Austin, Texas 78701

Attention: Barbara Maley

Dear Mr. Alonzi:

The Texas Department of Transportation (TXDOT) has reviewed the final Transportation Conformity determination for the Mobility 2045: The Metropolitan Transportation Plan (MTP) and the 2023- 2026 Transportation Improvement Program (2023-2026 TIP) for the North Central Texas Council of Governments (NCTCOG).

NCTCOG serves as the metropolitan planning organization (MPO) for the Dallas - Fort Worth - Arlington, Lewisville-Denton and McKinney urbanized areas acting through the Regional Transportation Council (RTC). The MPO along with TXDOT, reviewed, discussed, and submitted responses to comments received from the Federal Highway Administration (FHWA) during the conformity review process.

Based on the information received through the review process, TXDOT in cooperation with the consultative partners has determined that the requirements for the MTP and TIP have been met and find that transportation conformity has been demonstrated, pending concurrence from the Environmental Protection Agency and the Texas Commission on Environmental Quality.

Please accept this letter as the official submittal of the conformity findings on behalf of the State. Should you have any questions or concerns, please contact Casey Wells at (512) 423-8986.

Sincerely,

DocuSigned by:
