

# MISSION STATEMENT

The Naval Air Station Joint Reserve Base Fort Worth Regional Coordination Committee will serve as a forum for dialogue between the base and the surrounding communities to implement recommendations from Joint Land Use Studies and Compatible Use Plans related to compatible development, livability, and public engagement.

The RCC will provide support for the base and members of the military to preserve NAS JRB Fort Worth as a strategic military asset and to enhance the economy and quality of life in the surrounding communities.

# 301 FW Operations Group

Deploy and Win in Combat!

As a combat-ready F-35A organization, we provide on-demand, lethal airpower for global taskings.

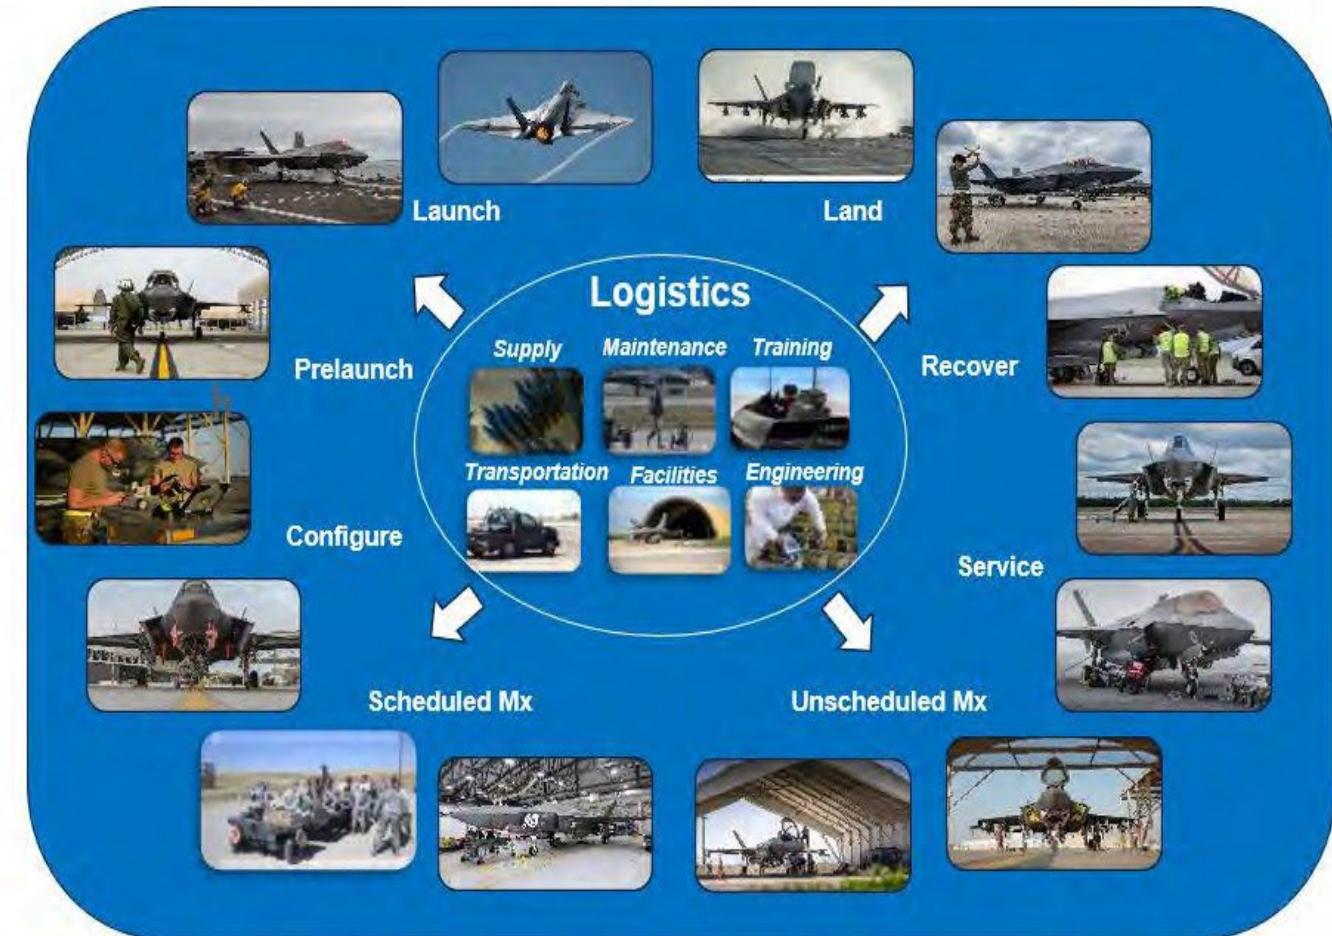

Our mission is to train and deploy the world's most advanced fighter pilots and personnel to meet combatant commander requirements.

Leveraging the advanced capabilities of the F-35, the 301st is prepared to dominate any contested airspace and win.

# 301 FW Maintenance Group

- 600 Total Force Airmen and civilians spanning 18 AFSCs operating out of 25 work centers, 20 joint-use facilities, in support of 26 F-35 aircraft and support equipment worth \$4.2B.
- Leads all aspects of maintenance planning, standardization, and execution to support a 3.5K annual flying hour program as well as, *develop, and generate resilient, mission-ready airmen and combat capabilities* for AFRC's only fifth generation, combat-coded fighter wing.

## 301 FW Medical Squadron

### Mission:

- 1) Optimize Medical Readiness for Fighter Wing Warriors to support Agile Combat Employment;
- 2) Deploy Expeditionary Medical Support (EMEDS) during Combat, Contingency, and Humanitarian Assistance Missions

### Vision:

Be a highly effective and agile Medical Squadron, guided by our Core Values and driven to reliably accomplish the Mission while promoting a culture of dignity, respect, and diversity through Servant Leadership.

# 24th Fighter Squadron

## “Leaping Tigers”

### Total Force Integration:

TFI allows active-duty pilots to garner greater experience than their counterparts, as most Reserve pilots in the 301FW are instructor pilots with more than 2,000 flight hours (average experience)

301 FW is an active association bringing in approximately 140 active-duty members to fly and maintain Air Force Reserve F-35s

TFI passes valuable maintenance knowledge to younger maintainers to preserve the fleet

