STATUS REPORTS:

Item 9 Status Report on NCTCOG Regional Demographic Forecast Updates

Tim Barbee, Director of Research & Information Services, introduced Mark Folden, Predictive Analytics Specialist, to brief the Board on the update of the development of Regional Demographic Forecasts that will supersede current forecasts and extend to the year 2045. He explained that long-range and small-area demographic forecasts support infrastructure planning in North Central Texas. Development of the forecasts is a joint effort between the Research and Information Services department and the Transportation department. Because the forecasts support the Transportation Department’s Metropolitan Transportation Plan, air quality conformity analysis and the Mobility Plan, the Transportation Department provides most of the funding for the forecasts.

The North Central Texas Council of Governments (NCTCOG) administratively supports the Dallas/Fort Worth/Arlington Urban Area Security Initiative (UASI). In this capacity, NCTCOG has been facilitating a regional contract for situational awareness software since June 1, 2018, with Homeland Security grant funds. This requested action is a requirement from the Office of the Governor in order to access the grant funding.

In December 2020, the UASI reallocated available FY2019 Homeland Security grant funds to NCTCOG to complete the current contract's payment. This new 2019 UASI – NCTCOG Situational Awareness project will have a performance period through September 30, 2021.

2019 UASI - NCTCOG - Situational Awareness.

Item Title: Resolution Accepting the City of Weatherford's Waste Minimization Evaluation Study

The North Central Texas Council of Governments (NCTCOG) is the designated regional solid waste management planning agency for the 16-county NCTCOG region. Each biennium, NCTCOG receives allocated state funds through the Texas Commission on Environmental Quality (TCEQ) to provide solid waste management planning, technical assistance to our member governments, and administer subrecipient grants.

During the 2018-2019 grant cycle, NCTCOG provided solid waste pass-through funding to the City of Weatherford for a project to develop a *Waste Minimization Evaluation Study*. The *Waste Minimization Evaluation Study* underwent a multi-stage review process involving NCTCOG's Resource Conservation Council, the state appointed solid waste advisory council for the North Central Texas region, and the Texas Commission on Environmental Quality (TCEQ) staff. The plan was approved by the City of Weatherford and it now must be accepted by the NCTCOG Executive Board and transmitted to the TCEQ for final state agency acceptance. The Plan is found here under Links and Studies: <https://nctcog.org/envir/materials-management/resources>. On February 13, 2020, the Resource Conservation Council accepted the City of Weatherford's *Waste Minimization Evaluation Study* as consistent with the regional solid waste management plan, *Planning for Sustainable Materials Management in North Central Texas, 2015-2040*.

A draft resolution accepting the City of Weatherford's *Waste Minimization Evaluation Study* is attached for Executive Board consideration.

I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Executive Board acceptance.

Item Title: Resolution Accepting the City of Duncanville's Southwest Regional Emergency Management Disaster Debris Management Plan

The North Central Texas Council of Governments (NCTCOG) is the designated regional solid waste management planning agency for the 16-county NCTCOG region. Each biennium, NCTCOG receives allocated state funds through the Texas Commission on Environmental Quality (TCEQ) to provide solid waste management planning, technical assistance to our member governments, and administer subrecipient grants.

During the 2018-2019 grant cycle, NCTCOG provided solid waste pass-through funding to the City of Duncanville for a regional collaborative project to develop the *Southwest Regional Emergency Management Disaster Debris Management Plan (DDMP)* for the cities of Duncanville, Cedar Hill, DeSoto, and Lancaster. The *Southwest Regional Emergency Management Disaster Debris Management Plan* underwent a multi-stage review process involving NCTCOG's Resource Conservation Council, the state appointed solid waste advisory council for the North Central Texas region, and the Texas Commission on Environmental Quality (TCEQ) staff. The plan has also received approval from the Texas Department of Emergency Management (TDEM) and the Federal Emergency Management Agency (FEMA). Each of the partnering cities has adopted the plan and it now must be accepted by the NCTCOG Executive Board and transmitted to the TCEQ for final state agency acceptance. The Plan is found here under Links and Studies: <https://nctcog.org/envir/materials-management/resources>. On May 20, 2020, the Resource Conservation Council accepted the City of Duncanville's *Southwest Regional Emergency Management Disaster Debris Management Plan* as consistent with the regional solid waste management plan, *Planning for Sustainable Materials Management in North Central Texas, 2015-2040*.

A draft resolution accepting the City of Duncanville's *Southwest Regional Emergency Management Disaster Debris Management Plan* is attached for Executive Board consideration.

I will provide a brief presentation of this item and will be available to answer any questions prior to requesting Executive Board acceptance.

The Texas Commission on Environmental Quality (TCEQ) conducts authorized governmental functions and activities such as updates and revisions to the Texas State Implementation Plan (SIP), the State's comprehensive plan to clean the air and meet federal air quality standards. To assist TCEQ with these revisions, the North Central Texas Council of Governments (NCTCOG) conducts the required on-road emissions inventories and technical analyses for the DFW non-attainment area. NCTCOG received funding from the TCEQ to complete these activities under a previous agreement, which expires on August 31, 2021.

To issue any future grant activities, the TCEQ requests that NCTCOG enter into a new agreement, in an amount not to exceed \$500,000, valid until August 31, 2026. Item Title: Resolution Authorizing Purchase and Placement of Education Campaigns for Transportation Initiatives: Phase 2

Since January 2014, the Executive Board has approved education campaign funding annually for various transportation programs, but this year we are bringing you these campaigns in phases so that we can be strategic in how we plan and implement our messages, and we will come back to the Executive Board at future meetings with another phase or phases. Fiscal Year (FY) 2021 Education Campaigns for Transportation Initiatives: Phase 1 was brought before the Executive Board and approved in October 2020. FY2021 Education Campaigns for Transportation Initiatives: Phase 2 is ready to move forward and was included in the FY2020 and FY2021 Unified Planning Work Program (UPWP), which was approved by the Regional Transportation Council (RTC) and Executive Board.

