REGULAR SESSION

Public Comment on Agenda Items

President Smith announced that the public telephone line would be unmuted, and members of the public could comment on any item on the agenda. There was no one present wishing to speak.

ACTION:

Item 1 Approval of Minutes

President Smith continued to the first item on the agenda - approval of the Minutes from the July Board meeting.

Upon a Motion by Judge Whitley (seconded by Mayor Heidemann), and unanimous vote of all members present, the Board approved the minutes of the July Executive Board meeting.

Exhibit: 2020-08-01-EDO

Item 2 Resolution Authorizing an Increase to the Contract for the Workforce Quality Texas Project

David Setzer, Director of Workforce Development, explained that the current Workforce Quality Texas Contract with Joe Muzikowski would be increased by 25%, for a revised total amount not to exceed $121,000, to aid with the implementation of a Malcolm Baldrige based performance excellence system. This system is a comprehensive way of managing through a structured continuous improvement methodology.

Exhibit: 2020-08-02-WD
Upon a Motion by Judge Sweet (seconded by Mayor McCowan), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 3  Resolution Authorizing an Increase to the Contract to ResCare Workforce Services for Delivery of Child Care Services**

David Setzer, Director of Workforce Development, asked the Board to approve an increase to the ResCare Workforce Services FY 2020 contract for the delivery of childcare services, in an amount of $5 million. This will result in a revised total not to exceed amount of $65 million. He explained that the increase is primarily due to additional new funding received by the Texas Workforce Commission related to the COVID-19 pandemic.

Exhibit: 2020-08-03-WD

Upon a Motion by Commissioner Mitchell (seconded by Mayor Heidemann), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 4  Resolution Authorizing Funding Increases for Aging Caregiver Subrecipients**

Doni Green, Director of Aging, requested authorization to increase the funding of nine previously selected subrecipients, using additional CARES Act funds received in May of 2020, through Title III-E. The increase in funding of up to 25% will be used to provide Caregiver Information Services and Caregiver Education and Training Services, to the following subrecipients in the specified amounts for a total of $1,112,500.

1. Mascari Corporation, $132,500
2. Alzheimer’s Association, Dallas and Northeast Texas Chapter, $137,500
3. Alzheimer’s Association, North Central Texas Chapter, $206,250
4. Z-Quest, $43,750
5. Maurice Barnett Geriatric Wellness Center, d.b.a. Wellness Center for Older Adults, $412,500
6. Senior Connect, $32,500
7. The Senior Source, $85,000
8. Meals on Wheels Senior Services, $46,250
9. Liferoads, $16,250

Exhibit: 2020-08-04-AG

Upon a Motion by Judge Sweet (seconded by Councilmember Caplinger), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 5  Resolution Authorizing Contract with United Way of Tarrant County for Services in Greater Springtown**

Doni Green, Director of Aging, explained that the contract with United Way, through Texas Health Resources (THR), is for total compensation to NCTCOG of approximately $175,000 during a two-year period of performance. She said THR has identified zip code 76082 (greater City of Springtown, Parker, and Wise Counties) as a high need area and is making funding available for innovative programs. Serving as a subcontractor, Aging will help provide behavioral health, supplemental transportation, self-efficacy, and nutrition services to residents, in collaboration with the Aging and Disability Resource Center and local meal providers, by drawing on the Older Americans Act funding. Aging will also award seed grants in the amount of $5,000 to local organizations that have high visibility and commit to active participation in local advisory committees and assistance with community outreach.

Exhibit: 2020-08-05-AG

Upon a Motion by Judge Whitley (seconded by Commissioner Mitchell), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 6  Resolution Authorizing Acceptance of the FY2020 Homeland Security Grant Program (HSGP) Funds to Support Regional Activities**

Candice Forsyth, Senior Emergency Preparedness Specialist, requested authorization to receive approximately $1,770,000 in FY 2020 Homeland Security Grant Program (HSGP) funds, provided under the 2020 Department of
Homeland Security (DHS) Appropriations Act, to assist the Homeland Security Grants Division of the Office of the Governor and the Urban Area Security Initiative (UASI). The funds will be used to provide planning, equipment, training, exercise assistance, prevention, preparedness, mitigation, response, and recovery activities. She explained that $45,000 will be provided through an interlocal agreement with the City of Dallas to assist with grant management and administrative tasks associated with the UASI Grant Program.

Exhibit: 2020-08-01-EP

Upon a Motion by Mayor McCowan (seconded by Commissioner Mitchell), and unanimous vote of all members present, the Board approved the resolution as presented.

Item 7 Resolution Endorsing the 2020 Update to the Water Quality Management Plan for the NCTCOG Region

Edith Marvin, Director of Environment and Development, asked the Board to endorse the 2020 Update to the Water Quality Management Plan for the NCTCOG Region. The Plan, which is developed and updated annually using funding from the Texas Commission on Environmental Quality (TCEQ), supports current and future planning decisions involving water quality efforts, wastewater infrastructure development, watershed management, and related issues and will be forwarded to the TCEQ for approval.

Exhibit: 2020-08-07-ED

Upon a Motion by Councilmember Caplinger (seconded by Judge Sweet), and unanimous vote of all members present, the Board approved the resolution as presented.

