Scrap Tire Collection Event Requirements

Funded by the North Central Texas Council of Governments through a grant from the Texas Commission on Environmental Quality

- The participating entity must be eligible to receive solid waste funding from NCTCOG (must be a city, county, school district, or special law district within NCTCOG's 16-county region).
- The participating entity must provide NCTCOG with an estimated cost of the tire collection event in the original request for sponsorship.
 - Minimum sponsorship funding request: \$1,000
 - Maximum sponsorship funding request: \$20,000
 - Requests may exceed \$20,000; however, the initial grant award will not exceed \$20,000 and the applicant is responsible for all costs above the awarded amount. At the end of the grant cycle, additional funding may be made available to reimburse eligible applicant-paid costs, including amounts above the initial award. Additional funding is not guaranteed.
- If selected for sponsorship, NCTCOG will enter into an Interlocal Agreement with the entity in order to provide the funding for the event or cleanup.
- The participating entity must be able to procure their own tire collection vendor.
- The participating entity must provide background documentation of the procurement process for NCTCOG's review.
- The participating entity is responsible for advertising their event to residents.
- The participating entity and/or tire collection vendor must provide the manifests from the event to NCTCOG that include the number of tires collected at the conclusion of the event.
- The participating entity must pay for the tire collection vendor up front and be reimbursed by NCTCOG.
- The participating entity must provide proper backup documentation of the payment to be reimbursed for the event, as per the standard [Request for Reimbursement guidelines](#) for the FY2026-2027 solid waste pass-through grants.
- All tire collection events and cleanups must take place by June 30, 2027.