Combining education campaign efforts within the Transportation Department has resulted in increased website traffic, greater public participation, and lower costs. Additional benefits received include efficiencies with media outlets such as improved staff coordination, increased timeliness, a broader audience reach, including historically underserved populations, and cross program communication. Education campaigns may be presented through print publications and digital placements, radio and TV spots, billboards, social media, transit, and other transportation displays in multiple languages when appropriate. Phase 2 will support the activities listed below:

The Drive Aware North Texas Program aims to educate drivers on strategies to improve safety related to the transportation system, and an emphasis will be placed on the contributing factors leading to incidents. This effort is funded with \$150,000 Surface Transportation Block Grant Program (STBG) funds and Transportation Development Credits (TDCs) in lieu of cash match.

The Look Out Texans Program aims to educate on safety issues and mitigation strategies for motorists, cyclists, and pedestrians. It is funded with \$200,000 STBG funds and TDCs in lieu of cash match.

The Regional Goods Movement Safety Program aims to educate safety related to freight vehicles and how to operate around these vehicles as well as freight drivers to watch out for other motorists. This program is funded with \$150,000 STBG funds and TDCs in lieu of cash match.

The Congestion Management Program is a voluntary educational program that promotes alternatives to driving alone (such as carpooling/vanpooling, transit, biking, walking, and telecommuting) on a commute trip. This year-round educational program is aimed at private and public employers in the region with 100 or more employees. The promotion of the "Try Parking It" website and the Employer Trip Reduction Program are included in this effort. This effort is funded with \$175,000 STBG funds and TDCs in lieu of cash match.

The HOV 2+ Incentive will replace an existing system to apply carpool discounts with a new system to reward HOV 2+ drivers on tolled managed lanes in the region. Users of the existing system will be educated about the change and encouraged to switch to the new system, while new users will be encouraged to carpool and receive rewards through the program. This effort is funded with \$640,000 STBG and \$160,000 Texas Department of Transportation (TxDOT) funds.

The Engine Off North Texas Program aims to provide outreach to enhance effectiveness of anti-idling efforts, which will help minimize the region's pollution related to mobile sources. This effort is funded with \$10,500 STBG and TDCs in lieu of cash match.

Staff is seeking Executive Board approval to spend up to \$1,485,500 for the purchase and placement of department education campaigns that will initiate in FY2021 during our Phase 2 approach, and of this amount approximately 50 percent is previously approved carryover funds from the FY2020 approved budget and will extend into this FY2021 education campaign plan. A draft resolution authorizing the purchase and placement of Transportation Department educational campaigns is attached for Executive Board consideration. A funding table detailing funding sources and funding amounts, including match sources and match amounts, is provided in Attachment 1 to the resolution. I will provide a brief presentation on this item and be available to answer any questions prior to requesting Board approval.

Item Title: Resolution Authorizing Grant Application to the US Department of Defense
Office of Local Defense Community Cooperation

The North Central Texas Council of Governments (NCTCOG) would like to pursue funding from the US Department of Defense (DOD) Industry Resiliency Program for the creation of an Agile Curriculum Development Program for Aerospace and Defense Manufacturing. This initiative will partner closely with defense manufacturers, universities and community colleges in North Texas to deliver additional well-prepared, highly qualified job applicants that can immediately respond to the needs of the rapidly growing and evolving Aerospace and Defense Manufacturing industries.

Aerospace and Defense industries are now relying heavily on the skill sets that are needed to advance unmanned vehicles as part of our urban transportation system, the development of future unmanned aircraft as part of the evolving urban air mobility environment and the supporting infrastructure that will be needed to implement these technology advancements. This initiative will create a program framework leading to industry-driven, coordinated education accompanied by training, certificates, course offerings, and work experiences to expedite the availability of potential employees. A key element to this program will be institutionalizing the continuing relationships and feedback loops between companies and educational institutions.

The sustainment plan for the Agile Curriculum Development Program will be through a combination of memberships, member program funding and government grants. Initial program funding in the amount of approximately \$800,000 will be requested from the DOD for the first year of what is anticipated to be a multi-year effort. A 10 percent local match is required and is anticipated to be provided through participating agencies.

A draft resolution authorizing a grant application to the US Department of Defense Office is attached for Executive Board consideration. Staff will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board approval.

Item Title: Resolution Approving the North Central Texas Council of Governments 2021-2025 Strategic Plan

The first North Central Texas Council of Governments (NCTCOG) Strategic Plan was developed in November 1999. The plan identified over 30 issues that needed to be addressed on a regional basis. NCTCOG immediately began working with and supporting its local governments through programs and projects that could deal with the opportunities and challenges presented in these issues.

A second round of strategic planning, undertaken by NCTCOG departmental staff in conjunction with their advisory committees and others, covered the period of 2003-2007 and provided effective guidance for the work of the agency over this period.

In 2007, new and emerging regional issues were identified. Steps to success were strategized and indicators to track progress were developed for the 2007-2011 Strategic Plan.

In 2014, NCTCOG departments **identified** strategic priorities and program outcomes for the 2015-2020 Strategic Plan.