Item 8 Resolution Approving Materials Management Call for Projects Funding Recommendations and Authorizing Agreements with Subrecipients

Edith Marvin, Director of Environment and Development, asked the Board to authorize adjusted funding recommendations reallocating funds under the Materials Management Call for Projects approved by the Board in March. The adjustments resulted from $108,741 of additional funding from TCEQ for the FY20 and FY21 biennium; returned program funds due to a previously purchased equipment auction; and a decision by one previously approved recipient not to accept current biennium funds. The adjusted funding recommendations, as follows, were for a new total of $1,250,439.80.

- City of Lewisville – Solar Powered Illegal Dumping Cameras (August 2020 decrease to address community choice) $22,950.00
- City of Fort Worth – Environmental Investigation Unit Cameras (August 2020 increase to adjust partial funding of $79,200.79 to full funding) $79,200.79 $104,525.00
- City of White Settlement – Community Clean Up Events $80,000.00
- City of Denton – Illegal Dumping Cameras $26,366.79

Exhibit: 2020-08-08-ED

Upon a Motion by Commissioner Mitchell (seconded by Judge Whitley), and unanimous vote of all members present, the Board approved the resolution as presented.

Item 9 Resolution Approving an Interlocal Agreement with the City of Fort Worth Concerning the Trinity River Vision Bridge Project

Michael Morris, Director of Transportation, told the Board that in March, the Regional Transportation Council (RTC) approved an increase of $20,000,000 for the Trinity River Vision (TRV) Bridge Project to cover projected cost increases. He explained that $15,000,000 of the total is a grant and $5,000,000 is a loan. This authorization is for the Interlocal Agreement with the City of Fort Worth for the repayment of that loan. The project includes the construction of three bridges over a new bypass section of the Trinity River in downtown Fort Worth and was originally started in 2011 with a total of $69.9 million in federal, State, City and private partner funding. The delay and increased costs are due to constructability issues and the resulting delays.

Exhibit: 2020-08-09-TR
Upon a Motion by Mayor Heidemann (seconded by Commissioner Mitchell), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 10 Resolution Authorizing Use of Additional RTC Local Funds to Support HOV/Managed Lane Pooled Fund Study**

Michael Morris, Director of Transportation, requested approval of an additional $60,000 in RTC Local funds for continued participation in the Pooled Fund Study for High Occupancy Vehicle (HOV) lanes and toll roads. He explained that state departments of transportation from California, Florida, Georgia, Massachusetts, Minnesota, New York, Tennessee, Virginia, Washington and the San Francisco Bay Area Metropolitan Transportation Commission are contributing similar amounts for this national research initiative administered by the Federal Highway Administration. The Study involves research on policy, program, and technical issues in planning and design; and the development of national policy requirements and program guidelines related to performance monitoring, evaluation, reporting, enforcement and traffic incident management regarding the conversion of HOV lanes to tolled managed lanes.

Exhibit: 2020-08-10-TR

Upon a Motion by Mayor McCowan (seconded by Judge Whitley), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 11 Resolution Approving an Interlocal Agreement with the City of Plano Concerning the Collin Creek Mall Redevelopment Project**

Michael Morris, Director of Transportation, asked the Board to authorize an interlocal agreement with the City of Plano for the repayment of $15,000,000 for the Collin Creek Mall Redevelopment Project. He explained that $30,000,000 in federal funds was approved by the RTC in February 2020 to assist the City of Plano with funding a parking garage for intended park-n-ride spaces. It is anticipated that this would facilitate next generation electric transit vehicle service from the mall to downtown Plano and the Dallas Area Rapid Transit (DART) Downtown Plano Light Rail Station. One-half of the award ($15,000,000) is a grant, and one-half ($15,000,000) is a 2.4 percent interest loan with a repayment period of 15 years beginning in 2025.

Exhibit: 2020-08-11-TR

Upon a Motion by Judge Whitley (seconded by Councilmember Caplinger), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 12 Resolution Approving an Agreement with Cintra Holding US Corporation to Advance Design Activities for the SH 183 Segment 2E Project**

Michael Morris, Director of Transportation, requested authorization to enter into an agreement with Cintra US Holding Corporation for a financial backstop in the amount of $3,000,000. He explained that a formal change order request from the Texas Department of Transportation (TxDOT) is pending on the SH 183 Segment 2E project. This agreement would allow Cintra to conduct the engineering design work for the project during the COVID-19 pandemic, in order to create jobs. In the unlikely event that TxDOT does not issue a change order request to Cintra prior to September 1, 2021, the RTC would make the payment and own the design work to continue to advance the project.

Exhibit: 2020-08-12-TR

Upon a Motion by Judge Whitley (seconded by Judge Sweet), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 13 Resolution Approving Advanced Transportation and Congestion Management Technologies Deployment Initiative Grant Application to the United States Department of Transportation**

Michael Morris, Director of Transportation, explained that this Grant Application requests approximately $8 million under the United States Department of Transportation’s (USDOT) 2020 Advanced Transportation and Congestion Management Technologies Deployment Initiative (ATCMTD), with up to $2 million in Regional...
Transportation Council Local funds, for the S.M. Wright Arterial Technology Project. The project is a partnership between NCTCOG and the City of Dallas and has been approved by the Regional Transportation Council. The ATCMTD initiative is for large-scale installation and operation of advanced transportation technologies to improve safety, efficiency, system performance, and infrastructure return on investment.

