

**North Central Texas Council of Governments (NCTCOG)**  
**McKinney Line Passenger Rail Study**  
**Request for Proposals**

**Questions and Responses**

**Question #1:** Is it accurate that NCTCOG received no written questions regarding this procurement?

**Response:** Yes, that is accurate. NCTCOG received no written questions for this procurement.

**Question #2:** Would NCTCOG consider accepting questions that are submitted after the preproposal conference?

**Response:** No, once the preproposal conference has concluded, NCTCOG will respond to no additional questions.

**Question #3:** Is the client of this engagement the Advisory Council?

**Response:** The Regional Transportation Council (RTC) is responsible for transportation planning in the region and is the funding/implementing agency for the project. RTC will be the client of the engagement. The Study Advisory Committee will still be key in guiding this study as the RTC is interested in local participation to ensure the study results incorporate local interests.

**Question #4:** Would the consultant team work directly with the RTC?

**Response:** No, NCTCOG Transportation Department staff will serve as the liaison to the RTC.

**Question #5:** Which documents will be required as part of the proposal submittals?

**Response:** Proposers should include Appendix D and all NCTCOG attestations with submittals.
