ARTICLE V

ALLOWABLE COST

The total cost to **NCTCOG** for performance of the work under this Contract shall not exceed <<insert written amount (\$amount) >> and the **CONSULTANT** agrees to perform the work specified in Appendix A and all other obligations under this Contract for no more than this cost. **NCTCOG** shall not be obligated to pay the **CONSULTANT** any costs in excess of this amount and the **CONSULTANT** shall not be obligated to perform any services specified in Appendix A in excess of this amount except as amended in accordance with Article III. Budgets between tasks and line items can be modified without an amendment to the Contract, so long as the modifications do not revise the total Contract amount stated herein. The expenses and rates in Appendix B may be amended from time to time if approved in advance in writing by **NCTCOG**. Any compensation due to the **CONSULTANT** for performance of this Contract must be approved in accordance with Articles V and VI of this Contract. There shall be no obligation whatsoever to pay for performance of this Contract from the monies of **NCTCOG**, except funding specifically obligated for this Contract.

The **CONSULTANT** shall be paid allowable costs as outlined in the Contract Cost Estimate included in Appendix B, for the performance of work under this Contract. Allowable costs are the direct, indirect costs, and fixed fee/profit incurred in or allocable to the performance of the services

under this Contract and are the type of charges that would be allowable under 2 Code of Federal Regulations (CFR) 200, "Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards."

1. Direct Costs

- a. Personnel. The **CONSULTANT** shall be reimbursed for the services of personnel working on this project for the time such personnel work on those projects. The reimbursement for personnel shall be the salary of record paid to said personnel by the **CONSULTANT** during the time of their performance on this Contract. Total reimbursement for personnel expenses may be limited to estimated direct labor budgets identified in Appendix B.

- b. Travel Expenses and Subsistence. The **CONSULTANT** shall be paid the actual cost incurred by personnel working on this project for travel expenses and subsistence that are certified as being correct and necessary for and directly associated with performance of this Contract not to exceed travel and subsistence rates published by the United States General Service Administration (GSA). Transportation costs shall be reimbursed at the lowest reasonable available fare, but in no case more than coach class or comparable fare. Transportation by private automobile shall be reimbursed at the rate determined by the Internal Revenue Service regulations. The actual costs for meals and lodging shall be reimbursed at a rate not to exceed the maximum GSA per diem rates for a specified duty point. Gratuities and incidentals are not eligible for reimbursement. Rental car expenses shall be reimbursed at actual cost of compact car. Total reimbursement of travel expenses under this Contract may be limited to estimated travel budgets identified in Appendix B.

c. Other Direct Costs. The **CONSULTANT** shall be reimbursed for the actual amount of other costs or expenses incurred and certified as directly related to and necessary for performance of this Contract. Total reimbursement for direct costs may be limited to estimated direct cost budgets identified in Appendix B. The **CONSULTANT** shall notify **NCTCOG** in writing of any changes in auditable direct costs.

d. Subcontractors. The **CONSULTANT** shall be reimbursed for the costs and fees charged to the **CONSULTANT** by subcontractors for work on this project. Only costs for those subcontractors shown in Appendix B shall be eligible for reimbursement, and reimbursements for subcontractor costs shall not exceed the amounts shown in Appendix B. The subcontractors and associated costs in Appendix B may be amended if approved in advance in writing by **NCTCOG**. Subcontractor costs to be reimbursed are limited by the provisions in this Contract applying to allowable costs incurred by the **CONSULTANT**.

2. Indirect Costs/Overhead

The **CONSULTANT** shall be reimbursed for indirect expenses, overhead, and personnel benefits at the rates shown in Appendix B.

3. Fixed Fee/Profit

The **CONSULTANT** shall be reimbursed for the fixed fee or profit negotiated for the **CONSULTANT** and subcontractors not to exceed **<<insert total profit amount (\$amount)>>**. This profit is included in the total cost detailed above.