Exhibit: 2020-08-13-TR

Upon a Motion by Councilmember Kleinman (seconded by Mayor McCowan), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 14 Resolution Endorsing the State of Good Repair (SOGR) Grant Application Submitted on behalf of Dallas Area Rapid Transit and the Fort Worth Worth Transportation Authority d/b/a Trinity Metro to the Federal Railroad Administration**

Michael Morris, Director of Transportation, explained that in August the Regional Transportation Council (RTC) endorsed submittal of a grant application to the Federal Railroad Administration (FRA) for approximately $58 million. The application, on behalf of Dallas Area Rapid Transit (DART) and Trinity Metro, was submitted under the Federal-State Partnership for the State of Good Repair Program (SOGR), for a total project budget request of $28 million in SOGR federal funding, $2 million in federal funding from the RTC, and $28 million in local match from DART, Trinity Metro, and BNSF Railway. The funding will be used to address the state of good repair backlog, performance restrictions, safety concerns, and capacity constraints caused by deteriorated railroad assets in the Trinity Railway Express (TRE) corridor. Proposals were due by July 27, 2020.

Exhibit: 2020-08-14-TR

Upon a Motion by Councilmember Gray (seconded by Councilmember Caplinger), and unanimous vote of all members present, the Board approved the resolution as presented.

**Item 15 Resolution Accepting the Audit Report from Whitley Penn, LLP, for the Transportation Department's Agreed Upon Procedures**

Michael Morris, Director of Transportation, explained that this Audit is a requirement of the Transportation Department's contractor procurement procedures and policies and supports compliance with regulations guiding the use of federal funds. The Audit was conducted by the accounting firm of Whitley Penn, LLP in March and April of 2020. The Audit Report indicates there were no exceptions in six of the seven procedural areas examined. Judge Whitley explained that even though he has had no association with the referenced firm since 2015, he would abstain from this vote.

Exhibit: 2020-08-15-TR

Upon a Motion by Mayor McCowan (seconded by Judge Sweet), and unanimous vote of all members present, except Judge Whitley, who abstained, the Board approved the resolution as presented.

**APPOINTMENTS:**

Item Title: Conduct a Public Hearing Regarding the Annual Fiscal Program for FY 2020-2021 and Consider a Resolution to Approve and Adopt the Annual Fiscal Program

A public hearing regarding the FY 2020-2021 Annual Fiscal Program will be conducted followed by consideration to approve and adopt by the Executive Board. Members of the public wishing to comment during the Public Hearing are directed to utilize the call-in information provided on the meeting agenda and public notices. A detailed overview of the Annual Fiscal Program was presented to the Personnel and Finance Committee as well as the Executive Board at the monthly meeting on August 27, 2020.

The program structure is similar to previous years with the following characteristics:

- Total expenditures of $240,400,289.
- Consists of state and federal grants that fund approximately 81% of programs with the remainder being local funding.
- Fiscal controls are established by individual grants and contracts, not the plan outlined in the Annual Fiscal Program.
- Annual dues from the membership comprise less than 1% of the total budget. The per capita rate has not changed.
- Authorizes the Executive Director and designees to approve and accept any funding revisions for ongoing programs as well as to approve and accept funding for new programs once approved or ratified by the Executive Board.

As in all annual fiscal programs, there is the potential to expand and contract to accommodate state and federal funding authorizations and program initiatives. Therefore, the annual fiscal program will be modified by Executive Board authorizations and amendments as needed throughout the year.

A draft resolution to approve and adopt the FY2020-2021 NCTCOG Annual Fiscal Program is attached for Executive Board consideration.

I will be available at the Board meeting to answer any questions.
CONDUCT A PUBLIC HEARING REGARDING THE ANNUAL FISCAL PROGRAM FOR FY 2020-2021 AND CONSIDER A RESOLUTION TO APPROVE AND ADOPT THE ANNUAL FISCAL PROGRAM

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, the North Central Texas Council of Governments' Bylaws require the approval and adoption of an annual budget by the Executive Board, and,

WHEREAS, the budget is funded by federal and state programs and local contracts for services requested by member governments, and,

WHEREAS, these individual grants and contracts control funding and expenditure amounts, and,

WHEREAS, the budget is comprised of programs and initiatives approved by the Executive Board and is amended throughout the year to reflect new and revised programs and initiatives, and,

WHEREAS, the budget has been presented to the Executive Board and a public hearing held for comments.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The North Central Texas Council of Governments Executive Board approves and adopts the FY 2020-2021 Annual Fiscal Program in the amount of $240,400,289.

Section 2. The Executive Director and designees are authorized to receive federal, state and local funding for FY 2020-2021.

Section 3. The Executive Director and designees are authorized to approve and accept any and all funding revisions for ongoing programs.

Section 4. The Executive Director and designees are authorized to approve and accept funding for new programs subject to Executive Board approval or ratification.

Section 5. The Executive Director and designees are authorized to transfer funds between programs and line items as necessary as allowed by applicable state and federal laws, regulations, and grant requirements.

Section 6. The Executive Director and designees are authorized to execute contracts for goods and services up to $100,000 and to equip and provide facilities as allowed by applicable state and federal laws, regulations, and grant requirements.