We are now requesting approval of the [2021-2025 Strategic Plan](#), which provides a five-year dynamic road map for achieving the highest quality in regional planning, program development, and the delivery of services for the benefit of member governments and their citizens. We believe **this** document will provide the structure and guidance needed to enable NCTCOG to continue effectively working with and for local governments, to address the region's critical needs in the coming years.

A draft resolution approving the NCTCOG 2021-2025 Strategic Plan is attached for Executive Board consideration.

I will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board approval.

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, long-range, comprehensive plans for matters that transcend jurisdictional boundaries, promote the sound development of the 16-county region, and facilitate cooperation and coordination among member governments will continue to increase in importance as the North Central Texas region is forecasted to grow from one of 7.8 million people currently to a population of some 10 to 11 million by 2030; and,

WHEREAS, the NCTCOG 2021-2025 Strategic Plan is intended to provide a five-year dynamic road map for achieving the highest quality in regional planning, program development, and the delivery of services for the benefit of member governments and their citizens; and,

WHEREAS, staff believes the North Central Texas Council of Governments 2021-2025 Strategic Plan provides the structure and guidance needed to continue working effectively with and for local governments to address the region's critical needs in the coming years and recommends its approval.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The NCTCOG Executive Board approves the North Central Texas Council of Governments 2021-2025 Strategic Plan.

Item Title: Resolution Adopting FY 2022 Criminal Justice Program Policies and Procedures

The Office of the Governor's Public Safety Office (PSO) and the North Central Texas Council of Governments (NCTCOG) have an Interlocal Cooperation Agreement that includes a Statement of Work (SOW) specific to PSO's Criminal Justice Division. The SOW deliverables outline NCTCOG's Criminal Justice services provided to units of local government, school districts, colleges and universities, and non-profit agencies.

Among many services, NCTCOG is responsible for reviewing and scoring local agencies' criminal justice grant applications. In this capacity, NCTCOG is required to adopt Policies and Procedures that guide the application process and define committee responsibilities. This document is attached for Board review and approval.

On December 18, 2020, the Criminal Justice Policy Development Committee (CJPDC), which is appointed by the NCTCOG Executive Board, reviewed and approved the FY 2022 Policies and Procedures and recommends Executive Board adoption.

The most significant changes are revisions to include additional grant categories that NCTCOG will assist in facilitating – Residential and Community-Based Services for Victims of Commercial Sexual Exploitation Program and Sexual Assault Forensic Exam-Ready Facilities Program. Other revisions include new language on conducting committee business via a virtual environment, updates to grant period timeframes, minor sentence restructuring for clarity, and date revisions.

Criminal Justice Policy Development Committee Policies and Procedures

INTRODUCTION

The following policies and procedures define rules and regulations governing certain application processes for the Office of the Governor's (OOG) Public Safety Office Criminal Justice Division (PSO/CJD) programs. PSO/CJD has identified the following funding opportunities in which the North Central Texas Council of Governments (NCTCOG) will assist in the distribution of grant funds:

- General Victim Assistance – Direct Services Program (GVA)
- Child Sex Trafficking Program (CST)
- Violent Crimes Against Women Criminal Justice and Training Program – Domestic Violence, Sexual Assault, Dating Violence, and Stalking (VAW)
- Sexual Assault Forensic Exam Ready Facilities Program (SAFE)
- Criminal Justice Program (Justice Assistance Grant – JAG)
- General Juvenile Justice and Delinquency Prevention Program (JJ)
- Truancy Prevention (TP)

In addition, these policies and procedures govern the operation of NCTCOG's Criminal Justice Policy Development Committee (CJPDC) as outlined in the Interlocal Cooperation Agreement between OOG and NCTCOG.

NCTCOG shall provide general planning and coordination activities for issues related to criminal justice, juvenile justice, delinquency prevention, victims services, and related topics throughout the year. Such services may include providing feedback on, input to, or communicating PSO/CJD's real or proposed priorities.

1. COMPLIANCE WITH ADMINISTRATIVE RULES

- 1.1. All policies, rules, and regulations set forth in this document are in compliance with the Texas Administrative Code (TAC), Title 1, Part 1, Chapter 3.
- 1.2. Section 3.1 of the Texas Administrative Code; Applicability: Subchapters A through F of this chapter apply to all applications for funding and grants submitted to PSO/CJD. Subchapter A covers the general provisions for grant funding. Subchapter B addresses budget rules for grant funding. Subchapter D provides rules detailing the conditions PSO/CJD may place on grants. Subchapter E sets out the rules related to administering grants. Subchapter F specifies rules regarding program monitoring and audits.

2. NOTIFICATION OF FUNDING OPPORTUNITIES

OOG will post all Funding Announcements (FA) in the Texas Register and to the OOG eGrants Funding Schedule Calendar. OOG will notify the COGs when FAs are posted in the Texas Register. NCTCOG will post OOG funding opportunities to its website and will distribute a notification of funding availability to regional database contacts. The NCTCOG notification will contain mandatory grant application workshop information, including the schedule and registration details.

OOG posts all funding announcements in the *Texas Register*. It is the applicant agency's responsibility to identify funding opportunities in which to apply.

3. APPLICATION WORKSHOP REQUIREMENT

- 3.1. NCTCOG's Criminal Justice Program staff will conduct mandatory Grant Application Workshops. Workshop schedules and registration details will be posted on NCTCOG's Criminal Justice Program website.

NCTCOG shall make the following available to current grantees, potential applicants, and other requestors at least 30 days prior to the PSO/CJD eGrants application deadline: local priorities related to criminal justice issues; local policies and procedures; criteria used in the scoring of applications including a copy of the scoring instrument; other relevant materials that affect NCTCOG's scoring process; and information related to the availability of training materials or other documents regarding PSO grant application creation available on the eGrants website. NCTCOG will direct potential applicants to the eGrants website and shall inform applicants/grantees to contact OOG personnel and/or the eGrants Helpdesk for assistance.

3.2. MANDATORY ATTENDANCE:

- 3.2.1. Grant application workshop attendance is mandatory for all FY22 applicants wishing to submit a new application, renewal application and/or a non-competing continuation application in the funding categories listed in the Introduction, page 1.

- 3.3. **TECHNICAL ASSISTANCE:** Applicants may request technical assistance from NCTCOG Criminal Justice Program staff during the development of applications prior to submission. PSO/CJD staff will also provide technical assistance on grant-related questions/issues. NCTCOG technical assistance is advisory in nature and is not intended to address all possible outcomes of the grant application process.

- 3.4. NCTCOG may require additional information be submitted directly to NCTCOG for scoring purposes. NCTCOG-required items may include but not be limited to the NCTCOG Addendum, applicable Cooperative Working Agreements and/or Letters of Intent.

Applications submitted on an incorrect NCTCOG Addendum will not be scored and will not be recommended for funding (for example: submitting a JAG project on a Juvenile Justice addendum).

Applications submitted on an NCTCOG Addendum from prior grant cycles will not be scored and will not be recommended for funding.

- 3.5. **DEADLINES:** Application submission deadlines will be set by PSO/CJD and eGrants applications in all program categories will be submitted directly to PSO/CJD electronically.

Egrants submissions and all NCTCOG-required documents are due by the PSO/CJD-determined due date. Deadlines are final. No late eGrants applications or NCTCOG-required information will be accepted, without exceptions. There is no appeal process.

4. FUNDING GUIDELINES

4.1. LOCAL PRIORITIES AND STRATEGIC PLANNING:

- 4.1.1. Local needs and priorities will be identified through the strategic planning process, with guidelines set forth by PSO/CJD. The criminal justice needs relevant to the plan include but are not limited to criminal justice system improvements, juvenile justice system improvements, direct victim services, mental health, and substance abuse treatment. Local priorities will be presented to applicants during mandatory grant application workshops and will be incorporated into the scoring criteria.

Local needs and priorities for the strategic planning process may be gathered via electronic surveys, on-site meetings, or other reasonable methods.

For scoring purposes, CJPDC may identify specific issues related to the local priorities.

NCTCOG will evaluate, update and submit the Strategic Plan and an Executive Summary by a deadline set by PSO/CJD.

- 4.1.2. Grant application workshop attendees will be made aware of the importance of justice-related strategic planning. All strategic planning documents will be posted on NCTCOG's website.

- 4.2. **APPLICANT ELIGIBILITY:** Eligibility for funding is determined by PSO/CJD and applicant agencies must adhere to guidelines set forth by PSO/CJD in the Funding Announcement (FA) as posted in the Texas Register. Funding allocated to NCTCOG's 16-county region may only serve the NCTCOG region. Therefore, applicants desiring to serve counties in other NCTCOG regions must submit a separate application to that COG and follow the policies and procedures set forth by each.

- 4.2.1. Agencies receiving funds directly from their state association, from a PSO/CJD-designated fiscal agent or directly from PSO/CJD for select programs must apply directly through their state association, designated fiscal agent, or PSO/CJD and may not apply for funds allocated to NCTCOG's region. Examples include but are not limited to: Children's Advocacy Centers and Court Appointed Special Advocates projects.

- 4.2.2. PSO/CJD will make the final determination as to which funding source is most appropriate for each application.

- 4.3. **FUNDING LIMITATIONS:** For the FY22 grant cycle, the following guidelines apply to program categories prioritized by NCTCOG:

- 4.3.1. Criminal Justice Program - Justice Assistance Grant (JAG):

- 4.3.1.1. Non-Profit Applicant Agencies (including hospitals and faith-based organizations):
A suggested cap of \$50,000 has been placed on new and renewal JAG applications being scored and prioritized.

- 4.3.1.2. Units of Local Government, ISDs, Native American tribes, Councils of Governments, State Agencies, Colleges and Universities:

- 4.3.1.2.1. A suggested cap of \$100,000 has been placed on new and renewal JAG applications being scored and prioritized that benefit one (1) service area/jurisdiction.

- 4.3.1.2.2. A suggested cap of \$160,000 has been placed on new and renewal JAG applications being scored and prioritized that benefit two (2) service areas/jurisdictions.*
- 4.3.1.2.3. A suggested cap of \$240,000 has been placed on new and renewal JAG applications being scored and prioritized that benefit three (3) or more service areas/jurisdictions.*

* JAG collaboration projects may be subject to additional supporting documentation at the time of grant submittal. Supporting documents may include items such as Letters of Intent from all collaborators and Cooperative Working Agreements. JAG collaboration documents are due by the PSO/CJD-determined due date (see Section 3.5).

- 4.3.2. Juvenile Justice & Delinquency Prevention Program: A suggested cap of \$100,000 has been placed on new and renewal applications being scored and prioritized.
- 4.3.3. Truancy Prevention Program: A suggested cap of \$100,000 has been placed on new and renewal applications being scored and prioritized.
- 4.3.4. Violence Against Women Justice and Training Program: A suggested cap of \$100,000 has been placed on new and renewal applications being scored and prioritized.
- 4.3.5. Sexual Assault Forensic Exam Ready Facilities Program: Per PSO/CJD, a maximum of \$50,000 has been placed on all SAFE applications.
- 4.3.6. General Victim Assistance Grant Program (GVA) and Child Sex Trafficking Program (CST): Per direction from PSO/CJD, funding limits do not apply for *new* and renewal applications submitted in these categories.
- 4.3.7. Non-competing continuation projects in JAG, JJ, TP, VAW and GVA in year two or three for FY22 may either continue in the cycle at the currently funded amount or submit the project as a “renewal”, follow applicable funding limitations and enter back in the competition to be scored.
- 4.3.8. All Program Categories: The CJPDC has the discretion to recommend an application at a reduced amount.