ARTICLE VI

PAYMENTS

For the performance of this Contract, **NCTCOG** shall pay the **CONSULTANT** allowable costs in accordance with the terms and conditions set forth in Article V above and as certified by the **CONSULTANT** in monthly invoices. The **CONSULTANT** shall submit monthly invoices for all expenses incurred during the preceding month. Documentation for all claimed expenses shall accompany all invoices. Documentation includes, but is not limited to, labor summary reports, receipts, vendor invoices, expense reports, and other documentation deemed necessary by **NCTCOG**.

NCTCOG shall pay the **CONSULTANT** the amount of costs claimed and certified on each invoice, subject to approval of claimed costs by **NCTCOG** less ten percent (10%) retainage up to **<<insert written retainage amount (\$amount)>>**. **NCTCOG** reserves the right to reduce any profit or other amounts owed commensurate with and to the extent of any failure on the part of the **CONSULTANT** to meet Minority/Small Business (M/W/SBE) Contracting commitments in Appendix D, without a Contract Amendment revising said commitments. For avoidance of doubt and by way of example, if M/W/SBE participation is ten thousand dollars (\$10,000) less than participation outlined in Appendix D, **NCTCOG** reserves the right to reduce the **CONSULTANT'S** profit or other amounts owed by ten thousand dollars (\$10,000). Unless there is a bona fide dispute, payment shall be made within forty-five (45) days of receipt of a complete invoice provided all deliverables are received. The **CONSULTANT** shall pay subcontractors the appropriate share of the payment no later than ten (10) days after receiving payment from **NCTCOG**. When the project has been completed to the satisfaction of **NCTCOG**, the **CONSULTANT** shall submit an invoice clearly labeled "Final Invoice" and claiming any remaining allowable costs and the retainage amount specified above. Retainage shall be paid at the

conclusion of the Contract and is subject to conduct and completion of the project to the satisfaction of **NCTCOG**. Payment of the retainage shall not be unreasonably withheld.

ARTICLE VII

RECORDS

The **CONSULTANT** and its subcontractors shall maintain complete and accurate records of allowable costs incurred under this Contract and shall make such materials available at its office during the period covered and for **three (3)** years from the date of final payment under the Contract. Such materials shall be made available during the specified period for inspection by **NCTCOG**, **NCTCOG'S** funding partners, and any of their authorized representatives for the purpose of making audits, examinations, excerpts, and transcriptions. **If any litigation, claim, or**

audit is started before the expiration of the 3-year period, the records must be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken.

All such records shall be maintained on a generally accepted accounting basis and shall be clearly identified and readily accessible. **NCTCOG** may request the **CONSULTANT** to maintain records for a period other than identified above.

ARTICLE VIII

FUNDING AGENCY REQUIREMENTS

- A. Audit and Inspection of Records. The **CONSULTANT** shall permit the authorized representatives of **NCTCOG**, **NCTCOG'S** funding partners, and their designees to inspect and audit all data records of the **CONSULTANT** and its subcontractors relating to work performed under the Contract until the expiration of **three (3)** years after final payment and resolution of audit under this Contract. The **CONSULTANT** shall transmit this data to

NCTCOG upon request. The **CONSULTANT** further agrees to include in all subcontracts hereunder a provision to the effect that the subcontractor agrees that **NCTCOG, NCTCOG'S** funding partners or any of their duly authorized representatives shall, until the expiration of **three (3) years** after final payment and resolution of audit under the subcontract, have access to and the right to examine any directly pertinent books, documents, papers, and records of subcontractor, involving transactions related to the subcontractor. The subcontractor shall transmit all data records to **NCTCOG** upon request. The term "subcontract" as used in this clause excludes (1) purchase orders not exceeding ten thousand dollars (\$10,000) and (2) subcontracts or purchase orders for public utility services at rates established for uniform applicability to the general public.

The **CONSULTANT** shall be responsible for any funds determined to be ineligible for reimbursement under this Contract and shall reimburse **NCTCOG** the amount of such funds previously provided to it by **NCTCOG**.

