Appendix 12.8: Roadway System (Capacity Staging) and Network Link Listing

Mobility 2045 Update/2022 Transportation Conformity Freeway/Tollway Lane Inventory Header Descriptions

MTP ID – Identification number of Freeway/Tollway segment

Facility – Facility Name

From – From Limits

To – To Limits

Year – Conformity Staged Year (project built and open by July of staged year)

Southbound or Eastbound – Lanes reported by either direction

Northbound or Westbound – Lanes reported by either direction

Frtg – Frontage lanes by direction

Min – Minimum number of frontage lanes by direction

Max – Maximum number of frontage lanes by direction

CD – Number of Collector Distributor lanes by direction

GP – Number of General Purpose lanes by direction

ML – *Managed Lanes*

C – Number of Concurrent lanes by direction

R – Number of Reversible lanes

Toll:

GP – General Purpose lanes tolled (Y/N)

CD – Collector Distributer lanes tolled (Y/N)