Section 7. The Executive Director and designees are authorized to execute contracts for goods and services as approved and funded by the Public Employees Benefits Cooperative (PEBC) Board, the NCT9-1-1 Board or the City Net Shared Services Board.

Section 8. This resolution shall be in effect as of October 1, 2020.

Ray Smith, President
North Central Texas Council of Governments
Mayor, Town of Prosper

I hereby certify that this resolution was adopted by the Executive Board of the North Central Texas Council of Governments on September 24, 2020.

NCTCOG FY 2021 Proposed Budget

• Characteristics of NCTCOG budgeting and contrasts with typical local government budgeting.
  – Funding is comprised primarily of grants and local contracts for services.
  – Each grant is a separate contract with its own grant period and funding amount. Grants can encompass more than one fiscal year.
  – Continuously evolving as program needs change and funding opportunities become available. Additional awarded funding approved during the budget year.
  – Scope of work, funding, and expenditure limitations are regulated by the individual grant or contract, rather than the planned program summary.

• High inter-departmental dependency and cooperation.
  – Common objectives (i.e. environmental, air quality and transportation programs).
  – Multi-disciplinary approach (i.e. operating departments, computer services, finance and accounting teams).

Item Title: Resolution Authorizing Contract with Taurus Commercial, Inc. for General Contractor Services

This is a request to award a contract to Taurus Commercial, Inc. to perform the Phase II building renovations. As a part of the NCTCOG Centerpoint Campus remodel, Phase II is comprised of the remodel to the Regional Police Academy (RPA) and Suites 225 and 248 of the Research & Information Services area, both in the Centerpoint I building.

NCTCOG prepared and issued a Request for Competitive Sealed Proposals (RFCSP) #2020-012 Phase II Building Renovation with proposals due on June 18, 2020. Eight proposals were received and evaluated by a committee comprised of NCTCOG staff. Following evaluation, the Evaluation Committee is recommending the contract award to Taurus Commercial, Inc. to provide General Contractor services.

A draft resolution authorizing a contract with Taurus Commercial, Inc. to provide general contractor services in an amount not to exceed $700,000 is attached for Executive Board consideration.

I will be available at the Executive Board meeting should you have any questions.
RESOLUTION AUTHORIZING CONTRACT WITH TAURUS COMMERCIAL, INC. FOR GENERAL CONTRACTOR SERVICES

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, NCTCOG is in need of general contractor services to renovate Phase II of the Centerpoint Campus remodel based upon the building lease extension authorized in December 2016; and,

WHEREAS, NCTCOG is recommending Taurus Commercial, Inc. as the selected vendor; and,

WHEREAS, NCTCOG is in need of general contractor services to renovate Phase II of the Centerpoint Campus remodel based upon the building lease extension authorized in December 2016; and,

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. A contract between NCTCOG and Taurus Commercial, Inc., for General Contractor Services in an amount not to exceed $700,000, be and is hereby approved.

Section 2. The Executive Director or designee is authorized to execute contractual agreements necessary to carry out the initiatives described herein in the name of the North Central Texas Council of Governments.

Section 3. This resolution shall be in effect immediately upon its adoption.

Ray Smith, President
North Central Texas Council of Governments
Mayor, Town of Prosper

I hereby certify that this resolution was adopted by the Executive Board of the North Central Texas Council of Governments on September 24, 2020.

Assistant to the Executive Director

Item Title: Resolution Authorizing a Partnership Planning and Technical Assistance Grant Application to the Economic Development Administration (EDA)

The Executive Board is being asked for authorization to submit a partnership planning and technical assistance grant application for approximately $420,000 to EDA ($210,000 from EDA and $210,000 in-kind assistance from the North Central Texas Economic Development District (NCTEDD) Board members) for funding to support economic development planning, outreach efforts, and technical assistance in North Central Texas. This work will be performed by the NCTEDD, which is managed and staffed by NCTCOG.

As a reminder, the NCTCOG region was designated as an Economic Development District by EDA in December 2016. The District brings together the private and public sectors in partnership to provide a coordinated strategy called the Comprehensive Economic Development Strategy or CEDS to help guide the region in its economic development efforts. The District's work is overseen by a board that is appointed by and serves in an advisory capacity to the NCTCOG Executive Board. District staff provides economic development technical assistance with such things as strategic planning, grant writing, grant administration and training workshops.

EDA provides Partnership Planning grants to the designated Economic Development District to enable Districts to manage and coordinate the development and implementation of the Comprehensive Economic Development Strategy (CEDS) and assist with the implementation of economic development activities within the region. The Planning program also helps with Short-Term and State Planning efforts to stimulate and guide the creation and/or retention of high-quality jobs, particularly for the unemployed and underemployed in the Nation's most economically distressed regions. For example, to plan a coordinated response to the sudden loss of a major employer in an affected area.

The grant funding performance period is 36 months, commencing on January 1, 2021 and ending on December 31, 2023. EDA will fund the grant at a 50 percent federal grant rate, with the other 50 percent provided in an in-kind match from the economic development work performed in North Central Texas by the Economic Development District's Board members.

A draft resolution authorizing a Partnership Planning and Technical Assistance Grant application to the Economic Development Administration for approximately $420,000 is attached for Executive Board consideration.

