X. Mobility 2050: Key Updates and Ongoing Development

Action Possible Action Information Minutes : 10

Presenter: Amy Johnson, NCTCOG

Item Summary: Staff will provide a report regarding efforts to develop the next Metropolitan Transportation Plan, Mobility 2050, including a review of the project selection process and draft plan revenue forecast.

Background: Federal guidelines require the Dallas-Fort Worth region update the long-range transportation plan a minimum of every 4 years and forecast at least 20 years into the future. In addition, Mobility 2050 must demonstrate federal Transportation Conformity and be financially constrained. The updated plan will include a new financial plan, updated demographics and technical analysis, updated project recommendation listings, and robust public involvement. A detailed summary of public involvement can be found in **Electronic Item XX**.

Performance Measure(s) Addressed: Roadway, Transit