4.4. APPLICATION LIMITATIONS:

- 4.4.1. For the FY22 grant cycle, an agency may submit two (2) new, or two (2) renewals, or one (1) new and one (1) renewal distinctly different project(s) to be scored in the following categories:
 - Juvenile Justice & Truancy Prevention Program*
 - Violence Against Women Justice and Training Program*
- 4.4.2. Criminal Justice Program - Justice Assistance Grant (JAG)*: For the FY22 grant cycle, an agency may submit one (1) new or one (1) renewal JAG application to be scored.

*EXCEPTION: The exception applies only to government entities. For cities and counties with distinct departments, each department may submit two (2) new, or two (2) renewals, or one (1) new and (1) renewal application(s) to be scored in Juvenile Justice and Violence Against Women and one (1) new or one (1) renewal application to be scored in JAG.

For example, a county's juvenile probation department, district attorney's office and sheriff's office may each submit up to two (2) new, two (2) renewals, or one (1) new and (1) renewal distinctly different application(s) in Juvenile Justice and Violence Against Women and one (1) new or one (1) renewal JAG application. A government entity is not limited in the number of their departments that apply.

- 4.4.3. General Victim Assistance Program: Per PSO/CJD, non-profit applicants are limited to a single application per agency, and all other eligible organizations are limited to one application per unit, district or division.
- 4.4.4. Child Sex Trafficking (CST) Program: There is no limit on number of CST applications per agency.
- 4.4.5. Sexual Assault Forensic Exam (SAFE) Ready Facilities Program: There is no limit on number of SAFE applications per agency.

4.5. APPLICATION CYCLES:

4.5.1. Criminal Justice Program - Justice Assistance Grant (JAG) projects:

- 4.5.1.1. A three-year prioritization cycle applies to all new and renewal FY22 JAG staffing-based projects.
- 4.5.1.2. A two-year prioritization cycle applies to all new and renewal FY22 JAG evaluation projects.
- 4.5.1.3. A one-year prioritization cycle applies to all new FY22 JAG equipment-only projects.
- 4.5.1.4. Based on scoring results, the CJPDC and NCTCOG's Executive Board will develop priority list recommendations for a period of three years for staffing-based JAG applications and a period of two years for JAG evaluation applications.
- 4.5.1.5. PSO/CJD will not make JAG funding allocations directly to NCTCOG, therefore a recommendation for a multi-year period only means the application will be scored the first year and will move up the priority level for the subsequent prioritization year(s) without being scored again.
- 4.5.1.6. For FY22, new and renewal JAG projects will enter the application cycle at 100% of the awarded amount in the first year and will be prioritized at an amount not to exceed 100% of the original awarded amount for the remainder of the prioritization cycle.

4.5.2. Juvenile Justice & Delinquency Prevention (JJ) projects:

- 4.5.2.1. A three-year prioritization cycle applies to all new and renewal FY22 JJ staffing-based projects.

- 4.5.2.2. A two-year prioritization cycle applies to all new and renewal FY22 JJ evaluation projects.
 - 4.5.2.3. A one-year prioritization cycle applies to all new FY22 JJ equipment-only projects.
 - 4.5.2.4. Based on scoring results, the CJPDC and NCTCOG's Executive Board will develop priority list recommendations for a period of three years for staffing-based JJ applications and a period of two years for JJ evaluation applications.
 - 4.5.2.5. PSO/CJD will not make JJ funding allocations directly to NCTCOG, therefore a recommendation for a multi-year period only means the application will be scored the first year and will move up the priority level for the subsequent prioritization year(s) without being scored again.
 - 4.5.2.6. For FY22, new and renewal JJ projects will enter the application cycle at 100% of the awarded amount in the first year and will be prioritized at an amount not to exceed 100% of the original awarded amount for the remainder of the prioritization cycle.
- 4.5.3. Truancy Prevention (TP) projects:
- 4.5.3.1. A three-year prioritization cycle applies to all new and renewal FY22 TP staffing-based projects.
 - 4.5.3.2. A two-year prioritization cycle applies to all new and renewal FY22 TP evaluation projects.
 - 4.5.3.3. A one-year prioritization cycle applies to all new FY22 TP equipment-only projects.
 - 4.5.3.4. Based on scoring results, the CJPDC and NCTCOG's Executive Board will develop priority list recommendations for a period of three years for staffing-based TP applications.
 - 4.5.3.5. PSO/CJD will not make TP funding allocations directly to NCTCOG, therefore a recommendation for a multi-year period only means the application will be scored the first year and will move up the priority level for the subsequent prioritization year(s) without being scored again.
 - 4.5.3.6. For FY22, new and renewal TP projects will enter the application cycle at 100% of the awarded amount in the first year and will be prioritized at an amount not to exceed 100% of the original awarded amount for the remainder of the prioritization cycle.
- 4.5.4. Violence Against Women Justice and Training (VAW) projects:
- 4.5.4.1. A three-year prioritization cycle applies to all new and renewal FY22 VAW staffing-based projects.
 - 4.5.4.2. A two-year prioritization cycle applies to all new and renewal FY22 VAW evaluation projects.
 - 4.5.4.3. A one-year prioritization cycle applies to all new FY22 VAW equipment-only projects.

