2027 LEGISLATIVE POSITION PREAMBLE

- The NAS JRB Fort Worth Regional Coordination Committee (RCC) is a voluntary organization of local governments formed to promote and preserve the military mission at the installation. The RCC encourages compatible land use planning, conducts community outreach, and participates in military affairs surrounding NAS JRB Fort Worth by providing cities and counties with enhanced options to manage development near military installations and within training areas.
- Therefore, the RCC seeks legislation that promotes the safety and well-being of the communities surrounding NAS JRB Fort Worth through compatible development and quality of life, as well as legislation that minimizes encroachment upon the military installation, potentially compromising its mission. Legislation is sought that will:

2027 LEGISLATIVE GOALS