I will be available at the NCTCOG Executive Board meeting to present this recommendation from the NCTEDD Board; however, for answers to immediate NCTEDD questions, Board members may contact me at 817-695-9103.
RESOLUTION AUTHORIZING A PARTNERSHIP PLANNING AND TECHNICAL ASSISTANCE GRANT APPLICATION TO THE ECONOMIC DEVELOPMENT ADMINISTRATION (EDA)

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, the North Central Texas Economic Development District (NCTEDD), which is managed and staffed by NCTCOG, encompasses the North Central Texas Region, which includes the 16 counties of Collin, Dallas, Denton, Ellis, Erath, Hood, Hunt, Johnson, Kaufman, Navarro, Palo Pinto, Parker, Rockwall, Somervell, Tarrant and Wise, and

WHEREAS, the NCTEDD is the Economic Development Administration’s (EDA) designated planning organization serving the North Central Texas Region; and,

WHEREAS, EDA provides Partnership Planning and Technical Assistance grants to the designated planning organizations serving each EDA-designated Economic Development District throughout the Nation; and,

WHEREAS the Partnership Planning and Technical Assistance grants are used to stimulate and guide the creation and/or retention of high-quality jobs, particularly for the unemployed and underemployed; and,

WHEREAS, the NCTEDD brings together the private and public sectors in partnership to provide a coordinated strategy and economic development technical assistance with such things as strategic planning, grant writing, grant administration and training workshops to promote economic growth in the North Central Texas region; and,

WHEREAS, EDA provides planning dollars to assist in addressing a wide variety of economic development needs, designed to lead to the creation and retention of jobs and increased private investment, and its programs fund and promote local and regional development capacity-building efforts; and,

WHEREAS, the work of the NCTEDD’s Planning and Policy Advisory Board can be used as in-kind matching funds; and,

WHEREAS, the NCTEDD was invited by EDA to apply for three-year funding to continue the economic development work of the NCTEDD; and,

WHEREAS, the NCTEDD is willing and able to support the scope of work and authorized activities to assist communities in North Central Texas.
NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The NCTCOG Executive Board authorizes a grant application for approximately $210,000 to the Economic Development Administration matched with $210,000 of in-kind NCTEDD Board assistance for Partnership and Technical Assistance Funding to support planning, outreach efforts, the CEDS, and technical assistance in North Central Texas by the North Central Texas Economic Development District (NCTEDD).

Section 2. This resolution shall be transmitted to The U. S. Department of Commerce, Economic Development Administration.

Section 3. The Executive Director or designee is authorized to execute agreements necessary to carry out the initiatives described herein, in the name of the North Central Texas Council of Governments.

Section 4. If awarded, these funds will be incorporated into the appropriate fiscal year budget.

Section 5. This resolution shall take effect immediately upon its adoption.

The Office of the Governor’s Public Safety Office (PSO) executes a single Interlocal Cooperation Agreement with the North Central Texas Council of Governments to provide Homeland Security Grants Division (HSGD) and Criminal Justice Division (CJD) services through its Emergency Preparedness and Criminal Justice Departments respectively.

Although there is a single agreement, there are two separate Statements of Work (SOW) attachments to the agreement - one SOW for HSGD deliverables and one SOW for CJD deliverables. The performance period is September 1, 2020 to August 31, 2021.

**Emergency Preparedness Department:**

The Interlocal Cooperation Agreement provides $50,000 to manage and administer the 2020 Homeland Security Grant Program and the 2021 Homeland Security Grant Program application process.

NCTCOG annually leads the application process for the HSGP as outlined and accepted by the Regional Emergency Preparedness Advisory Committee (REPAC), the Emergency Preparedness Planning Council (EPPC), and the Executive Board. NCTCOG also provides HSGP technical assistance to local subgrantees, including grant rules, regulations, guidance, grant application workshops, preparation / submission of applications, and the web-based grant management system.

**Criminal Justice Program:**

The Interlocal Cooperation Agreement provides $198,610.99 to provide criminal justice planning and coordination activities for the following OOG justice-related grant categories: General Victim Assistance Program, Child Sex Trafficking, Criminal Justice Program, Juvenile Justice Program, Sexual Assault Forensic Exam Ready Facilities Program, Truancy Prevention Program, and Violence Against Women Justice and Training Program.

NCTCOG annually leads the Criminal Justice application process as outlined and accepted by the Criminal Justice Policy Development Committee (CJPDC) and the Executive Board. NCTCOG also provides technical assistance to public and private agencies for the development and implementation of criminal justice projects, grant application workshops, preparation of grant applications, and grant management.

A draft resolution authorizing the FY2021 Interlocal Agreement with the Office of the Governor for Homeland Security Grants Division (HSGD) and Criminal Justice Division (CJD) services in the approximate total amount of $250,000 is attached for Executive Board consideration.