- 4.5.4.4. Based on scoring results, the CJPDC and NCTCOG's Executive Board will develop priority list recommendations for a period of three years for staffing-based VAW applications and a period of two years for VAW evaluation applications.
 - 4.5.4.5. PSO/CJD will not make VAW funding allocations directly to NCTCOG, therefore a recommendation for a multi-year period only means the application will be scored the first year and will move up the priority level for the subsequent prioritization year(s) without being scored again.
 - 4.5.4.6. For FY22, new and renewal VAW projects will enter the application cycle at 100% of the awarded amount in the first year and will be prioritized at an amount not to exceed 100% of the original awarded amount for the remainder of the prioritization cycle.
- 4.5.5. General Victim Assistance (GVA) projects:
- 4.5.5.1. A three-year prioritization cycle applies to all new and renewal FY22 GVA staffing-based projects.
 - 4.5.5.2. A two-year prioritization cycle applies to all new and renewal FY22 GVA evaluation projects.
 - 4.5.5.3. A one-year prioritization cycle applies to all new FY22 GVA equipment-only projects.
 - 4.5.5.4. For staffing-based GVA projects scored in FY20 and funded for 24-months (grant period 10-1-19 thru 9-30-21): To carry out the FY20 GVA policy stating "*NCTCOG will make prioritization recommendations of no more than two consecutive grant periods*", these GVA projects may enter the FY22 cycle as a 12-month non-competing continuation project; requested amount of the 12-month non-competing continuation may not exceed 50% of current 24-month awarded amount.
 - 4.5.5.5. For staffing-based GVA projects scored in FY20 and funded for 12-months (grant period 10-1-19 thru 9-30-20) with subsequent non-competing continuation project for FY21 (grant period 10-1-20 thru 9-30-21): To provide a three-year prioritization cycle these GVA projects may enter the FY22 cycle as a non-competing continuation project.
 - 4.5.5.6. Based on scoring results, the CJPDC and NCTCOG's Executive Board will develop priority list recommendations for a period of three years for staffing-based GVA applications and a period of two years for GVA evaluation applications.
 - 4.5.5.7. PSO/CJD will not make GVA funding allocations directly to NCTCOG, therefore a recommendation for a multi-year period only means the application will be scored the first year and will move up the priority level for the subsequent prioritization year(s) without being scored again.
 - 4.5.5.8. For FY22, new and renewal GVA projects will enter the application cycle at 100% of the awarded amount in the first year and will be prioritized at an amount not to exceed 100% of the original awarded amount for the remainder of the prioritization cycle.

- 4.5.6. Child Sex Trafficking (CST) projects: PSO/CJD will provide special scoring instructions to NCTCOG for CST application prioritization. Application prioritization cycles will not apply to CST.
- 4.5.7. Sexual Assault Forensic Exam Ready Facilities (SAFE) projects: PSO/CJD will provide special scoring instructions to NCTCOG for SAFE application prioritization. Application prioritization cycles will not apply to SAFE.
- 4.5.8. All Funding Categories:
 - 4.5.8.1. All final funding decisions are made by PSO/CJD, and an NCTCOG recommendation is not a guarantee of funding.
 - 4.5.8.2. Applications funded by PSO/CJD out of prioritization order will be one-grant period commitments.
 - 4.5.8.3. Grant Adjustment Policy: An authorized person for a funded project will notify NCTCOG in writing prior to submitting a grant adjustment request through the PSO/CJD eGrants system. Should NCTCOG staff determine the adjustment results in a deviation from the scope of services presented in the original application, the grant adjustment request may be forwarded to CJPDC for review. If CJPDC determines the change in budget or scope of the funded project impacts how the project would have been prioritized, the prioritization may be withdrawn, and future recommendations may be affected.

5. APPLICATION REVIEW AND SCORING PROCESS

- 5.1. Applications will be scored by members of the CJPDC.
- 5.2. PROJECT SCORING CRITERIA: The CJPDC-approved scoring criteria will be used to evaluate each new and renewal application submitted for review. The exception will be Child Sex Trafficking (CST) applications and Sexual Assault Forensic Exam (SAFE) Ready Facilities applications as PSO/CJD will provide special CST and SAFE scoring criteria.
- 5.3. MINIMUM SCORE: A minimum score of seventy (70) is required for a project to be recommended for funding in all program categories except CST and SAFE.
- 5.4. PROJECT SCORING PROCESS:
 - 5.4.1. Once PSO/CJD determines the eligibility of applications within a program category, applications will be forwarded to NCTCOG for scoring and prioritization.
 - 5.4.2. In the event in-person scoring sessions cannot be held, scoring will be conducted via a virtual platform. If a scoring session is held virtually, members are counted as present and may score applications via teleconference or video conference.
 - 5.4.3. In order to be able to score applications, each CJPDC member must participate in scoring training provided by NCTCOG Criminal Justice Program staff.

- 5.4.4. When necessary, as a result of the number of submitted applications for review, scoring, and prioritization, NCTCOG staff will divide the CJPDC members into scoring teams.
- 5.4.5. NCTCOG Criminal Justice program staff will attempt to divide members into teams with a system that maintains diversity of PSO/CJD multi-disciplinary representation of members and considers prior history of individual member's scoring average.
- 5.4.6. Scores from each scoring team member will be recorded, totaled, and averaged with the other team member scores for each individual project. The average score for each application will be used to rank the applications from high to low which will determine the NCTCOG-recommended priority within each program category.
- 5.4.7. In the event of a tie score when the projects are ranked, staff will delete a high score and a low score until the tie is broken. Projects will be placed on the priority list in the order of the tiebreaker score.

