# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Members of the Executive Board North Central Texas Council of Governments Arlington, Texas

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of North Central Texas Council of Governments (the "Council"), as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements and have issued our report thereon dated February 23, 2023.

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Council's internal control over financial reporting (internal control) as the basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Council's internal control. Accordingly, we do not express an opinion on the effectiveness of the Council's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Members of the Executive Board North Central Texas Council of Governments Arlington, Texas

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Council's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purposes.

## INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM; REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Members of the Executive Board North Central Texas Council of Governments Arlington, Texas

#### **Report on Compliance for Each Major Federal Program**

#### **Opinion on Each Major Program**

We have audited North Central Texas Council of Governments' (the "Council") compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Council's major federal programs for the year ended September 30, 2022. The Council's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Council's complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2022.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance),. Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Council and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Council's compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the Council's federal programs.

To the Members of the Executive Board North Central Texas Council of Governments Arlington, Texas

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Council's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Council's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit
  procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the
  Council's compliance with the compliance requirements referred to above and performing such other procedures as
  we considered necessary in the circumstances.
- Obtain an understanding of the Council's internal control over compliance relevant to the audit in order to design
  audit procedures that are appropriate in the circumstances and to test and report on internal control over
  compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the
  effectiveness of the Council's internal control over compliance. Accordingly, no such opinion is expressed.
- We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### **Report on Internal Control Over Compliance**

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

### To the Members of the Executive Board North Central Texas Council of Governments

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

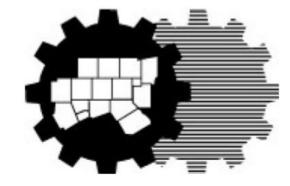

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, the discretely presented component unit, each major fund, and the aggregate remaining fund information of the Council as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Council's basic financial statements. We issued our report thereon dated February 23, 2023, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the Year Ended September 30, 2022

#### Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of North Central Texas Council of Governments (the "Council") under programs of the federal government for the year ended September 30, 2022. The information in this Schedule is presented in accordance with the requirements of Office of Management and Budget (OMB) *Uniform Guidance*. Because the Schedule presents only a selected portion of the operations of the Council, it is not intended to and does not present the financial position, changes in net position or cash flows of the Council.

#### Note 2 - Summary of Significant Accounting Policies

The Council accounts for all federal awards under programs of the federal government in the General and Special Revenue Funds. These programs are accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities are generally included on the balance sheet. Operating statements of these funds present increases (i.e. revenues and other financing sources) and decreases (i.e. expenditures and other financing uses) in net current assets.

The modified accrual basis of accounting is used for these funds. This basis of accounting recognizes revenues in the accounting period in which they become susceptible to accrual, i.e. both measurable and available, and expenditures in the accounting period in which the liability is incurred, if measurable, except for certain compensated absences and claims and judgments, which are recognized when the obligations are expected to be liquidated with expendable available financial resources.

Federal grant funds for governmental funds are considered to be earned to the extent of expenditures made under the provisions of the grant. When such funds are advanced to the Council, they are recorded as unearned revenues until earned. Otherwise, federal grant funds are received on a reimbursement basis from the respective federal program agencies. Generally, unused balances are returned to the grantor at the close of specified project periods. The Council has elected not to use the 10 percent de minimis indirect cost rate allowed under the *Uniform Guidance*.

#### Note 3 - Relationship to Federal Financial Reports

Amounts reported in the accompanying schedule may not agree with the amounts reported in the related federal financial reports with grantor agencies because of accruals which would be included in the next report filed with the agencies.

#### Note 4 - Relationship to the Basic Financial Statements

Federal awards revenue are reported in the Council's basic financial statements as follows:

Federal administered grants	\$ 11,278,841
State administered grants	132,997,272
<u> </u>	
Less: State funded grant awards	12,412,397
	_
Per Schedule of Expenditures of Federal Awards	\$ 131,863,716

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS (continued) For the Year Ended September 30, 2022

#### Note 5 - Negative Amounts

Due to a revision in the calculation of administrative costs, the funding agent has retroactively calculated certain grant expenditures. As a result of this recalculation, the affected grants reflect a negative balance on the current schedule of expenditures of federal awards.

SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS For the Year Ended September 30, 2022

Federal regulations, Title 2 U.S. Code of Federal Regulations Section 200.511 states, "The auditee is responsible for follow-up and corrective action on all audit findings. As part of this responsibility, the auditee must prepare a summary schedule of prior audit findings." The summary schedule of prior audit findings must report the status of the following:

- All audit findings included in the prior audit's schedule of findings and questioned costs and
- All audit findings reported in the prior audit's summary schedule of prior audit findings except audit findings listed as corrected.

#### I. Prior Audit Findings

None reported

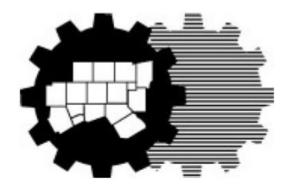

**CORRECTIVE ACTION PLAN** 

For the Year Ended September 30, 2022

Federal regulations, Title 2 U.S. Code of Federal Regulations §200.511 states, "At the completion of the audit, the auditee must prepare, in a document separate from the auditor's findings described in §200.516 Audit findings, a corrective action plan to address each audit finding included in the current year auditor's reports."
