Division Administrator  
Federal Highway Administration  
300 East Eighth Street, Suite 826  
Austin, Texas 78701

Attention: Barbara Maley

Dear Mr. Alonzi:

The Texas Department of Transportation (TXDOT) has reviewed the DFW 2023 Transportation Conformity report and supporting documents for the current Mobility 2045 Metropolitan Transportation Plan (MTP) and the 2023-2026 Transportation Improvement Program (TIP), developed by the North Central Texas Council of Governments (NCTCOG).

NCTCOG serves as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth-Arlington, Lewisville-Denton and McKinney-Frisco urbanized areas acting through the Regional Transportation Council (RTC). The MPO along with TXDOT, reviewed, discussed, and submitted responses to comments received from the Federal Highway Administration (FHWA) during the conformity review process.

TXDOT has completed our review of the conformity documents and TxDOT's comments have been addressed. Based on the information received through the consultative review process and pending concurrence from the United States Environmental Protection Agency (EPA), the Texas Commission on Environmental Quality (TCEQ), and resolution of comments from Federal Highway Administration, we support a positive conformity finding.

Please accept this letter as the official submittal of the conformity review findings on behalf of TXDOT. Should you have any questions or concerns, please contact Casey Wells at (512) 423-8986.

Sincerely,

DocuSigned by:
