Action and Discussion Items

1. Summary from last meeting

The meeting summary from the January 8, 2015 meeting was accepted as presented.

2. IDDE poster series drafts from NCTCOG

IDDE poster series draft were reviewed by the Task Force. Comments and suggestions were given to COG staff for editing documents. The Task Force agreed that the posters should have messages in both Spanish and English, include simple messages of what to look for at the site why the poster topic matters, and details to know when making a report. The Task Force asked for an additional poster for yard waste.

3. FY2016 projects

COG staff reported that FY2016 projects were approved by the committee for the next year including the Advanced IDDE Workshop and Industrial Inspector Workshop. Also, a FAQ sheet for potable water discharge and fish kill requirements will also be produced.

4. Announce Dry Weather Field Screening/IDDE Introduction Workshop details

COG staff announced that the Dry Weather Field Screening Workshop has been scheduled for **June 8th** at the Carrollton Public Library at Josey Ranch Lake (1700 N. Keller Springs Rd). Further details will be announced.

Presentation

5. Case study -NTTA

No case study was presented at the meeting. The City of Denton will present at the next meeting.
