the State of Texas in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG and has been and continues to be a forum for cooperative decisions on transportation; and,

WHEREAS, the Executive Board authorized a Memorandum of Understanding (MOU) with the United States Army Corps of Engineers for a not to exceed amount of \$1,200,000 through December 31, 2016 to secure expedited review of Section 404 permits; and,

WHEREAS, the RTC programed an additional \$500,000 to continue this initiative to December 31, 2019; and,

WHEREAS, the United States Army Corps of Engineers desires to continue the program and extend the MOU with the NCTCOG.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The Executive Board authorizes an amendment to the MOU with the United States Army Corps of Engineers to increase the not to exceed amount from \$1,200,000 to \$1,700,000 through December 31, 2019, to expedite environmental permitting.

Section 2. The Executive Director or designee is authorized to execute an amendment to the MOU with the United States Army Corps of Engineers in the name of the North Central Texas Council of Governments.

Section 3. This resolution shall be in effect immediately upon its adoption.

SUBJECT: Resolution Authorizing Contract Amendments for the 2014 Cooperative Transit Vehicle and Inspection Services Procurements

The North Central Texas Council of Governments (NCTCOG) regularly procures Americans with Disabilities Act (ADA) accessible transit vehicles on behalf of small transit providers who operate public transportation services in the region. This effort assists in minimizing associated administrative costs, ensures Federal Transit Administration (FTA) compliance, provides value-added pricing, and encourages uniformity of vehicle types available across the region.

In July 2014, NCTCOG Executive Board approved a resolution authorizing the execution of two-year contracts with Creative Bus Sales for light-duty buses and small transit vehicles, National Bus Sales for medium-duty buses, and Transit Resource Center for required in-plant inspection services. The two-year contracts also included an option to purchase additional vehicles in the third year and related inspection services. Executive Board authorization is required to exercise these contract options.

Under this authorization, Creative Bus Sales has delivered forty-four (44) of the available fifty-seven (57) vehicles; National Bus Sales has delivered all eleven (11) vehicles; and Transit Resource Center has performed forty-two (42) of the available sixty-eight (68) in-plant inspections under the two-year base contract.

To meet the remaining needs of small transit providers, contract amendments are recommended to purchase vehicles available in the option year, and extend the contract for inspection services for a period of one year. The option year pricing was determined to be fair and reasonable based on below average pricing for vehicles in the current market. The amendment will allow for the manufacture and delivery of up to forty (40) vehicles from Creative Bus Sales; up to eight (8) vehicles from National Bus Sales; and up to thirty-eight (38) in-plant inspections. A combination of FTA funding, Transportation Development Credits (TDCs), and local matching funds will be used.

A draft resolution authorizing contract amendments with Creative Bus Sales, National Bus Sales and Transit Resource Center in order to exercise the contract options is attached for Executive Board consideration. The new not to exceed amounts for the contracts upon exercising the options are: \$7,030,000 for Creative Bus Sales; \$2,180,000 for National Bus Sales; and \$18,000 for Transit Resource Center. I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Board approval.

Attachment 1 summarizes the number of vehicles and authorized amounts for the existing agreement as well as the option year.

RESOLUTION AUTHORIZING CONTRACT AMENDMENTS FOR THE 2014 COOPERATIVE TRANSIT VEHICLE AND INSPECTION SERVICES PROCUREMENTS

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth Metropolitan Area by the Governor of the State of Texas in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG, and has been and continues to be a forum for cooperative decisions on transportation; and,

WHEREAS, NCTCOG is a Designated Recipient for Federal Transit Administration (FTA) Urbanized Area Formula, Enhanced Mobility of Seniors and Individuals with Disabilities and Bus and Bus Facilities Program funds in areas not served by existing transit authorities, as delegated by the Governor of the State of Texas; and,

WHEREAS, element 3.06 of the Fiscal Year (FY) 2016 and FY 2017 Unified Planning Work Program provides for NCTCOG to serve as the federal grantee for the FTA Urbanized Area Formula, Enhanced Mobility of Seniors and Individuals with Disabilities and Bus and Bus Facilities Program funds, and conduct cooperative vehicle procurements on behalf of subgrantees; and,