- B. Inspection of Work. **NCTCOG, NCTCOG'S** funding partners, and any authorized representative thereof, have the right at all reasonable times to inspect or otherwise evaluate the work performed or being performed hereunder and the premises in which it is being performed.

If any inspection or evaluation is made on the premises of the **CONSULTANT** or its subcontractor, the **CONSULTANT** shall provide and require its subcontractor to provide all reasonable facilities and assistance for the safety and convenience of the inspectors in the performance of their duties. All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

- C. Interest of Members of Congress. No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Contract or to any benefit arising therefrom.
- D. Interest of Public Officials. No member, officer, or employee of the public body or of a local public body during their tenure or for one year thereafter shall have any interest, direct or indirect, in this Contract or the proceeds thereof.
- E. Noncollusion. The **CONSULTANT** warrants that it has not employed or retained any company or person, other than a bona fide employee working for it, to solicit or secure this Contract, and that it has not paid or agreed to pay any company or person, other than a bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of this Contract. If the **CONSULTANT** breaches or violates this warranty, **NCTCOG** shall have the right to annul this Contract without liability or, in its discretion, to deduct from the Contract price or consideration, or otherwise recover the full amount of such fee, commission, brokerage fee, gift, or contingent fee.
- F. Gratuities. Any person doing business with or who, reasonably speaking, may do business with **NCTCOG** under this Contract may not make any offer of benefits, gifts, or favors to employees of **NCTCOG**, **NCTCOG'S** funding partners or representatives of **NCTCOG'S** committees or Boards. Failure on the part of the **CONSULTANT** to adhere to this policy may result in termination of this Contract.

- G. **Debarment/Suspension.** A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Included as Appendix E of this Contract, " Debarment and Suspension Certification."
- H. **Restrictions on Lobbying.** Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. The "Restrictions on Lobbying Certification" is included as Appendix F of this Contract.
- I. **Environmental Protection and Energy Efficiency.** Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended

(33 U.S.C. 1251-1387). Violations must be reported to the federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

- J. Nondiscrimination on the Basis of Disability. The **CONSULTANT** agrees that no otherwise qualified disabled person shall, solely by reason of their disability, be excluded from participation in, be denied the benefits of, or otherwise be subject to discrimination under the project. The **CONSULTANT** shall insure that all fixed facility construction or alteration and all new equipment included in the project comply with applicable regulations regarding Nondiscrimination on the Basis of Disability in Programs and Activities Receiving or Benefiting from Federal Financial Assistance, set forth in 49 CFR Part 27 and any amendments thereto.
- K. Control of Drug Use. The **CONSULTANT** agrees to comply with the terms of the Federal Transit Administration regulation, "Prevention of Alcohol Misuse and Prohibiting Drug Use in Transit Operations" set forth in 49 CFR Part 655. The **CONSULTANT** agrees to maintain a drug-free workplace and ensure all subcontractors comply with the terms set forth in the previous regulation. At a minimum the drug-free workplace policy shall include notification of prohibited activities relating to drugs, notification of requirement to abide by policy as a condition of employment, and drug disclosure requirements.
- L. Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375,

“Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

- M. Minority/Small Business Contracting. **CONSULTANT** must take all necessary affirmative steps, set forth in 2 CFR 200.321, to assure that minority businesses, women's business enterprises, and labor surplus area firms are used when possible.
- N. Davis-Bacon Act. When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland “AntiKickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must

be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency.

- O. **Contract Work Hours and Safety Standards Act.** Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- P. **Rights to Inventions.** If the federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under

Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

- Q. Procurement of Recovered Materials. The **CONSULTANT** agrees to comply with all applicable provisions of 2 CFR 200.323 related to the procurement of recovered materials.
- R. Domestic Preference. As appropriate and to the extent consistent with law, the non-Federal entity should, to the greatest extent practicable under a Federal award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.
- S. Compliance with Non-Discrimination Laws and Regulations. During the performance of this Contract, the **CONSULTANT**, for itself, its assignees, and successors agrees to comply with all applicable laws and regulations relative to nondiscrimination in federally assisted programs of the U.S. Department of Transportation, including, but not limited to the following: Title VI of the Civil Rights Act of 1964; 23 USC 140; Rehabilitation Act of 1973 (29 USC 794); Age Discrimination Act of 1975 (42 USC 6102); Americans with Disabilities Act of 1990 (42 USC 12132); 41 CFR Part 60; 49 CFR Parts 21, 26, and 27; and 23 Parts 200, 230, and 633. Compliance with these laws and regulations shall be accomplished in the manner more particularly set out hereinafter in Appendix C of this Contract.
- T. Substitution of Subcontractors. **NCTCOG** must approve all substitutions of subcontracts and will determine if the Disadvantaged Business Enterprise percentage goal will be

decreased by substituting a majority Contractor for a disadvantaged business contractor. Contractors added after the initial execution of this Contract shall be procured in a fair and competitive manner.

- U. Disputes and Remedies. Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- V. Property Management and Procurement Procedures. The **CONSULTANT** shall comply with procurement standards for federal programs contained in 2 CFR 200, "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards" as may be revised or superseded.
- W. Copyrights. Except as otherwise provided in the terms and conditions of the Contract, **NCTCOG** is free to copyright any books, publications, or other copyrightable materials developed in the course of or under a federal Agreement. Except as otherwise provided in the terms and conditions of the Contract, the funding agency shall reserve a royalty-free nonexclusive and irrevocable right to produce, publish, or otherwise use, and to authorize others to use, the work for government purposes.
- X. Subcontracts. The **CONSULTANT** is required to perform all work except specialized services or other tasks specifically exempted in the Contract, except that governmental recipients of 23 U.S.C. 104(f) or 402 funds may subcontract as necessary to accomplish

approved work program activities. All subcontracts exceeding ten thousand dollars (\$10,000) in cost shall contain all required provisions of the prime contract.

- Y. Additional Funding Agency or State Requirements. The **CONSULTANT** shall comply with provisions detailed in Appendix G. Where applicable, the **CONSULTANT** shall incorporate required provisions in any subcontract entered into as part of this Contract.
- Z. Internal Compliance Program. **NCTCOG** has adopted an Internal Compliance Program to prevent waste, fraud, or abuse. Contractors, agents, and volunteers can report suspected waste, fraud, or abuse at: <https://www.nctcog.org/agency-administration/compliance-portal>. Additional information regarding the Internal Compliance Program is available at the previous web address.
- AA. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment. Pursuant to Public Law 115-232, Section 889, and 2 Code of Federal Regulations (CFR) Part 200, including §200.216 and §200.471, **NCTCOG** is prohibited from using federal funds to procure, Contract with entities who use, or extend Contracts with entities who use certain telecommunications and video surveillance equipment or services provided by certain Chinese controlled entities. The **CONSULTANT** agrees that it is not providing **NCTCOG** with or using telecommunications and video surveillance equipment and services as prohibited by 2 CFR §200.216 and §200.471. The **CONSULTANT** shall certify its compliance through execution of the “Prohibited Telecommunications and Video Surveillance Services or Equipment Certification,” which is included as Appendix H of this Contract. The **CONSULTANT** shall pass these requirements down to any of its

subcontractors funded under this Contract. The **CONSULTANT** shall notify **NCTCOG** if the **CONSULTANT** cannot comply with the prohibition during the performance of this Contract.

AB. Trafficking In Persons. The **CONSULTANT** agrees to comply with all applicable provisions of 2 CFR §175.15. **NCTCOG**, the **CONSULTANT**, and its subcontractors are prohibited from (i) engaging in severe forms of trafficking in persons during the period of time that the award is in effect; (ii) procure a commercial sex act during the period of time that the award is in effect; (iii) use forced labor in the performance of the award or subawards under the award. The Federal award agency may unilaterally terminate the award, without penalty, if the **CONSULTANT** (i) is determined to have violated an applicable prohibition; (ii) has an employee who is determined by the agency officially authorized to terminate the award to have violated an applicable prohibition of this award term. **NCTCOG** must notify the Federal award agency immediately if any information received from the **CONSULTANT** indicates a violation of the applicable prohibitions.

