+1 (903) 508-4574, Conference ID: 454 500 335#

1. **Welcome and Introductions.**

ACTION ITEMS

2. **Stormwater Subcommittee Meeting Summary.** The [May 4, 2021 meeting summary](#) is available online for review and will be presented for approval.

The May 4, 2021 meeting summary was approved.

DISCUSSION

3. **Project Discussion.** NCTCOG will provide an update on the TMDL Educational Materials for City Officials and Executives. NCTCOG will request feedback from the subcommittee on potential topics for the next project.

NCTCOG presented the [draft TMDL Tri-Fold Brochure for City Officials and Executives](#). Attendees provided preliminary feedback and discussed future projects, including a “FAQ” document for Industrial Facilities with information on Stormwater Multi-Sector General Permits.

Additionally, attendees discussed future workshop topics, including avian management and bacteria source tracking.

4. **NCTCOG Updates and Roundtable Discussion.** NCTCOG will provide general updates and members will have an opportunity to share what is happening in their communities.

The [September 2021 TMDL Newsletter](#) is available online for review. The Feral Hog Forum was held on August 24, 2021. Slides and the recording from this workshop are [available online for review](#).

NCTCOG is requesting feedback on the [draft TMDL door hanger for apartment complexes](#) that was developed on behalf of the TMDL Wastewater Technical Subcommittee.

The Annual Holiday Grease Roundup is scheduled for November 22, 2021 through January 10, 2022. Contact Hannah Allen at hallen@nctcog.org to participate.

NCTCOG developed a new educational explainer video: the [Importance of Properly Maintaining Water and Wastewater Infrastructure](#).

North Central Texas Council of Governments

Attendees discussed the potential to merge the meetings of the TMDL Stormwater and Wastewater Technical Subcommittees, as much of the same information is presented at both meetings.

Upcoming Meetings:

- Upper Trinity River Basin Coordinating Committee: February 15, 2022 at 9:30 AM, location TBD
- TMDL Monitoring Coordination Forum: March 3, 2022 at 9:30 AM via Microsoft Teams

The City of Arlington discussed their recent presentation at the Monitoring Coordination Forum on September 28, 2021. This presentation covered Arlington's efforts to meeting TMDL requirements in their stormwater permit, as well as additional TMDL activities.

The City of Dallas is gearing up for their annual MS4 report.

5. **Schedule for the Next Meeting.** The next Stormwater Technical Subcommittee meeting is tentatively scheduled for January 20, 2022 at 9:30 AM via Microsoft Teams.
6. **Adjournment.**

If you have any questions regarding the meeting or agenda items, please contact Hannah Allen at (817) 695-9215, or by email at hallen@nctcog.org.

If you plan to attend this meeting and you have a disability requiring special arrangements, please contact Barbara Bradford at (817) 695-9231 or bbradford@nctcog.org, 72 hours prior to the meeting. Reasonable accommodations will be made to assist your needs.