For example: Project 1 and Project 2 both have an average of 85.0000. After removing the high and low individual scores from each project, Project 1 now has an average of 84.333333 and Project 2 has an average of 86.55555. Project 2 will be listed above Project 1 on the priority ranking list.

- 5.5. NCTCOG will provide Vendor Hold technical assistance to grantees. At time of scoring/prioritization, NCTCOG staff will notify CJPDC of agencies that appear to have persistent vendor hold issues.

6. NCTCOG RECOMMENDATIONS FOR FUNDING

- 6.1. The CJPDC must make funding recommendations on applications based upon local criminal justice priorities identified in the NCTCOG's most recently completed strategic plan; any PSO/CJD-identified state priorities, the eligibility, reasonableness, and cost-effectiveness of the proposed project; and current NCTCOG policies and procedures. The CJPDC has the discretion to recommend an application at a reduced amount.
 - 6.1.1. The CJPDC will make priority recommendations to NCTCOG's Executive Board. The Executive Board will make the final determination on the CJPDC priority lists.
 - 6.1.2. Following Executive Board endorsement, applicants will be notified within fourteen (14) calendar days that their application was either "Recommended for Funding" or "Not Recommended for Funding" to PSO/CJD. Spreadsheets identifying the scores and priority ranking for each program category will be posted on the NCTCOG website, which will include the following statement:

"After the Criminal Justice Advisory Committee prioritizes the grant applications and the NCTCOG's governing body approves the priority listing, the NCTCOG submits the written priority listing to PSO/CJD. Based upon the NCTCOG's priority listing, PSO/CJD will verify the eligibility, reasonableness and cost-effectiveness strategy of the proposed project, and the availability of funding, and will render final funding decisions on these grant applications. The NCTCOG will notify grantees of any changes in the funding recommendations."

6.2. PRIORITY RANKING PROCEDURE:

- 6.2.1. NCTCOG staff will place all non-competing continuation projects in their priority ranking from the previous year in each program category. All applications will maintain their initial score until the prioritization period expires.
 - 6.2.2. New and renewal projects will be placed in priority (according to score, high to low) immediately following non-competing continuation projects in each program category.
 - 6.2.3. If a project is deemed ineligible by OOG, it will be noted as such on the priority ranking list. If a project is not recommended by CJPDC, it will be noted as such on the priority ranking list.
 - 6.2.4. In the event more than one agency applies for identical services serving the same geographical area and each receives a "recommended for funding" score, the CJPDC will determine if the geographic area to be served is sufficient to support more than one program. If not, the organization receiving the highest score will be recommended for funding and the lower-scored application(s) will not be recommended for funding.
 - 6.2.5. The CJPDC reserves the right not to recommend a project based upon chronic or egregious violations including but not limited to PSO/CJD monitoring reports verifying non-compliance, failure to complete PSO/CJD-required program progress reports and/or PSO/CJD-required financial reports, misuse of PSO/CJD funds, or at the discretion of the PSO/CJD.
 - 6.2.6. In the event PSO/CJD provides NCTCOG with projected allocations for a project category, and if there are insufficient applications recommended for funding with a minimum score of 70 points to expend the allocation, the CJPDC may continue to recommend projects in ranking order until the funding is expended or a minimum score of 60 points is reached.
- 6.3. EX-PARTE CONTACT: Any form of contact between a committee member and an applicant agency's representative, employee or contractor in which the application or the scoring of the application is discussed is prohibited. Such contact should immediately be reported to NCTCOG's Criminal Justice Programs staff. Such contact may result in an applicant agency being ineligible for future funding consideration.

7. CRIMINAL JUSTICE POLICY DEVELOPMENT COMMITTEE

- 7.1. MEMBERSHIP: The CJPDC is a multi-disciplinary representation of members from the North Central Texas region.
 - 7.1.1. The representation must include citizens or parents, substance abuse prevention, education, juvenile justice, law enforcement, mental health, non-profit organizations, municipalities, counties, prosecution or courts, and victim services. No single group may constitute more than one-third (1/3) of the Committee.
 - 7.1.2. Membership shall roughly reflect a county's percentage of the region's population. Every attempt will be made to have at least one representative from each of the region's 16 counties.

- 7.1.3. NCTCOG's Executive Board will appoint new members, to serve staggered three-year terms, ending December 31st of each calendar year, with a maximum committee size of fifty members. Every effort will be made to balance committee representation based on county population.
- 7.1.4. The Committee includes a permanent representative for each of the following agencies: City of Dallas and City of Fort Worth Police Departments; Dallas County and Tarrant County Sheriff's Offices; Dallas County and Tarrant County District Attorney's Offices; Dallas County and Tarrant County Juvenile Probation Departments; Dallas County and Tarrant County Community Supervision and Corrections Department (Adult Probation).
 - 7.1.4.1. One alternate may be designated for the above referenced permanent representatives. If the designated alternate is scoring applications for a program category, the alternate must attend a CJPDC Scoring Training session and be present at the program category scoring review(s).
 - 7.1.4.2. The permanent representative and designated alternate(s) for agencies listed in Section 7.1.4 may not share voting privileges simultaneously.
- 7.1.5. New member nominations may be solicited from a variety of sources, including elected officials, current members, strategic planning participants, and community contacts. Members in good standing may serve two consecutive 3-year terms.
- 7.1.6. Appointed members are expected to participate in each meeting to carry out the grant review and prioritization process and other CJPDC business.
- 7.1.7. A quorum is at least 50% of the Committee's active membership. A vote may be carried by a majority of those Committee members participating during a meeting at which a quorum is present.