AC. Solid Waste Disposal Act. **CONSULTANT** must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

ARTICLE IX

INDEMNIFICATION

The **CONSULTANT** covenants and agrees to indemnify and hold harmless and does hereby indemnify and hold harmless **NCTCOG**, its officers and employees, from and against suits or claims for damages or injuries, including death, to persons or property, to the extent caused by a negligent act or omission on the part of the **CONSULTANT**, its officers, agents, servants, employees, or subcontractors, and the **CONSULTANT** does hereby assume all liability for injuries, claims or suits for damages to persons or property, occurring during or arising out of the performance of this Contract to the extent caused by a negligent act or omission on the part of the **CONSULTANT**, its officers, agents, servants, employees, or subcontractors to the extent permitted by law.

ARTICLE X

TERMINATION OF CONTRACT

NCTCOG may terminate this Contract, or any portion of it, by serving at least a thirty-day (30) notice of termination on the **CONSULTANT** which shall be effective on the date of the receipt of the notice of termination. The notice shall state whether the termination is for convenience of **NCTCOG** or for default of the **CONSULTANT**. If the termination is for default, the notice shall state the manner in which the **CONSULTANT** has failed to perform the requirements of the Contract. The **CONSULTANT** shall account for and return to **NCTCOG** any property in its possession paid for from funds received from **NCTCOG**, or property supplied to the **CONSULTANT** by **NCTCOG**. The **CONSULTANT** shall promptly submit its termination claim for reimbursement to **NCTCOG**, and the parties shall negotiate the termination settlement to be paid. If the termination is for the convenience of **NCTCOG**, the **CONSULTANT** shall be paid its costs up to the time of notice to stop work, reasonable contract close-out costs, and a pro rata portion

of the fee which reasonably reflects the quantity and quality of work performed up to the time of termination. If, after serving a notice of termination for default, **NCTCOG** determines that the **CONSULTANT** has an excusable reason for not performing, such as a strike, fire, flood, events which are not the fault of and are beyond the control of the **CONSULTANT**, **NCTCOG**, after setting up a new work schedule, may allow the **CONSULTANT** to work, or treat the termination as a termination for convenience.

ARTICLE XI

APPENDIX D

INSTRUCTIONS TO PROPOSERS REGARDING THE UNITED STATES HOUSE AND URBAN DEVELOPMENT MINORITY/SMALL BUSINESS CONTRACTING GOALS

The United States Department of Housing and Urban Development (HUD) administration has developed small business contracting participation goals for Fiscal Year 2024.

HUD recognizes utilizing small and socioeconomic small businesses and creating opportunities for sustainable entrepreneurship contributes to building and retaining individual and community wealth. It is important to me to ensure we are doing everything we can to help small and disadvantaged businesses. Small business contracting cannot overshadow the necessity for strong contract performance and management. It is imperative that all HUD program offices closely monitor contractor performance, for both small and large businesses, and perform timely contract close-out responsibilities in order to provide a solid foundation for continued contract success while meeting the business needs of the Department.

A “Small Business Concern” means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto. If a business is not a small business according to these standards, it is not eligible to participate as a disadvantaged business under 49 CFR Part 26.

In order to receive favorable consideration for this project, proposers are expected to provide assurances, in writing, that a percent of the Contract amount will go to minority/small businesses. This can be done by completing Attachment D.1 of this Appendix and supplying whatever other supplemental information is necessary.

