

The MTP Policy Bundle

Cities and transit agencies adopt smart policies that move the region forward and get rewarded with credits to help fund transportation projects.

✓ 100% Voluntary

🔄 New Round Every Two Years

👥 Who Applies: Transit Agencies, Cities, ISDs, Counties

● HOW IT WORKS

Adopt Policies

Pick from 20

Earn TDCs

Credits assigned to agencies

Fund Projects

Put credits toward federal projects

What are TDCs?

Transportation Development Credits replace the local dollars normally required to match a federal transportation project, freeing up local cash for other priorities.

● 20 POLICIES, 4 GOAL AREAS

Air Quality & Environment

cleaner air, protect the environment

Technology & Innovation

air mobility, intelligent systems

Safety & Multimodal Transportation

safe by car, bus, bike, and foot

Land Use & Development

strategic density, more connections

● HOW AWARDS ARE SCORED

More Impact, More Credits

RTC approved the Round 6 framework in Jan 2026, which rewards transit-supportive action and participation.