WHEREAS, on July 24, 2014, the NCTCOG Executive Board adopted a resolution authorizing contracts with Creative Bus Sales and National Bus Sales to design, manufacture, and deliver three types of American with Disabilities Act (ADA) accessible transit vehicles to support public transportation services related to the FTA grant programs; and,

WHEREAS, on July 24, 2014, the NCTCOG Executive Board adopted a resolution authorizing a contract with Transit Resource Center to provide In-Plant Inspection Services to ensure the transit vehicles are designed and manufactured according to federal standards; and,

WHEREAS, to meet the remaining needs of small transit providers in the region, it is necessary to purchase available vehicles in the option year; and, therefore necessary to amend the contract with Creative Bus Sales and National Bus Sales; and,

WHEREAS, it is necessary to extend the contract term for In-Plant Inspection Services to ensure the option year transit vehicles are designed and manufactured according to federal standards; and, therefore necessary to amend the contract with Transit Resource Center; and,

WHEREAS, NCTCOG has complied with federal and State regulations regarding contract and procurement proceedings.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The Executive Board authorizes the execution of the option year and an increase of \$2,600,000 to the original contract not to exceed amount of \$4,430,000 for Creative Bus Sales to design, manufacture, and deliver light-duty and small duty transit vehicles, for an amount not to exceed \$7,030,000.

Section 2. The Executive Board authorizes the execution of the option year and an increase of \$900,000 to the original contract not to exceed amount of \$1,280,000 for National Bus Sales to design, manufacture, and deliver medium-duty transit buses, for an amount not to exceed \$2,180,000.

Section 3. The Executive Board authorizes an extension to the contract term and an increase of \$4,000 to the original contract authorized not to exceed amount of \$14,000 for Transit Resource Center to provide in-plant inspection services, for an amount not to exceed \$18,000.

Section 4. The Executive Director or designee is authorized to execute contract amendments with Creative Bus Sales, National Bus Sales and Transit Resource Center, in the name of the North Central Texas Council of Governments.

Section 5. This resolution shall be in effect immediately upon its adoption.

SUBJECT: Resolution Authorizing a Contract with United Road Towing Texas, Inc. for Wrecker Services on SH 161

A bottleneck improvement for State Highway (SH) 161 between Belt Line Road and SH 183 in Irving opened to traffic in September 2015. This improvement consisted of shoulder restriping to enable three lanes of traffic during peak travel periods. The additional capacity provides congestion relief for travelers within and adjacent to this three-mile section. A key component to successfully utilize the shoulder is the staging of tow trucks to respond quickly to incidents and to provide the additional daily services required for opening and closing the shoulder. These services include; conducting a sweep of the shoulder for debris or vehicles prior to the lane opening, notifying TxDOT with confirmation the lanes are clear and ready to be opened, and coordinating with courtesy patrols on any motorist assistance incidents during the lanes operational periods.

The project is located within the city of Irving and the City ordinance requires the Irving Police Department to dispatch its contracted wrecker service provider. After conducting a competitive procurement, the City awarded the contract to United Road Towing Texas, Inc. on September 8, 2016 for a term of one-year with two, 2-year renewal options. The City included the scope of services to stage and operate the SH 161 pilot project into its procurement and has requested the North Central Texas Council of Governments (NCTCOG) enter into an agreement directly with URT in order to pay for these services.

Executive Board approval will be requested to enter into a contract with United Road Towing Texas, Inc. for an annual amount not to exceed \$300,000 for a term of one-year, with four (4) one year optional annual renewals. The sources of funding will be 80 percent Congestion Mitigation and Air Quality Improvement Program (CMAQ) funding and 20 percent state match provided by TxDOT.

It is proposed that a similar project with more advanced technology improvements will be constructed on US 75 from IH 635 to McKinney.