Staff will provide a brief presentation and be available to respond to Board questions during the September 24th meeting. Thank you.
RESOLUTION AUTHORIZING THE FY2021 INTERLOCAL AGREEMENT WITH THE OFFICE OF THE GOVERNOR PUBLIC SAFETY OFFICE

WHEREAS, The North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas Region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, NCTCOG is working with local governments and others in building regional emergency preparedness capacity; and,

WHEREAS, the health, safety, and welfare of people in North Central Texas is threatened by a variety of natural and technological hazards including severe weather and terrorism; and,

WHEREAS, NCTCOG is responsible for coordinating and facilitating regional criminal justice planning and the criminal justice grant application process; and,

WHEREAS, the Office of the Governor’s Public Safety Office (PSO) has expressed its intent to execute a single agreement with NCTCOG for FY2021 Criminal Justice Division (CJD) and Homeland Security Grants Division (HSGD) activities; and,

WHEREAS, NCTCOG agrees that in the event of loss or misuse of the Office of Governor funds, the funds will be returned to the Office of the Governor in full.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. An Interlocal Cooperation Agreement between NCTCOG and the Office of the Governor to (1) manage and administer the Homeland Security Grant Program in an approximate amount of $50,000 and (2) provide Criminal Justice planning and coordination activities in an approximate amount of $198,610.99, be and is hereby approved.

Section 2. The Executive Director or designee is authorized to apply for, accept, execute, reject, alter, or terminate the Interlocal Cooperation Agreement and any subsequent or related agreements on behalf of and in the name of the North Central Texas Council of Governments.

Section 3. This resolution shall be in effect immediately upon its adoption.

Ray Smith, President
North Central Texas Council of Governments
Mayor, Town of Prosper

I hereby certify that the Executive Board of the North Central Texas Council of Governments adopted this resolution on September 24, 2020.

David Sweet, Secretary/Treasurer
North Central Texas Council of Governments
County Judge, Rockwall County
The North Central Texas Council of Governments (NCTCOG), in its capacity as the designated Area Agency on Aging (AAA), receives Title III funding through the Older Americans Act. Title III-B funding is dedicated to provision of supportive services, including transportation.

The AAA considers transportation as a “core” service that must be available in all portions of its 14-county service area. It relies on a network of 11 committees on aging and public transit authorities to provide demand-response transportation.

Senior Connect was awarded funds in August 2019 to administer transportation services in Ellis, Kaufman, Navarro and Rockwall counties. In December 2019, the Executive Board authorized an agreement with STAR Transit to provide transportation in Navarro following Senior Connect notification that it was ceasing services in that county. Senior Connect has now notified NCTCOG of its intent to terminate transportation services for convenience as of September 30, 2020, for the remaining three (3) counties. STAR Transit, which has been providing these services as a subcontractor to Senior Connect, is willing to amend its agreement with NCTCOG and continue to provide transportation to older Ellis, Kaufman, and Rockwall residents as a direct service.

Staff is seeking Board authorization to amend STAR Transit’s Title III subrecipient agreement to add Ellis, Kaufman, and Rockwall Counties for the remainder of the up to four (4) year existing contract term.

A draft resolution authorizing an amendment to the agreement between NCTCOG and STAR Transit to add Ellis, Kaufman and Rockwall counties for a maximum four (4) year term and in the amount based on final allocations and consistent with the approved funding formula, be and are hereby approved.

I will be available September 24th, should you or the Board have any questions.
RESOLUTION AUTHORIZING TRANSFER OF TRANSPORTATION SERVICES FROM SENIOR CONNECT TO STAR TRANSIT

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, NCTCOG has been designated as the Area Agency on Aging (NCTAAA) for State Planning Region 4A by the Texas Health and Human Services Commission (HHSC); and,

WHEREAS, the North Central Texas Council of Governments is entrusted to allocate federal and state funds distributed through HHSC for transportation services; and,

WHEREAS, the AAA is committed to making transportation services available to older individuals in the entirety of its 14-county service area; and,

WHEREAS, Senior Connect has provided notice of intent to terminate transportation services in Ellis, Kaufman and Rockwall counties as of September 30, 2020; and,

WHEREAS, NCTCOG currently has an agreement with STAR Transit to provide transportation services to older Navarro County residents, and STAR Transit further provides transportation services to older Ellis, Kaufman, and Rockwall County residents as a current subcontractor to Senior Connect; and

WHEREAS, STAR Transit is willing to amend its agreement with NCTCOG to directly provide transportation services in Ellis, Kaufman, and Rockwall counties.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. An amendment to the agreement between NCTCOG and Star Transit for Title III-B transportation services, to include Ellis, Kaufman and Rockwall counties for a maximum four (4) year term and in the amount based on final allocations and consistent with the approved funding formula, be and is hereby approved.

Section 2. The Executive Director or designee is authorized to execute agreements necessary to carry out the initiatives described herein, in the name of the North Central Texas Council of Governments.

Section 3. This resolution shall be in effect immediately upon its adoption.

Ray Smith, President
North Central Texas Council of Governments
Mayor, Town of Prosper

I hereby certify that the resolution was adopted by the Executive Board of the North Central Texas Council of Governments on September 24, 2020.

David Sweet, Secretary-Treasurer
North Central Texas Council of Governments
County Judge, Rockwall County
The North Central Texas Council of Governments, in its capacity as the designated Area Agency on Aging (AAA), receives federal Title III and state general funding for nutrition services, including Congregate Meals and Home-Delivered Meals. As part of its administrative responsibilities, NCTCOG educates subrecipients regarding federal and state grant requirements, provides technical assistance, monitors for compliance, and engages in regional cooperation as systemic deficiencies are identified.