To comply with **HUD’S** M/W/SBE requirements, it will be necessary to supply the following:

1. Attachment D.2 - Affidavit of Intended Entrepreneurship

DEBARMENT AND SUSPENSION CERTIFICATION

Agreement Number
Project Name
Consultant Legal Name

2 CFR Part 180 excludes entities and individuals that the federal government has either debarred or suspended from obtaining federal assistance funds through grants, cooperative Agreements, or third-party contracts. **NCTCOG** has elected to include the requirements of the 2 CFR Part 180 in all third-party contracts for federal funds. A certification process has been established as a means to ensure that debarred, suspended, or voluntarily excluded persons do not participate in a federally assisted project. The inability of a person to provide the required certification will not necessarily result in a denial of participation in a covered transaction. A person that is unable to provide a positive certification as set forth in the Circular may submit a complete explanation attached to the certification. **NCTCOG** will consider the certification and any accompanying explanation in determining whether or not to provide assistance for the project. **Failure to furnish a certification or any explanation may disqualify that person from participating in the project.**

Each potential third-party Contractor, subcontractor under a third-party contract, subgrantee, or subrecipient must provide to the grantee or recipient of a cooperative Agreement, as appropriate, a certification for a lower-tier participant. In general, lower-level employees or procurements of less than twenty-five thousand dollars (\$25,000) will not be covered by the certification process procedures, except in the case of procurements with individuals that would have a critical influence on or substantive control over the project; nevertheless, a participant is not authorized to involve a lower-level employee or enter into a contract of less than \$25,000 with a person actually known by the participant to be debarred, suspended or voluntarily excluded.

NCTCOG requires each potential Contractor subgrantee, or subrecipient for a third-party Contract to complete the certification in Appendix E.1 for itself and its principals.

If an applicant for a grant or cooperative agreement or a potential contractor for a third-party contract knowingly enters into a lower-tier covered transaction such as a third-party contract or subcontract under a major third-party contract or subgrant with a person that is suspended, debarred, ineligible, or voluntarily excluded from participation in the project, in addition to other remedies available to the Federal Government, **NCTCOG** may terminate the grant or subcontract, the underlying grant or cooperative agreement for cause or default.

- any procurement contract for goods or services between the contractor and a person, regardless of the amount under which the person will have a critical influence on or substantive control over that covered transaction. Such persons include principal investigators and providers of federally required audit services.

A *procurement* transaction is the process of acquiring goods and services.

A *nonprocurement* transaction is the granting of financial assistance to entities to assist the grantor in meeting objectives that are mutually beneficial to the grantee and grantor.

Section 319 also requires each person who requests or receives a federal contract or grant in excess of \$100,000 to disclose lobbying.

As a recipient of a federal grant exceeding \$100,000, **NCTCOG** requires its subcontractors of that grant to file a certification, set forth in Appendix F.1 that neither the agency nor its employees have made, or will make, any payment prohibited by the preceding paragraph.

Subcontractors are also required to file with **NCTCOG** a disclosure form, set forth in Appendix F.2, if the subcontractor or its employees have made or have agreed to make any payment using nonappropriated funds (to include profits from any federal action), which would be prohibited if paid for with appropriated funds.

APPENDIX F.1

**LOBBYING CERTIFICATION

(1) No federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any federal agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension continuation, renewal amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

(2) If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than ten thousand dollars (\$10,000) and not more than one hundred thousand dollars (\$100,000) for each such failure.

NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE GLO OR, IF APPLICABLE, OF GOVERNMENTAL IMMUNITY BY PROVIDER.
 - a. Notwithstanding Texas Government Code, Chapter 2260.002(3) and Chapter 114.012 and any other statute or applicable law, if Provider's claim for breach of contract cannot be resolved by the Parties in the ordinary course of business, Provider may make a claim against the GLO for breach of contract and the GLO may assert a counterclaim against Provider as is contemplated by Texas Government Code, Chapter 2260, Subchapter B. The notice must state with particularity: (1) the nature of the alleged breach; (2) the amount Provider seeks as damages; and (3) the legal theory of recovery.
 - b. The chief administrative officer, or if designated in the Contract, another officer of the GLO, shall examine the claim and any counterclaim and negotiate with Provider in an effort to resolve them. The negotiation must begin no later than the 120th day after the date the claim is received, as is contemplated by Texas Government Code, Chapter 2260, Section 2260.052.
 - c. If the negotiation under paragraph (b) above results in the resolution of some disputed issues by agreement or in a settlement, the Parties shall reduce the agreement or settlement to writing and each Party shall sign the agreement or settlement. A partial settlement or resolution of a claim does not waive a Party's rights under this Contract as to the parts of the claim that are not resolved.
 - d. If a claim is not entirely resolved under paragraph (b) above, on or before the 270th day after the date the claim is filed with the GLO, unless the Parties agree in writing to an extension of time, the Parties may agree to mediate a claim made under this dispute resolution procedure. This dispute resolution procedure is Provider's sole and exclusive process for seeking a remedy for an alleged breach of contract by the GLO if the Parties are unable to resolve their disputes as described in this section.
 - e. Nothing in the Contract shall be construed as a waiver of the state's or the GLO's

*This section does not apply to a Contract with a "governmental entity" as defined in Texas Government Code Chapter 2251.

sovereign immunity, or, if applicable, the governmental immunity of Provider. This Contract shall not constitute or be construed as a waiver of any of the privileges, rights, defenses, remedies, or immunities available to the State of Texas or Provider. The failure to enforce, or any delay in the enforcement, of any privileges, rights, defenses, remedies, or immunities available to the State of Texas or, if applicable, of Provider under this Contract or under applicable law shall not constitute a waiver of such privileges, rights, defenses, remedies or immunities or be considered as a basis for estoppel. Under the direction of the legislative audit committee, an entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Provider shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the Contract and the requirement to cooperate is included in any subcontract it awards. By failing to mark any information that Provider believes to be excepted from disclosure as "confidential" or a "trade secret," Provider waives any and all claims it may make against the GLO for releasing such information without prior notice to Provider. The Attorney General will ultimately determine whether any information may be withheld from release under the PIA. Provider shall notify the GLO's Office of General Counsel within twenty-four (24) hours of receipt of any third-party written requests for information and forward a copy of said written requests to PIALegal@glo.texas.gov. Failure to comply with this obligation constitutes a default of this Contract, and immediately subjects Provider to the penalties for default, such as repayment of money received or ineligibility for additional money. In addition, Provider may be debarred from contracting with the State. The GLO or the Attorney General may strictly enforce this provision.*
44. To the extent Section 552.371 of the Texas Government Code applies to Provider and the Contract, in accordance with Section 552.372 of the Texas Government Code, Provider must (a) preserve all contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO for the duration of the Contract, (b) no later than the tenth business day after the date of the GLO's request, provide to the GLO any contracting information related to the Contract that is in Provider's custody or possession, and (c) on termination or expiration of the Contract, either (i) provide to the GLO at no cost all contracting information related to the Contract that is in Provider's custody or possession or (ii) preserve the contracting information related to the Contract in accordance with the records retention requirements applicable to the GLO. - 2.2. Provider shall comply with all applicable federal and state privacy and data protection laws, as well as all other applicable regulations.
- 2.3. Provider shall implement administrative, physical, and technical safeguards to protect GLO Data that are no less rigorous than accepted industry practices including, without limitation, the guidelines in the National Institute of Standards and Technology (“NIST”) Cybersecurity Framework Version 1.1. All such safeguards shall comply with applicable data protection and privacy laws.
- 2.4. Provider will legally bind any contractor(s)/subcontractor(s) to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto. Provider shall ensure that the requirements stated herein are imposed on any contractor/subcontractor of Provider’s subcontractor(s).