RESOLUTION AUTHORIZING A CONTRACT WITH UNITED ROAD TOWING TEXAS, INC. FOR WRECKER SERVICES ON SH 161

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization for the Dallas-Fort Worth Metropolitan Area by the Governor of Texas in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG and has been and continues to be a forum for cooperative decisions on transportation; and,

WHEREAS, the RTC's Freeway Incident Management (FIM) Training Program is designed to initiate a common coordinated response to traffic incidents that will build partnerships, enhance safety for emergency personnel, reduce secondary traffic crashes, improve efficiency of the transportation system, and improve air quality in the Dallas-Fort Worth region; and,

WHEREAS, the interim bottleneck improvement for SH 161 between Belt Line Road and SH 183 in Irving will continue to be open to traffic, whereby the inside shoulder will be restriped to enable three lanes of traffic during the peak periods to provide additional capacity and congestion relief during the peak periods; and,

WHEREAS, the City of Irving conducted a competitive procurement in 2016 for wrecker services and auto pound operation and selected United Road Towing (URT) Texas, Inc. as the authorized wrecker service required for any City of Irving dispatched tow requests through September 30, 2017; and,

WHEREAS, the RTC desires to provide for the staging of wrecker services with funding through the RTC-approved Texas Department of Transportation Congestion Management Partnership as part of the interim bottleneck improvement to provide quick response and removal of incidents along SH 161 in Irving through the City of Irving's authorized tow provider.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

- Section 1.** A contract between NCTCOG and United Road Towing Texas, Inc., in an amount not to exceed \$300,000, for a term of one year, with four (4) one year optional annual renewals, be and is hereby approved.

SUBJECT: Resolution Authorizing an Agreement with NTE Mobility Partners, LLC and LBJ Infrastructure Group, LLC to Implement a Toll Discount Pilot Program to Travel Outside of the Peak Travel Period

The North Central Texas Council of Governments has implemented Travel Demand Management (TDM) strategies within the Dallas-Fort Worth region for many years. These strategies include telecommuting, bicycling, varied work schedules, transit, carpools/vanpools, park-and-rides, and peak-period pricing. NCTCOG would like to partner with NTE Mobility Partners and LBJ Infrastructure Group to offer a TDM strategy to encourage commuters to travel outside of the peak period by receiving a 75 percent discount on the toll charged on the NTE and LBJ Express managed lane facilities. This initiative is part of the Regional Transportation Council TDM program. The program is called "Scoot Your Commute" and is expected to run August 2016 through October 2016.

As part of this partnership, NCTCOG would pay 50 percent of the toll discount and NTE Mobility Partners and LBJ Infrastructure Group would pay the other 50 percent. The toll discount for this program is expected to cost approximately \$40,000. This program will run for three months with one month to travel before the am peak period, one month to travel after the am peak period and one month to travel after the pm peak period. Executive Board approval will be requested to execute an agreement with NTE Mobility Partners, LLC and LBJ Infrastructure Group, LLC for an amount not to exceed \$20,000 (\$16,000 Surface Transportation Block Grant Program [formerly known as Surface Transportation Program – Metropolitan Mobility] funds and \$4,000 Regional Transportation Council Local funds).

SUBJECT: Resolution Authorizing Purchase and Placement of Advertising for Transportation Initiatives

Since January 2014, the Executive Board has approved advertising funding annually for various transportation programs. Fiscal Year (FY) 2017 Advertising for Transportation Initiatives was included in the Executive Board approval for the FY 2016 and FY 2017 Unified Planning Work Program (UPWP) in May 2016.

Combining advertising efforts within the Transportation Department has resulted in, increased website traffic, greater public participation, and lower advertising rates. Additional benefits received include efficiencies with media outlets such as improved staff coordination, increased timeliness, broader audience reach including historically underserved populations, and cross program communication. Advertisements may be presented through print and online publications, radio and television spots, bill boards, social media, transit, and kiosks. FY 2017 advertising will support the following activities listed below.