NCTCOG funds Congregate Meals and Home-Delivered Meals through a network of 12 subrecipients, competitively procured in Summer 2019. In an effort to reduce administrative burden and assist with federal and State grant compliance, NCTCOG initiated a cooperative procurement for Title III-funded meals in June 2020. Following evaluation, Trio Foods is recommended to provide the services.

Staff is recommending NCTCOG contract with Trio Foods to provide Title III-funded meals in the region. The entities utilizing the contract will be individually responsible for payment. A draft resolution authorizing a contract with Trio Foods for a maximum five (5) year term is attached for Executive Board consideration.

I will be available September 24th, should you or the Board have any questions.

RESOLUTION AUTHORIZING A CONTRACT WITH TRIO FOODS FOR PURCHASED MEALS

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, NCTCOG has been designated as the Area Agency on Aging (NCTAAA) for State Planning Region 4A by the Texas Health and Human Services Commission (HHSC); and,

WHEREAS, NCTCOG receives federal and state funds that are designated for provision of nutrition services; and,

WHEREAS, NCTCOG identified the need for a cooperative purchase of Title-III funded meals for its twelve (12) nutrition subrecipients in an effort to reduce administrative burden and assist with federal and State grant compliance; and,

WHEREAS, NCTCOG initiated a competitive procurement for purchased meals in June 2020 and, following evaluation, is recommending Trio Foods to provide the services; and

WHEREAS, NCTCOG has complied with federal and state regulations regarding contract and procurement proceedings for this procurement.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. A contract between NCTCOG and Trio Foods for purchased meals, for a maximum five (5) year term, be and is hereby approved.

Section 2. The Executive Director or designee is authorized to execute agreements necessary to carry out the initiatives described herein, including any with participating entities, in the name of the North Central Texas Council of Governments.

Section 3. This resolution shall be in effect immediately upon its adoption.

Ray Smith, President
North Central Texas Council of Government
Mayor, Town of Prosper

I hereby certify that the resolution was adopted by the Executive Board of the North Central Texas Council of Governments on September 24, 2020.

David Sweet, Secretary-Treasurer
North Central Texas Council of Governments
County Judge, Rockwall County
The North Central Texas Council of Governments, in its capacity as the designated Area Agency on Aging (AAA) for State Planning Region 4A, receives federal and state funding through Title III of the Older Americans Act to provide nutrition and transportation services to older persons who live in its 14-county service region, consisting of those counties surrounding—but not including—Dallas and Tarrant.

NCTCOG relies on funding formulas that were approved by the Executive Board in April 2007 to allocate nutrition and transportation funds to the 14 counties in its service area. These formulas establish a base and allocate the balance of funds on the basis of demographic variables and productivity data. The intent is to ensure that each county receives a fair share of funding for essential services, and that funds effectively target priority populations as specified in the Older Americans Act—including older adults who have greatest economic need, are isolated, are frail, and live in rural areas.

To ensure that the funding formulas are fair and effective, staff committed to periodic review by the Regional Aging Advisory Committee (RAAC). RAAC members studied the issue at their November 2019, February 2020, May 2020 meetings, and moved that a RAAC Funding Formula Review Subcommittee be convened. The subcommittee met twice to study the issue and review results of a nutrition/transportation provider survey. It presented a recommendation to RAAC at its August 11 meeting to amend the formulas; and RAAC members approved the recommendation, with 15 voting in favor, one abstaining, and none opposed.

RAAC members propose that the formulas change the way in which “low income elderly” is measured. Under the current formulas, it is measured by comparing the number of older county residents who live in poverty to the number of all older persons in the service area who live in poverty. Under the proposed formulas, it would be measured by comparing the counties’ elder poverty rates to each other’s.

Following are the proposed formulas, with amended language in red.

**Congregate Meals:**
- Allocate each county a base of $15,000 per annum for overall nutrition services (i.e., congregate meals and home-delivered meals, combined).
- Allocate the balance of nutrition funding through a formula that has the following three variables:
  - All Title III-eligible meals provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 70%;
The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the AAA service area, weighted at 10%;
- The county elder poverty rate, compared to the total elder poverty rates of all counties, weighted at 20%; and
- Assuming that regional funding levels for congregate meals are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.

**Home-Delivered Meals:**
- Allocate each county a base of $15,000 per annum for overall nutrition services (i.e., congregate meals and home-delivered meals, combined).
- Allocate the balance of nutrition funding through a formula that has the following three variables:
  - All Title III-eligible meals provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 70%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the AAA service area, weighted at 15%;
  - The county elder poverty rate, compared to the total elder poverty rates of all counties, weighted at 15%.
- Assuming that regional funding levels for home-delivered meals are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.

**Transportation:**
- Allocate each county a base of $5,000 per annum.
- Allocate the balance of transportation funding through a formula that has the following four variables:
  - Title IIII-eligible trips provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 65%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the Aging service area, weighted at 15%;
  - The county elder poverty rate, compared to the total elder poverty rates of all counties, weighted at 15%; and
  - The number of square miles within the county, relative to the number of square miles within the AAA service area, weighted at 5%; and
- Assuming regional funding levels for transportation services are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.

RAAC proposes that such changes not take effect until October 1, 2021 to allow affected subrecipients sufficient opportunity to plan for any shifts in funding.

A draft resolution approving the amended funding formulas for Aging Nutrition and Transportation services is attached for Executive Board consideration.

