TO: Interested Parties

DATE: March 17, 2023

FROM: Ken Kirkpatrick
General Counsel

SUBJECT: Request for Proposals for Providers of Services to UAM and Uncrewed Traffic Management Services for an Integration Pilot Program in North Texas

The North Central Texas Council of Governments (NCTCOG) is requesting written proposals from consultant firms to safely integrate Advanced Air Mobility (AAM) and autonomous beyond-visual flight small drone deliveries for which the region will require the use of PSUs and/or UTM Services. These services will be integral to not only increase safety, execute flight plans, balance airspace capacity, provide aircraft conflict resolutions, enhance adherence to federal, State, and local regulations, and provide additional emergency services.

This is an invitation to respond to the Request for Proposals (RFP). Proposers must submit one hard copy or one flash drive of the submission to Ernest Huffman, Program Manager, North Central Texas Council of Governments, 616 Six Flags Drive, Arlington, Texas 76011. Flash drives that are unreadable or contain corrupted files will be considered non-responsive. **Proposals must be received no later than 5:00 pm, Central Time, on Friday, April 14, 2023.** Proposals received after that time will not be considered and will be returned unopened. The in-hand submittal will count as the official submittal. In addition to the in-hand submittal, NCTCOG is requesting electronic submission of proposals to TransRFPs@nctcog.org. Electronic submissions only will **not** be evaluated. The RFP will be available at www.nctcog.org/rfp by the close of business on **Friday, March 17, 2023.**

Any amendments or updates to the RFP, as well as all questions and responses, will be posted on NCTCOG's website. Written questions concerning the RFP should be submitted by email to TransRFPs@nctcog.org by **5:00 pm Central Time on Friday, March 24, 2023.** We appreciate your consideration of this request.
