## CJAC Application Score Sheet Continued

<b>Funding Opportunity:</b>	Criminal Justice Programs	<b>Date:</b>	1/0/1900
<b>Applicant Agency:</b>	Dallas, City of		
<b>Project Title:</b>	City of Dallas - NIBIN Program Emphasizing Violent Crimes		
<b>Application Number:</b>	2408205		
<b>Amount Requested:</b>	\$80,000.00	<b>Total Score:</b>	

**NOTE:** Projects must receive at least 70% of the maximum points available to be recommended for funding. If you have a conflict of interest you are exempt from scoring or commenting on this and any other application for this funding opportunity.

Minimum Score for CJAC Recommendation = 58.80

### State Priorities

Question		Max Points Allowed	Score
How well does the project address the state priorities identified in the funding opportunity's Request for Applications?	Crime Data - Enhancements to records management systems to allow law enforcement to contribute appropriate data (i.e. N-DEX, NIBRS)	0.00	
	Trafficking - Projects that disrupt drug and human trafficking including areas along and near major state corridors	0.00	
	Innovative or Evidence Based Programs - Projects that reduce crime and violence in areas with high crime rates or organized criminal activity	0.00	
	Mental Health - Specialized training to increase the number of mental health officers and the ability of law enforcement to work with individuals diagnosed with mental illness	0.00	
	System Improvements - Projects that promote efficiency, accuracy and credibility of law enforcement agencies and prosecutors	4.00	

### Local Priorities

Question		Max Points Allowed	Score
How well does the project address a current funding priority identified in a prior regional planning process or a priority identified during the regional council of government's strategic planning process for CJD funds?	Programs focused on child abuse, family violence and/or sexual assault crimes.	20.00	
	Programs to reduce and/or respond to drug trafficking.		
	Programs to reduce and/or respond to gang crimes.		
	Programs to reduce and/or respond to DWI/DUI crimes.		
	Programs providing reentry services.		

### Cost and Program Effectiveness

Question	Max Points Allowed	Score
Are the activities to be conducted reasonable and will they adequately accomplish the goals of the project?	5.00	
Does this project avoid duplication or overlapping of existing resources or programs available within the project's proposed service area and target population?	5.00	
Are the budget line items eligible and essential to meeting the goals of the project?	5.00	
Are target levels for outputs to be performed reasonable and achievable?	5.00	
Does the project meet the eligibility requirements described in the funding opportunity's Request for Applications including UCR reporting and compliance with 90% or above on criminal history reporting?	5.00	
Does the supporting data address a significant crime problem?	5.00	
Is the applicant currently on Vendor Hold with CJD?	No ▼	0.00

<b>Funding Opportunity:</b>	Criminal Justice Programs	<b>Date:</b>	1/0/1900
<b>Applicant Agency:</b>	Balch Springs, City of		
<b>Project Title:</b>	Canine Transport Unit		
<b>Application Number:</b>	2794501		
<b>Amount Requested:</b>	\$63,179.82	<b>Total Score:</b>	

**NOTE:** Projects must receive at least 70% of the maximum points available to be recommended for funding. If you have a conflict of interest you are exempt from scoring or commenting on this and any other application for this funding opportunity.

Minimum Score for CJAC Recommendation = 58.80

### State Priorities

Question		Max Points Allowed	Score
How well does the project address the state priorities identified in the funding opportunity's Request for Applications?	Crime Data - Enhancements to records management systems to allow law enforcement to contribute appropriate data (i.e. N-DEX, NIBRS)	0.00	
	Trafficking - Projects that disrupt drug and human trafficking including areas along and near major state corridors	0.00	
	Innovative or Evidence Based Programs - Projects that reduce crime and violence in areas with high crime rates or organized criminal activity	0.00	
	Mental Health - Specialized training to increase the number of mental health officers and the ability of law enforcement to work with individuals diagnosed with mental illness	0.00	
	System Improvements - Projects that promote efficiency, accuracy and credibility of law enforcement agencies and prosecutors	4.00	

### Local Priorities

Question		Max Points Allowed	Score
How well does the project address a current funding priority identified in a prior regional planning process or a priority identified during the regional council of government's strategic planning process for CJD funds?	Programs focused on child abuse, family violence and/or sexual assault crimes.	20.00	
	Programs to reduce and/or respond to drug trafficking.		
	Programs to reduce and/or respond to gang crimes.		
	Programs to reduce and/or respond to DWI/DUI crimes.		
	Programs providing reentry services.		

### Cost and Program Effectiveness

Question	Max Points Allowed	Score
Are the activities to be conducted reasonable and will they adequately accomplish the goals of the project?	5.00	
Does this project avoid duplication or overlapping of existing resources or programs available within the project's proposed service area and target population?	5.00	
Are the budget line items eligible and essential to meeting the goals of the project?	5.00	
Are target levels for outputs to be performed reasonable and achievable?	5.00	
Does the project meet the eligibility requirements described in the funding opportunity's Request for Applications including UCR reporting and compliance with 90% or above on criminal history reporting?	5.00	
Does the supporting data address a significant crime problem?	5.00	
Is the applicant currently on Vendor Hold with CJD?	No ▼	0.00

### State Priorities

Question		Max Points Allowed	Score
How well does the project address the state priorities identified in the funding opportunity's Request for Applications?	Crime Data - Enhancements to records management systems to allow law enforcement to contribute appropriate data (i.e. N-DEX, NIBRS)	0.00	
	Trafficking - Projects that disrupt drug and human trafficking including areas along and near major state corridors	0.00	
	Innovative or Evidence Based Programs - Projects that reduce crime and violence in areas with high crime rates or organized criminal activity	0.00	
	Mental Health - Specialized training to increase the number of mental health officers and the ability of law enforcement to work with individuals diagnosed with mental illness	0.00	
	System Improvements - Projects that promote efficiency, accuracy and credibility of law enforcement agencies and prosecutors	4.00	

### Local Priorities

Question		Max Points Allowed	Score
How well does the project address a current funding priority identified in a prior regional planning process or a priority identified during the regional council of government's strategic planning process for CJD funds?	Programs focused on child abuse, family violence and/or sexual assault crimes.	20.00	
	Programs to reduce and/or respond to drug trafficking.		
	Programs to reduce and/or respond to gang crimes.		
	Programs to reduce and/or respond to DWI/DUI crimes.		
	Programs providing reentry services.		

### Cost and Program Effectiveness

Question	Max Points Allowed	Score
Are the activities to be conducted reasonable and will they adequately accomplish the goals of the project?	5.00	
Does this project avoid duplication or overlapping of existing resources or programs available within the project's proposed service area and target population?	5.00	
Are the budget line items eligible and essential to meeting the goals of the project?	5.00	
Are target levels for outputs to be performed reasonable and achievable?	5.00	
Does the project meet the eligibility requirements described in the funding opportunity's Request for Applications including UCR reporting and compliance with 90% or above on criminal history reporting?	5.00	
Does the supporting data address a significant crime problem?	5.00	
Is the applicant currently on Vendor Hold with CJD?	No ▼	0.00
