METROPOLITAN PLANNING ORGANIZATION REVOLVER FUND PARTNERSHIP WITH THE CITY OF DALLAS AND DALLAS COUNTY

REGIONAL TRANSPORTATION COUNCIL

DECEMBER 10, 2015
In September 2015, the Regional Transportation Council (RTC) approved the initial round of Metropolitan Planning Organization (MPO) Revolver swaps with Dallas County and TxDOT.

At that time, staff committed to finding additional projects in order to fully fund the $10M Revolver Fund.

North Central Texas Council of Governments (NCTCOG), City of Dallas, and Dallas County have coordinated to identify projects that are on-system, which are both eligible for Category 12 funds and have existing local funds.

Two additional projects have been identified.
## SUMMARY OF MPO REVOLVER PARTNERSHIP PROJECTS

<td><strong>10.000</strong></td>
<td></td>
</tr>
</tbody>
</table>

<sup>1</sup> In order to receive the local funds, Category 12 funds need to be added to the Southern Gateway project, freeing up Regional Tollroad Revenue (RTR) funds, which need to be moved to Pleasant Run (Action Item).

<sup>2</sup> The Transportation Alternatives Plan (TAP) funding was awarded by TxDOT, so $0.592M will be needed to match the TAP funds. Therefore, $3.408M in local funds are available for the partnership.
Located in City of Dallas

$4.377M in existing City of Dallas/Dallas County funds to be re-allocated to NCTCOG/RTC for the MPO Revolver Fund

$4.377M of Category 12 funds to be added to the project as part of the MPO Revolver Fund Partnership

$60.623M in Proposition 1 funds proposed in Fiscal Year 2019 to fully fund construction costs (as Proposition 7 funds become available, we may request to change the funding source to Proposition 7 or other funds and advance project, if possible)
Located in City of Irving/City of Dallas

$200,000 in existing Dallas County funds to be re-allocated to NCTCOG/RTC for the MPO Revolver Fund

$200,000 of Category 12 funds to be added to the project as part of the MPO Revolver Fund Partnership

The balance of this project is already fully funded from a variety of funding sources (Category 12, Category 2, Earmarks, Surface Transportation Program funds, etc.)
Approval of:

- Funding allocations/transfers identified on slides 3-5 as a result of the MPO Revolver Fund creation
- Adding $4.577M to the MPO Revolver Fund for a total of $10M
- Administratively amending these changes to the Transportation Improvement Program (TIP)/Statewide TIP and other necessary administrative/planning documents.

  • Environmental Justice

Environmental Considerations
  • Natural Environment
  • Air Quality

Operational Efficiency
  • Travel Demand Management
  • Transportation System Management and Operations
  • Safety and Security
  • Sustainable Development

Mobility Options
  • Aviation
  • Active Transportation: Bicycle/Pedestrian
  • Freight
  • Transit
  • Roadway and Asset Management
Mobility 2040 Guiding Principles

Comprehensive corridor evaluation
- Cap/Main projects
- Reconstruction/widening of existing corridor
- New location corridor
- Illustrative project for future evaluation

Reevaluation of priced facility recommendations
- Review regional balance of toll roads and tax-funded roads
- Evaluate the need for new toll roads and managed lanes in light of new funding opportunities

Review of needed arterial improvements
Mobility 2040 Guiding Principles

Reevaluation of regional rail recommendations
  • Evaluate role of all public transportation opportunities
  • Look for opportunities to implement “premium bus” service in managed lane and future rail corridors

Updating the Regional Veloweb

Strengthening the role of Sustainable Development

Emphasis on traffic management operations

Consideration of the role of new technology

-Draft-
2016 Transportation Conformity

Purpose: Federal requirement in nonattainment areas to conduct air quality analysis on projects, programs, and policies identified in transportation plans, transportation improvement programs, federally funded projects, or projects required for federal approval.

Analysis Area: Ten-County Ozone Nonattainment Area

Analysis Years: 2017, 2027, 2037, and 2040

Latest Planning Assumptions: MOVES2014 Emissions Model
2014 Registration
2014 Traffic Count Data
2014 Meteorological Data

Motor Vehicle Emissions Budgets (MVEBs)*

Nitrogen Oxides (NO$_X$) = 148.36 tons/day
Volatile Organic Compounds (VOC) = 77.18 tons/day

*Contained in the Dallas-Fort Worth 2008 8-Hour Ozone Reasonable Further Progress State Implementation Plan (SIP). Adequacy of the MVEBs for Transportation Conformity anticipated in coming months.
Staff is requesting approval from the Council to present the draft Mobility 2040 recommendations at public meetings beginning in December.

Local Governments Approve Policy Bundle

RTC Assigns $100M “TDC’s” to Local Governments

Local Governments Submit Credits to Offset Local Funds on Federal Projects
Proposed New Policies

Government Entities Decision

• Voluntary

• Decide Preference

• 50 Percent Target
Proposed New Policies – Joint Staff Coordination (Type 1)

• Meet with Major Employers to Promote Employer Trip Reduction Program

• Implement Strategies to Reduce Wrong-Way Driving Crashes

• Secure Transportation Infrastructure

• Integrate Traffic Operations Systems

• Develop Parking Management Strategies

• Coordinate Implementation of Safe Routes to School

• Improve Railroad Safety

• Share Best Practices to Prevent Copper Theft
Existing Policy: Clean Fleet

• Support Traffic Incident Management

• Develop Sustainable Land Use Strategies to Support Urban, Rural and Suburban Communities

• Collaborate on ISD Growth Plans and City Plans

• Implement Complete Streets Policy

• Implement State Urban Thoroughfare Revitalization

• Implement Sustainable Stormwater Practices

• Encourage Use of Lower-Emission Construction Equipment

• Allocate Local Funds to Support Public Transit
Ordinance

• Implement and Enforce Locally Enforced Motor Vehicle Idling Limitations

• Enhance Freight-Oriented Land-Use Sustainability

• Implement Operational Restrictions of Unmanned Aircraft Systems (UAS)

CONTINGENCY EMERGENCY SUPPLEMENT TRANSIT OPTIONS FOR TEXOMA AREA PARATRANSPORTATION SYSTEM (TAPS) SERVICE

REGIONAL TRANSPORTATION COUNCIL

DECEMBER 10, 2015

Jessie Huddleston
North Central Texas Council of Governments
Texoma Area Paratransit System (TAPS) Service

Provides public transit services in 2 counties in our region: Wise County and the portions of Collin County outside of the Dallas Area Rapid Transit (DART) service area

Operates bus services, including job access trips for low-income workers and service for people with disabilities
Recent Updates: Timeline

Summer 2015: Federal Transit Administration review and financial issues

Fall 2015: Significant service reductions begin. Cities begin to look for alternatives and cancel contracts.

December 8, 2015: All services in Collin County are cancelled indefinitely. Limited Wise County service continues.
Recent Updates: RTC Action Items

1) Secure financial consulting services for TAPS to prepare billings and rebuild records to access grant funds

    Consultants went onsite 11/16/15

2) Provide a financial backstop for a local TAPS loan for $250K

    On hold
## Next Steps: Interim Service Provider Options