7.2. OFFICERS & DUTIES:

- 7.2.1. During the last quarter of the calendar year, a Nominations Subcommittee will be appointed by the Chairperson to develop a list of candidates for the committee's consideration. This Subcommittee will include the Chair, or in the Chair's absence, the Vice-Chair and at least four (4) other Committee members.
- 7.2.2. The Chair will:
 - Preside at all meetings of the CJPDC
 - Call regular and special meetings of the CJPDC
 - Appoint temporary sub-committees at his/her discretion to perform specific tasks related to the business of the CJPDC
 - Appoint special sub-committees at his/her discretion
- 7.2.3. The Vice-Chair will: Act as the presiding officer during the absence or incapacity of the Chair and shall have all the duties, responsibilities, powers, and privileges of the Chair
- 7.2.4. TERM OF OFFICE - Term of office for officers shall be limited to two one-year terms. He/she must be a Committee member and not a designated alternate and be recommended to NCTCOG's Executive Board for confirmation annually.

- 7.2.5. VACANCY - In the event of a vacancy for the position of any officer, the Committee will recommend a replacement to the Executive Board no later than the next regular meeting following notification that such vacancy exists.
- 7.3. NCTCOG will ensure that all NCTCOG governing board meetings and meetings of the CJPDC (with a quorum present) at which PSO/CJD related matters are discussed comply with the Texas Open Meetings Act, Texas Government Code Chapter 551.
- 7.4. Regular meetings will be held to review and modify the Policies and Procedures for a new grant cycle and to address other business the CJPDC deems necessary. Special sessions will be held for new member orientation, scoring training, and grant application team reviews.
- 7.5. In the event an in-person meeting cannot be held, meetings will be conducted via a virtual platform. If a meeting is held virtually, NCTCOG staff will conduct a roll call of members to track attendance and confirm a quorum. Participating members may vote via teleconference or video conference. Electronic voting by email will be deemed binding if a remote decision is needed.
- 7.6. NCTCOG will maintain a written record documenting all CJPDC proceedings related to PSO/CJD business. Processed minutes must be certified with the signature of a CJPDC member who attended the meeting.
- 7.7. NCTCOG shall retain the Records for a period of seven (7) years after the final payment by PSO/CJD under the terms of this Agreement with the following qualification: if any audit, claim, or litigation is initiated before the expiration of the seven-year period, the Records shall be retained until the audit, claim, or litigation is resolved or until the end of the regular seven-year period, whichever is later. At the end of the seven-year period, NCTCOG shall request disposition instructions for the Records from PSO/CJD and shall dispose of the Records in accordance with PSO/CJD's instructions.
- 7.8. CONFLICT OF INTEREST POLICY: NCTCOG shall ensure that members of NCTCOG's governing body, the CJPDC, and NCTCOG staff abstain from scoring and voting on any grant application, other than a grant application submitted by NCTCOG, during the prioritization process if the member or an individual related to the member within the third degree by consanguinity or within the second degree by affinity:
- Is employed by the applicant agency and works for the unit or division that would administer the grant, if awarded;
 - Serves on any governing board that oversees the unit or division that would administer the grant, if awarded;
 - Owns or controls any interest in a business entity or other non-governmental organization that benefits, directly or indirectly, from activities with the applicant agency; or
 - Receives any funds, or a substantial amount of tangible goods or routine services, from the applicant agency as a result of the grant, if awarded.

If a CJPDC member has a conflict of interest regarding a particular grant application, NCTCOG will ensure the committee member abstains from voting, commenting, or otherwise influencing the prioritization process for that application. A CJPDC member with a conflict of interest regarding a particular grant application must vacate the room* whenever that application is presented to or reviewed by CJPDC, and the member must not take part in or be present for any discussion on the application with any other member of CJPDC.

*In the event a scoring session is held virtually, a CJPDC member with a conflict must leave the teleconference or video conference whenever that application is presented to or reviewed by CJPDC.

North Central Texas Council of Governments

Item 14

Exhibit: 2021-02-14-CJ

Meeting Date: February 25, 2021

Submitted By: Kelly Schmidt
Criminal Justice Program Administrator

Item Title: Appointments to the Criminal Justice Policy Development Committee

The Criminal Justice Policy Development Committee (CJPDC) assists the Executive Board in establishing criminal justice planning policy and priorities, reviews and prioritizes local requests for criminal justice funding, and encourages public awareness of criminal justice matters.

The Office of the Governor's Public Safety Office (PSO) and the North Central Texas Council of Governments (NCTCOG) have an Interlocal Cooperation Agreement that includes a Statement of Work (SOW) specific to PSO's Criminal Justice Division. The SOW deliverables state committee membership must include representatives from the following areas: citizens or parents, substance abuse prevention, education, juvenile justice, law enforcement, mental health, counties, municipalities, nonprofit organizations, prosecution or courts, and victim services. In addition, the SOW requires that no one category exceed one-third of the total membership.

Per the Committee's approved Policies and Procedures, membership reflects the geographic area's percentage of the region's population. Every attempt has been made to have at least one representative from each of this region's 16 counties.

The CJPDC Nominations Subcommittee reviewed all nominations and presents for Executive Board approval seven (7) new appointment recommendations. Additionally, of the continuing members, five (5) are recommended to be reappointed to another three-year term.

Per Policies and Procedures, officers' terms shall be limited to two one-year terms. The current Chair and Vice-Chair, Ms. Julie Monge, Collin County Teen Court Coordinator/Juvenile Case Manager, and Chief Robert Severance III, Cleburne Police Department, respectively, have completed their first one-year term. They are being recommended for an additional one-year term.

I will provide a brief presentation on this item and be available to answer any questions prior to requesting Board approval.
