North Central Texas Area Agency on Aging
2024 Older Relative Caregiver Eligibility Screening Form
(This form is to be completed along with the NCTAAA intake form)

Date:	Referral Source:
Name of Caregiver:	
Name of Care Recipient:	

Care recipient must live in Collin, Denton, Ellis, Erath, Hood, Hunt, Johnson, Kaufman, Navarro, Palo Pinto, Parker, Rockwall, Somervell or Wise County

Older relative eligibility criteria:

- Older relative (**other than biological parent**) age 55 and older **providing care to children aged 18 or younger who:**
 - is the grandparent, step-grandparent or other relative (other than the parent) by blood, marriage or adoption, of the child; and
 - is the primary caregiver of the child because the biological or adoptive parents are unable or unwilling to serve as the primary caregivers of the child; and
 - has a legal relationship to the child, such as legal custody, adoption or guardianship, or is raising the child informally
- Older relative, age 55 and older **providing care to adults ages 18-59 with a disability who:**
 - Lives with, is the informal provider of in-home and community care, is the primary caregiver, and is related by blood, marriage or adoption to the person with a disability. Disability is defined as “mental or physical impairment, or a combination of mental and physical impairments that are likely to continue indefinitely and result in substantial functional limitation in three or more major life activities,” including self-care; receptive and expressive language; learning; mobility; self-direction; capacity for independent living; economic self-sufficiency; cognitive functioning; and emotional adjustment.”
 - The care receiver must need help with at least two activities of daily living to qualify for respite care.

The caregiver must meet at least THREE of the following (check all that apply):

- Cares for a person who has cognitive impairment
- Cares for someone who has difficulty with three or more activities of daily living; and/or severe health condition with need for frequent assistance
- Cares for person who has been in a hospital, rehabilitation facility, or nursing facility within the last several weeks (generally 2-4 weeks), and/or has experienced physical problems because of care responsibilities
- Cares for person who has no other help — either paid or unpaid
- Has income no more than 150% of the poverty level (\$1,882 for individual, \$2,554 for a couple, \$3,226 for a three-person household, \$3,900 for a four-person household), not including the care receiver’s income