- 2.5. With the exception of contractors and subcontractors as they are addressed in Section 2.4, Provider will not share GLO Data with any third parties, except as necessary for Provider's performance under the Contract and upon the express written consent of the GLO's Information Security Officer or his/her authorized designee.
- 2.6. Provider will ensure that initial privacy and security training, and annual training, thereafter, is completed by its employees or contractor/subcontractors that have access to GLO Data or who create, collect, use, process, store, maintain, disseminate, disclose, dispose, or otherwise handle PII and/or SPI on behalf of the GLO. Provider shall maintain and, upon request, provide documentation of training completion.
- 2.7 Any GLO Data maintained or stored by Provider or any contractor/subcontractor must be stored on servers or other hardware located within the physical borders of the United States and shall not be accessed outside of the United States.
- 2.8 Provider shall require that all individuals allowed to access GLO Data pursuant to this Contract sign a confidentiality and non-disclosure agreement ("NDA") before being given access to GLO Data. At a minimum, the NDA shall inform all individuals of the confidential nature of the GLO Data, the security and non-disclosure requirements of this Contract, and the potential criminal penalties and civil remedies specified in federal and state laws that may result from the unauthorized disclosure of GLO Data. The NDA shall require all individuals to acknowledge that the GLO or the United States government, including the U.S. Department of Housing and Urban Development, will seek any remedy available, including all administrative, disciplinary, civil, or criminal action(s) or penalties, as appropriate, for any unauthorized disclosure of GLO Data. Provider shall provide the GLO copies of any and all NDAs upon request or demand by the GLO.
- 2.9 Provider shall only use GLO Data for the purposes of administering the Project(s).

3.Data Ownership

- 3.1. The GLO shall retain full ownership of all GLO Data, which includes PII and/or SPI, disclosed to Provider or to which Provider otherwise gains access by operation of the Contract or any agreement related thereto.
- 3.2. If, at any time during the term of the Contract or upon termination of the Contract, whichever occurs first, any part of the GLO Data, in any form, provided to Provider ceases to be necessary for Provider's performance under the Contract, Provider shall within fourteen (14) days thereafter securely return such GLO Data to the GLO, or, at the GLO's written request, destroy, uninstall, and/or remove all copies of data in Provider's possession or control and certify to the GLO that such tasks have been completed. Provider shall provide certification of such destruction of GLO Data. If such return is infeasible, as mutually determined by the GLO and Provider, the obligations set forth in this Attachment, with respect to GLO Data, shall survive termination of the Contract and Provider shall prohibit any further use and disclosure of GLO Data.

4.Data Mining

- 4.1. Provider shall not use GLO Data for unrelated commercial purposes, advertising or advertising-related services, or for any other purpose not explicitly authorized by the GLO in this Contract.

Within 72 hours, Provider shall provide to the GLO, at minimum, a written preliminary report regarding the Breach or suspected Breach to the GLO with root cause analysis including a log detailing the data affected.
- 5.3. Provider shall submit the initial notification and preliminary report to the GLO Information Security Officer at informationsecurity@glo.texas.gov.
- 5.4. Provider shall take all reasonable steps to immediately remedy a Breach of Security and prevent any further Breach of Security.
- 5.5. Provider shall not inform any third party of any Breach of Security or suspected Breach of Security without first obtaining GLO's prior written consent unless such action is required by law or is limited to third party personnel that have a need to know for the sole purpose of containing or remediating the Breach of Security or suspected Breach of Security. However, while a third party may be informed of the Breach or suspected Breach for the sole purpose of containing or remediating it, no GLO Data shall be shared with such third party unless express written permission is obtained from the GLO in accordance with Section 2.5. Provider will legally bind such third party to the same requirements stated herein and obligations stipulated in the Contract and documents related thereto as soon as practicable upon securing such third party to contain or remediate the Breach of Security or suspected Breach of Security.
- 5.6. Notwithstanding the remedies provided in the Contract, if a Breach of Security includes SPI, Provider shall, at the discretion of the GLO, notify affected individuals of such Breach and provide affected individuals complimentary access to one (1) year of credit monitoring services.

6.Right to Audit

- 6.1 Upon the GLO's request and to confirm Provider's compliance with this Attachment, Provider grants the GLO, or a GLO-contracted vendor, permission to perform an assessment, audit, examination, investigation, or review of all controls in Provider's, or Provider's contractor/subcontractor's, physical and/or technical environment in relation to GLO Data.