The AirCheckTexas Program provides assistance to repair or replace older, higher polluting vehicles to bring them into compliance with emissions standards. It is supported under element 3.03 of the FY 2016 and FY 2017 UPWP and will be funded with Texas Commission on Environmental Quality Funds.

The Bike/Pedestrian Safety Program aims to educate on safety issues and mitigation strategies for motorists, cyclists, and pedestrians. It is supported under element 5.03 of the FY 2016 and FY 2017 UPWP and will be funded with Transportation Enhancement Funds and Regional Transportation Council (RTC) Local Funds.

The Congestion Demand Management Program is a voluntary educational program that promotes alternatives to driving alone (such as carpooling/vanpooling, transit, biking, walking and telecommuting) on a commute trip. This year-round, voluntary program is aimed at private and public employers in the region with 100 or more employees. The promoting of the Try Parking It website and Value Pilot Pricing Program are included in this effort. This effort is supported under element 5.05 of the FY 2016 and FY 2017 UPWP and will be funded with Surface Transportation Block Grant Program (STBG, formerly known as Surface Transportation Program –Metropolitan Mobility). Federal Highway Administration Funds, and RTC Local Funds and/or Transportation Development Credits (TDCs).

The Notifications of Opportunities for Public Input/Public Meetings aim to provide reasonable opportunities for the public to comment on the region's transportation plans according to requirements of Moving Ahead for Progress in the 21st Century Act. Public meetings and other opportunities allow North Texans to learn about and provide input on transportation and air quality in the region and help set priorities for the future. This effort is supported under element 1.01 of the FY 2016 and FY 2017 UPWP and will be funded with Transportation Planning Funds.

The Ozone Season Emissions Reduction Campaign promotes transportation-related clean air strategies and activities in the Dallas-Fort Worth nonattainment area. Air North Texas is the ozone season emission reduction campaign and partnership that promotes a consistent and comprehensive message to the public about the importance of clean air and is a resource for clean air issues. It is supported under element 3.04 of the FY 2016 and FY 2017 UPWP and will be funded with Congestion Mitigation and Air Quality Improvement Program (CMAQ) Funds and TDCs.

The Vehicle Technologies Program aims to help minimize the region's pollution related to mobile sources by implementing a variety of programs that enhance the use of cleaner, sustainable, more fuel-efficient vehicles, equipment, and technologies. Funds allocated for advertising will be utilized to help educate the public about various programs and initiatives related to vehicle technologies that reduce emissions. This effort is supported under element 3.03 and 3.04 of the FY 2016 and FY 2017 UPWP and will be funded with Environmental Protection Agency, CMAQ, and Department of Energy, RTC Local Funds, partner contributions, and TDCs.

The Procurement Outreach Program seeks to better engage with vendors and consultants with Disadvantaged Business Certification (DBE) or that may be eligible for DBE certification. This effort is supported under element 1.03 of the FY 2016 and FY 2017 UPWP and will be funded with STBG and RTC Local funds.

The Regional Freight Program will provide education on railroad safety and how to drive safely around freight vehicles. This program is supported under elements 5.06 and 5.08 of the FY 2016 and FY 2017 UPWP and will be funded with STBG, Texas Department of Transportation, and RTC Local funds.

The 511DFW Program provides the region with a single source of traveler information available to both agencies and the public. This program is supported under element 5.04 of the FY 2016 and FY 2017 UPWP and will be funded with STBG.

The DFW Connector Pilot Program will test strategies to increase TollTag usage in the DFW Connector corridor. Funds allocated for advertising will be utilized to help educate the public in the target region about the various strategies being implemented. This program is supported under element 5.05 of the FY 2016 and FY 2017 UPWP and will be funded with Regional Toll Revenue.

Staff is seeking Executive Board approval to spend up to \$1,400,000 for the purchase and placement of FY 2017 Transportation Department advertising needs. A draft resolution authorizing the purchase and placement of Transportation Department advertising is attached for Executive Board consideration. A funding table detailing funding sources, funding amounts including match sources and match amounts is provided in Attachment 1 to this letter. I will provide a brief presentation on this item and be available to answer any questions prior to requesting Board approval.

