

# 2024 Blue-Green-Grey Application for New Ideas - Round 4

## Overview

Blue-Green-Grey projects must include three elements: Blue (water), Green (environment), and Grey (transportation infrastructure), and must incorporate innovative approaches or outcomes. Eligible applicants include individuals, non-profits, private firms with a local government sponsor, universities, school districts, transit authorities, and government agencies within the 12-county Metropolitan Planning Area.

## Submittal Requirements

To apply, complete the attached form. Please answer all questions completely. All proposals must include a required budget available here: [budget template](#). Resumes of project team members must also be included. Other attachments that may be required are noted in the form and are dependent on the type of project being submitted for consideration. Applicants may submit more than one application. Please provide an order of priority if more than one application is submitted.

## Application due date

Applications are due **August 16, 2024, at 5:00 pm, at 616 Six Flags Drive, Arlington, Texas 76011**. Hard copy applications and electronic copy on a USB must be in hand by this date and time.

## Program Rules and Considerations

- Projects or programs must be located on public land or in the public right-of-way and within the 12-county [Metropolitan Planning Area](#). Funds are not eligible for private property unless a public access easement is in place.
- Funding is reimbursement only.
- Typically, about six months is required after the award before funds may be accessed, to allow for processing and contract development.
- Work started before a project contract is executed is not eligible for reimbursement.

Response boxes may be character-limited. Please note the occasions where this is true to edit your response to be more concise if necessary.

## Blue-Green-Grey Application for New Ideas

### Introduction
