

North Central Texas Council of Governments

Summary

Regional Management Plan Subcommittee

Thursday, July 19, 2018

12:00 PM, Six Flags Conference Room, NCTCOG Offices

Chair – Robert Smouse, City of Fort Worth

Vice Chair – Steve Funk, City of Plano

PRESENTATION

1. **Ranking of Regional Management Plan's Action Recommendations.** NCTCOG will present the results of the survey performed to rank the Regional Management Plan's action recommendations that were indicated to be high priority on the previous survey.

NCTCOG presented the results of the RMP's action recommendations [survey](#).

DISCUSSION

2. **Discussion of Results.** The subcommittee will discuss the results of the survey and next steps to implement the recommendations.

The subcommittee discussed combining the action recommendations into focus areas. The top ten action recommendations were combined into the following focus areas: regional recycling goals, illegal dumping, and household hazardous waste. Jordan Strickler, City of Lewisville, suggested reconvening the Recycling Roundtable to assist in addressing the action items associated with the subcommittee's regional recycling goals

3. **Non-Recyclable or Difficult to Recycle Items.** The subcommittee will discuss and develop a short list of common items that are recyclable, but may not have viable end-markets.

The subcommittee discussed end markets and profitability (or lack thereof) for certain recyclable items and also items that are difficult to recycle. The subcommittee gave NCTCOG some contacts to use to gather information from the private sector and Materials Recovery Facilities (MRFs) in the region in order to develop a list of recycling items that do not have profitable end markets.

OTHER BUSINESS AND ROUNDTABLE DISCUSSION

4. **Roundtable Topics/Other Business.** The subcommittee may share additional items of interest as time allows.