**RESOLUTION AUTHORIZING PURCHASE AND PLACEMENT OF ADVERTISING FOR
TRANSPORTATION INITIATIVES**

WHEREAS, the North Central Texas Council of Governments (NCTCOG) has been designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth Metropolitan Area by the Governor of the State of Texas in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG and has been and continues to be a forum for cooperative decisions on transportation; and,

WHEREAS, Fixing America's Surface Transportation Act (FAST Act) and the associated implementing regulations emphasize the importance of public involvement, including public meetings, in the transportation planning process and require adequate notice be given to the public of these activities; and,

WHEREAS, the Dallas-Fort Worth region is in nonattainment of federal air quality standards for ozone and NCTCOG is actively involved in the development and implementation of the State Implementation Plan for air quality; and,

WHEREAS, there has been significant regional interest to enhance coordination, communication, and awareness of various programs administered by NCTCOG; and,

WHEREAS, it has become beneficial for various NCTCOG Transportation Department program areas to administer and coordinate multimedia advertising in an effort to efficiently, effectively, and responsibly reach all audiences.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

- Section 1.** NCTCOG is authorized to enter into agreements with various multimedia outlets for the purchase and placement of new advertising for Fiscal Year 2017 Transportation Department initiatives in an amount up to \$1,400,000.
- Section 2.** The Executive Director or designee is authorized to execute necessary agreements in the name of the North Central Texas Council of Governments to carry out the initiatives described herein.
- Section 3.** This resolution shall be in effect immediately upon its adoption.

Lissa Smith, President
North Central Texas Council of Governments
Mayor Pro Tem, City of Plano

I hereby certify that this resolution was adopted by the Executive Board of the North Central Texas Council of Governments on September 22, 2016.

SUBJECT: Resolution Endorsing Travel Outside of North America Requested by the United States Department of Transportation

Hua Yang, Senior Transportation System Modeler, has been invited to be a part of a Needs Assessment Team sponsored by the United States Department of Transportation to take part in the International Forum on Innovation and Transformation of Urban Transport (September 19-20, 2016) in Beijing, China. As part of the United States-China Transportation Forum, and in conjunction with the recently executed Memorandum of Understanding between the Regional Transportation Council and the China Academy of Transportation Science (CATS), Ms. Yang will be speaking at the 2016 International Smart Urban Transport Conference (September 24-25, 2016) in Xi'an, China. Executive Board endorsement will be requested for Ms. Yang's travel to China for these conferences. Travel dates are anticipated to be September 18-27, 2016. Travel and accommodations in China will be fully covered by the United States Department of Transportation.

A draft resolution authorizing foreign travel for Hua Yang of the Transportation Department is attached for Executive Board consideration. I will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board approval.

SUBJECT: Resolution Authorizing Contract with Halff Associates, Inc. for the Integrated Stormwater Management Program

The North Central Texas Council of Governments serves more than 100 local governments in the region which have state stormwater discharge permits. In order to serve them effectively, NCTCOG maintains a set of *integrated* Storm Water Management (iSWM) design manuals and related materials addressing construction and post construction requirements. The iSWM program has assisted NCTCOG's local governments for almost 15 years in achieving their goals of water quality protection, streambank protection and flood control in addition to serving the communities with stormwater discharge permits.

In 2002, the North Central Texas Council of Governments (NCTCOG) along with more than 60 local governments, developers, and engineers developed the iSWM Program to proactively address stormwater measures related to construction and post-construction minimum control measures, flooding, streambank erosion issues, and as a resource to help meet state permitting requirements. Since the release of the iSWM Manuals, NCTCOG has been promoting their adoption by cities and counties in the region. In 2014, NCTCOG with the support of the iSWM Implementation Subcommittee and Public Works Council, developed a new implementation strategy for the use of iSWM by local governments.

