Basin	Segment (SEG_ID)	Segment Description	Original Designated Use	TCEQ's RUAA Summary and Recommendation	Final Outcome (as of May 16, 2023)	When RUAA Was Conducted
Brazos	1226K	Little Daffau Creek	Primary Contact Recreation	Primary Contact Recreation is appropriate	Retained designated use of Primary Contact Recreation ^a	Summer 2009
Brazos	1226E	Indian Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2009
Brazos	1226F	Sims Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2009
Brazos	1255A	Goose Branch	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1255B	North Fork Upper North Bosque	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1255C	Scarborough Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1255F	Unnamed Tributary of Scarborough Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2009
Brazos	1221F	Walnut Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1221A	Resley Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Pending*	Summer 2009
Brazos	1255E	Unnamed Tributary of Goose Branch	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1255G	Woodhollow Branch	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1223A	Armstrong Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 2	Revised designated use to Secondary Contact Recreation 2 ^c	Summer 2009
Brazos	1255	Upper North Bosque River	Primary Contact Recreation	Primary Contact Recreation is appropriate	Retained designated use of Primary Contact Recreation ^a	Summer 2009
Brazos	1226H	Alarm Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2012
Brazos	1226M	Little Green Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2012

Basin	Segment (SEG_ID)	Segment Description	Original Designated Use	TCEQ's RUAA Summary and Recommendation	Final Outcome (as of May 16, 2023)	When RUAA Was Conducted
Brazos	1255I	Dry Branch	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2012
Brazos	1204A	Camp Creek	Primary Contact Recreation	Primary Contact Recreation is appropriate	Retained designated use of Primary Contact Recreation ^a	Summer 2012
Sabine	0507G	South Fork of Sabine River	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Pending *	Summer 2010 and 2011
Trinity	0810	West Fork Trinity River Below Bridgeport Reservoir	Primary Contact Recreation	Primary Contact Recreation is appropriate	Retained designated use of Primary Contact Recreation ^a	Summer 2010
Trinity	0810A	Big Sandy Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Revised designated use to Secondary Contact Recreation 1 ^b	Summer 2009
Trinity	0810C	Martin Branch	Primary Contact Recreation	Primary Contact Recreation is appropriate	Retained designated use of Primary Contact Recreation ^a	Summer 2010
Trinity	0838C	Walnut Creek	Primary Contact Recreation	Revised to Secondary Contact Recreation 1	Pending*	Summer 2010

* Although this change exists in the 2018 Texas Surface Water Quality Standards, the final outcome is pending because the change is under EPA review. The water body will not be assessed using the revised criteria until EPA approves the change.

^a Primary Contact Recreation has a geometric mean of 126 colonies of *E. coli*/100 mL

^b Secondary Contact Recreation 1 has a geometric mean of 630 colonies of *E. coli*/100 mL

^c Secondary Contact Recreation 2 has a geometric mean of 1030 colonies of *E. coli*/100 mL