PROJECT UPDATE

# PROJECT 179—BENBROOK

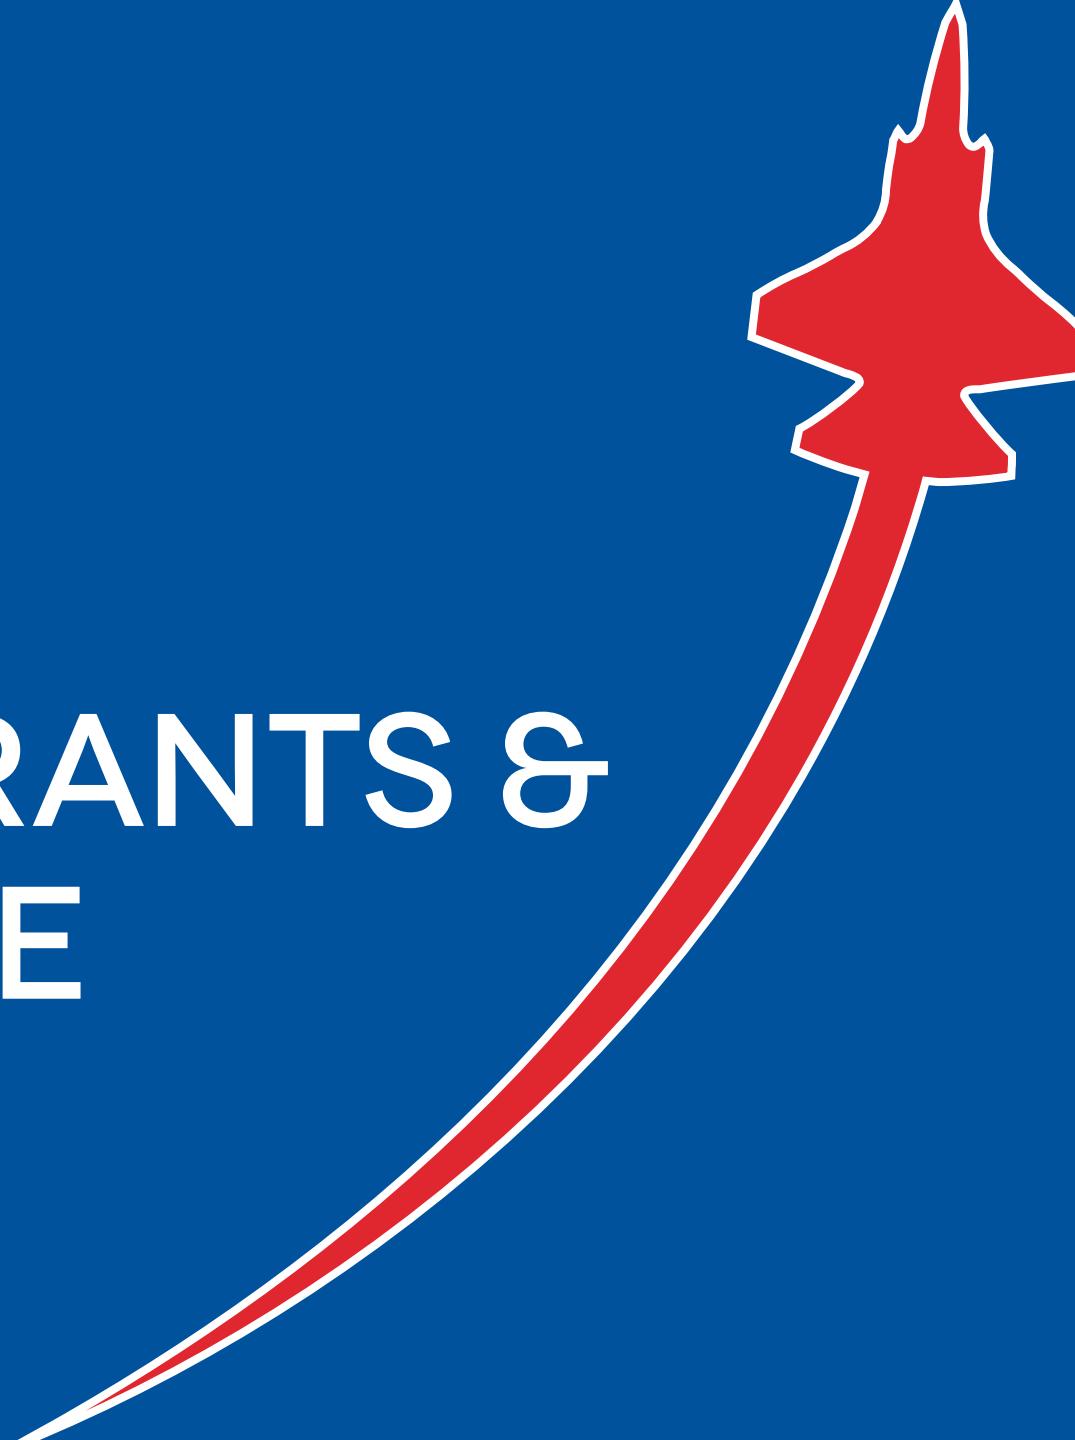

# PROJECT 179—BENBROOK

NCTCOG Staff Preliminary Assessment: The proposed action is consistent with Joint Land Use Study (JLUS) recommendations. The property is located in the 65 dB noise contour, and the proposed use is for an auto repair business. U.S. Department of Defense guidelines indicate repair services are generally compatible in the 65 dB noise contour without sound attenuation.			Votes
			Yes 7
			No 0

NAME	ENTITY	DATE	COMMENT
Brandy Barrett	Westworth Village	11/4/2025	Auto repair business "sounds" appropriate for the noise contour.
Faron Young	White Settlement	11/6/2025	It's a good ideal and it conforms with what we would like to see development in that area
Jeff James	White Settlement	11/6/2025	This project will benefit the city. I support COG assessment.
Mike Coleman	At Large	11/10/2025	Agree with the COG assessment. No issues with the project.
Brian Libbey	Westworth Village	11/14/2025	I concur with the staff assessment. Fits in with the rest of the location