The Public Works Council and iSWM Implementation Subcommittee provides oversight and policy guidance for this program, funding, and necessary updates. This subcommittee is comprised of local government and private sector professionals in the fields of public works, engineering, stormwater management, planning, and development. Our continued efforts in stormwater management provide an invaluable asset to our communities who face on-going challenges in the realm of public infrastructure and public safety.

The project consultant, chosen in 2009 to assist with this program, performed under a contract and contract extensions through April 2016. In order to ensure a competitive process and to continue providing projects desired by our member governments, NCTCOG required and initiated procurement of a professional services firm to assist with the Integrated Stormwater Management (iSWM) Projects. NCTCOG issued RFQ # NCT-2016-17 on August 1, 2016, to receive qualified responses from engineering consulting firms. NCTCOG received two (2) responses by the September 2, 2016, deadline.

The Consultant Selection Committee (CSC) met to review and evaluate the proposals and is recommending Halff Associates, Inc. to perform the required services. A draft resolution authorizing a contract with Halff Associates, Inc., for an initial three (3) year term with two (2) optional one (1) year renewals, in an amount not to exceed \$500,000, is attached for Executive Board consideration. The funding to perform the needed projects generally totals approximately \$70,000 annually, and has been capped at \$100,000 annually.

I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Board approval.

**RESOLUTION AUTHORIZING CONTRACT WITH HALFF ASSOCIATES, INC., FOR
THE INTEGRATED STORMWATER MANAGEMENT PROGRAM**

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is established to assist local governments in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, the integrated Stormwater Management (iSWM) Program was developed by NCTCOG and its member governments to provide assistance and guidance for development and redevelopment related storm water initiatives in North Central Texas; and,

WHEREAS, iSWM is coordinated by NCTCOG with guidance from the Public Works Council, who is advised by the iSWM Implementation Subcommittee, comprised of local government officials and private industry representatives; and,

WHEREAS, NCTCOG issued RFQ # NCT-2016-17 on August 1, 2016, to receive qualified responses from engineering consulting firms to assist with the Program and, following evaluation, the Consultant Selection Committee is recommending Halff Associates, Inc.; and,

WHEREAS, NCTCOG has complied with federal and state regulations regarding contract and procurement proceedings.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. A contract between NCTCOG and Halff Associates, Inc., for the Integrated Stormwater Management (iSWM) Program, for an initial three (3) year term with two (2) optional one (1) year renewals, in an amount not to exceed \$500,000, be and is hereby approved.

Section 2. The Executive Director or designee is authorized to execute contractual agreements with Halff Associates, Inc., in the name of the North Central Texas Council of Governments.

Section 3. This resolution shall be in effect immediately upon its adoption.

Executive Director

DATE: September 14, 2016

FROM: Edith Marvin, P.E.
Director of Environment and Development

SUBJECT: Appointments to Department of Environment and Development Advisory Committees

The Executive Board is being asked to consider appointments to the following advisory committees:

- **Public Works Council (PWC)** – Originating in 1977 as the Standard Specifications Advisory Committee, becoming the Public Works Advisory Committee in 1984, and evolving into the PWC in 2001, this committee is composed of public and private sector professionals with public works and development expertise. The current PWC structure is based on large jurisdiction and subregion representation. The subregions are intended to provide a linkage to the Council for all jurisdictions in the region and allow for subregional meetings to address localized issues.
- **Regional Codes Coordinating Committee (RCCC)** – The North Central Texas Council of Governments' (NCTCOG) RCCC is comprised of area public and private code professionals that research and provide recommendations on the standardization of municipal construction codes.
- **Resource Conservation Council (RCC)** – Serving as NCTCOG's solid waste advisory committee, the RCC provides support and advice on methods to conserve, recover, and recycle valuable resources and to provide proper handling and disposal of non-recoverable waste materials.
- **Water Resources Council (WRC)** – The WRC was established in 1979 to advise NCTCOG's Executive Board on both technical and policy issues related to water resources matters. The WRC reviews day-to-day technical issues; oversees the water resources planning process; and performs technical review of water-related grant applications.

Please reference Attachment 1 for the listing of members recommended for appointment/reappointment as well as continuing members. We look forward to discussing these recommendations with the Executive Board.

Meeting Date: September 22, 2016
Department: Emergency Preparedness
Presenter: Molly McFadden, Emergency Preparedness Director
Subject: Status Report on National Preparedness Month

September is National Preparedness Month (NPM). This emergency preparedness awareness month is sponsored by the Ready Campaign in partnership with Citizen Corps. NPM is held each September and is designed to encourage Americans to take simple steps to prepare for emergencies in their homes, businesses, and communities. This year's theme is **"Don't Wait. Communicate. Make Your Emergency Plan Today"**.

Now is the time to be sure you can communicate during emergencies by having up-to-date contact information for those you may need to get in touch with during a disaster. Establish alternate methods of communication in case traditional means are not available.

Making a family emergency communication plan is a great way to prepare for disasters, but testing your plan is even better so you'll be familiar with how to respond. It's also one of the 10 Ways to Participate in America's PrepareAthon! <https://community.fema.gov/about>. In addition to the overall theme, each week of NPM will also promote the following hazard focused themes:

- August 28 – September 3: Kickoff to National Preparedness Month
 - Find resources to promote NPM at www.ready.gov/september
- September 4 – 10: Preparing Family & Friends
 - Make a family emergency communication plan
- September 11 – 17: Preparing Through service
 - Honor 9/11 by Getting involved in your community & planning with neighbors
- September 18 – 24: Individual Preparedness
 - Take individual steps to prepare for a disaster today like downloading the FEMA app.
- September 25 – 30: Lead up to National PrepareAthon! Day
 - Be counted and register your preparedness event for National PrepareAthon! Day

National PrepareAthon! Day culminates NPM on September 30, 2016. Individuals, families, organizations and businesses are encouraged to use America's PrepareAthon! materials, available at www.ready.gov/prepare as you plan, host and support preparedness actions such as discussions, drills, exercises and training sessions, throughout the month and on September 30.

KnoWhat2Do, our regional public education campaign, exists to educate and empower people in the 16-county North Central Texas Council of Governments region about the tools and resources available to help them prepare for any number of threats specific to this region. We would like for the Executive Board to participate in preparedness activities and encourage local governments to increase preparedness at the citizen level by supporting National Preparedness Month.

Should either you or the Executive Board members have questions, staff and I will be present at the meeting to summarize and address any questions, or I may be contacted by phone at 817-608-2322 or by e-mail at mmcfadden@nctcog.org.

North Central Texas Council of Governments

TO: NCTCOG Foundation Board

DATE: September 15, 2016

FROM: Mike Eastland
Executive Director

SUBJECT: Annual Meeting and Orientation of the North Central Texas Council of Governments Foundation, Inc.

The purpose of this item is to hold an annual meeting of North Central Texas Council of Governments Foundation, Inc., (Foundation) and provide an orientation to the members of the Board on the activities and status of the Foundation.

In 2002, the Executive Board of the North Central Texas Council of Governments (NCTCOG) authorized the creation of a non-profit corporation, the North Central Texas Council of Governments Foundation, Inc., which is a 501(c) (3) organization. The purpose of the Foundation is to supplement NCTCOG activities in order to provide broader service opportunities to NCTCOG's constituents and the North Central Texas region. For example, the NCTCOG Foundation has been utilized in the past to apply for and receive grant funding that requires a 501(c) (3) status from both public and private sector entities. The Foundation has no employees and is managed and operated by NCTCOG staff.

The Executive Board of NCTCOG serves as the Board of the Foundation. The officers of the Executive Board (President, Vice-President, and Secretary/Treasurer) serve as officers of the Foundation. The Foundation must comply with the Texas Open Meetings and Public Information Act. The Foundation is authorized to create committees as necessary to assist in management, policy direction, and oversight. The Bylaws outline authorized and prohibited transactions, indemnification provisions of directors, officers, and employees, and financial management of the Foundation.

I will brief the Board and be available to respond to any questions the Board may have.
