

North Central Texas Council of Governments

Environment & Development

Application for Scrap Tire Collection Funding

Funded by the North Central Texas Council of Governments through a grant from the Texas Commission on Environmental Quality

Applications must be submitted by February 12, 2027, in order to be considered for funding.

Please provide the physical address where records may be accessed.

Please provide an exact dollar amount for Requested Funding. The minimum funding request is \$1,000. Requests may exceed \$20,000; however, the initial grant award will not exceed \$20,000, and the applicant is responsible for all costs above the awarded amount. At the end of the grant cycle, additional funding may be made available to reimburse eligible applicant-paid costs, including amounts above the initial award. Additional funding is not guaranteed.

Required Attachments:

Applicants must attach a quote for the cost of hauling any tires collected from a qualified scrap tire collection and disposal/recycling vendor. The minimum funding request is \$1,000. Requests may exceed \$20,000; however, the initial grant award will not exceed \$20,000, and the applicant is responsible for all costs above the awarded amount. For funding requests of \$3,000 or greater, three quotes must be provided from three different vendors. If fewer than three vendors respond, the application may still be considered for funding if the applicant provides documentation showing that quote requests were sent to at least three vendors. Please indicate the preferred vendor below.

For the Texas Commission on Environmental Quality's comprehensive, state-wide list of active scrap tire vendors, please click [here](#). If you have any questions about proper procurement of quotes or bids, please contact Madisson Dunn at MDunn@nctcog.org or SolidWaste@nctcog.org.
