1. Welcome and Introductions.

PRESENTATIONS

2. What Can the Texas Optimization Program (TOP) Do for You? Andrew Waite, TOP Contractor, Texas Commission on Environmental Quality (TCEQ), will showcase the possibilities available through TCEQ's Texas Optimization Program (TOP), which provides no-cost complex drinking water technical assistance, training, and support to the regulated community through onsite and remote assistance. His presentation will cover the TOP Mission, Team Composition, TOP team Dos & Don'ts, and Direct Assistance Modules.

3. North Texas Zero Emissions Vehicles Call for Projects. Savana Nance, NCTCOG, will present on Round 2 the [North Texas Zero Emissions Vehicles \(NTxZEV\)](#) call for projects, open now. This funding would assist public and private sector fleets in replacing existing ICE Class 6 and 7 vehicles with ZEVs.

ACTION ITEM

4. Meeting Summary. The [January 14, 2026 meeting summary](#) will be presented for approval.

DISCUSSION

5. Review of Outreach and Engagement Projects. NCTCOG will provide an update on outreach and engagement activities and will seek input on the development of [a new activity book to promote regional water conservation](#).

6. 2026 Water Resources Questionnaire. NCTCOG will allow the WRC to review and provide input on the [2026 North Central Texas Water Resources Questionnaire](#) before distribution. This deliverable is used to direct future water-related planning and education.

7. FY27 Call for Nominations, Reappointments, and Nominations Subcommittee Process. NCTCOG will discuss the process and details regarding the FY27 WRC roster, including term reappointments and filling vacant seats. The council will vote to approve the proposed new roster at its July meeting.