I will conduct a brief presentation and respond to questions at the September 24th meeting.

Thank you.

Proposed Change to the Area Agency on Aging Funding Formula

September 24, 2020
Formula History

- Pre-1997: allocated funds on basis of demographic data only
- 1997: added productivity variable and committed to periodic review
- 2007: adjusted weights of current variables, added a base, and imposed “loss limit”
- 2020: recommending change to way in which one variable measured
Review Process

- Discussed at 11/19, 2/20, 5/20, and 8/11 Regional Aging Advisory Committee (RAAC) meetings
- Formed subcommittee, which met twice to develop recommendation
- Surveyed subrecipients
- Obtained approval at August 11 RAAC meeting to recommend amendment
Current Formula—Congregate Meals

- Allocate each county a base of $15,000 per annum for overall nutrition services (i.e., congregate meals and home-delivered meals, combined).
- Allocate the balance of nutrition funding through a formula that has the following three variables:
  - All Title III-eligible meals provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 70%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the AAA service area, weighted at 10%;
  - The number of low-income people age 60 and over who live within the county, relative to the number of low-income people age 60 and over who live within the AAA service area, weighted at 20%; and
- Assuming that regional funding levels for congregate meals are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.
Current Formula—Home-Delivered Meals

- Allocate each county a base of $15,000 per annum for overall nutrition services (i.e., congregate meals and home-delivered meals, combined).
- Allocate the balance of nutrition funding through three variables:
  - All Title III-eligible meals provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 70%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the AAA service area, weighted at 15%;
  - The number of low-income people age 60 and over who live within the county, relative to the number of low-income people age 60 and over who live within the AAA service area, weighted at 15%.
- Assuming that regional funding levels for congregate meals are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.
Current Formula—Transportation

- Allocate each county a base of $5,000 per annum.
- Allocate the balance through four variables:
  - Title IIII-eligible trips provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 65%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the Aging service area, weighted at 15%;
  - The number of low-income people age 60 and over who live within the county, relative to the number of low-income people age 60 and over who live within the Aging service area, weighted at 15%; and
  - The number of square miles within the county, relative to the number of square miles within the AAA service area, weighted at 5%; and
- Assuming regional funding levels for transportation services are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.
Proposed Change and Rationale

- Substitute county’s elder poverty rate, compared to the total elder poverty rates of all counties, for current “low income” measure
  - Current variable measures number of County residents living in poverty, relative to number of the region’s residents living in poverty
Proposed Change and Rationale

- Lower-growth/rural counties are at disadvantage with the current measure, even if poverty rates are higher, because they’re apt to lose regional share of funding to higher-growth counties
- Poverty rates more accurately reflect economic need of older adults and their broader communities
Proposed “Low Income” Measure

- County elder poverty rate, compared to the total elder poverty rates of all counties
  - County A, with an elder poverty rate of 10%, would receive more funding under this variable than County B, with a 5% elder poverty rate
Proposed Formula—Congregate Meals

- Allocate each county a base of $15,000 per annum for overall nutrition services (i.e., congregate meals and home-delivered meals, combined).
- Allocate the balance of nutrition funding through a formula that has the following three variables:
  - All Title III-eligible meals provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 70%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the AAA service area, weighted at 10%;
  - The county elder poverty rate, compared to the total elder poverty rates of all counties, weighted at 20%; and
- Assuming that regional funding levels for congregate meals are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.
Proposed Formula—Home-Delivered Meals

- Allocate each county a base of $15,000 per annum for overall nutrition services (i.e., congregate meals and home-delivered meals, combined).
- Allocate the balance of nutrition funding through three variables:
  - All Title III-eligible meals provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 70%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the AAA service area, weighted at 15%;
  - The county elder poverty rate, compared to the total elder poverty rates of all counties, weighted at 15%.
- Assuming that regional funding levels for congregate meals are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.
Proposed Formula—Transportation

- Allocate each county a base of $5,000 per annum.
- Allocate the balance through four variables:
  - Title IIII-eligible trips provided to county residents during the prior three years, relative to those provided throughout the Aging service area, weighted at 65%;
  - The number of people age 60 and over who live within the county, relative to the number of people age 60 and over who live within the Aging service area, weighted at 15%;
  - The county elder poverty rate, compared to the total elder poverty rates of all counties, weighted at 15%; and
  - The number of square miles within the county, relative to the number of square miles within the AAA service area, weighted at 5%; and
- Assuming regional funding levels for transportation services are not reduced, limit reductions in funding to no more than 10% of the prior year’s planning award.

RESOLUTION AMENDING FUNDING FORMULAS FOR AGING NUTRITION AND TRANSPORTATION SERVICES

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, NCTCOG has been designated as the Area Agency on Aging (NCTAAA) for State Planning Region 4A by the Texas Health and Human Services Commission (HHSC); and,

WHEREAS, NCTCOG receives federal and state funding through Title III of the Older Americans Act to provide nutrition and transportation services to older adults in its 14-county service area; and,

WHEREAS, the NCTCOG relies on funding formulas to allocate nutrition and transportation funding within the 14 county NCTAAA service area, and,

WHEREAS, the Regional Aging Advisory Committee (RAAC) convened a subcommittee in May 2020 to review the nutrition and transportation services funding formulas; and,

WHEREAS, the subcommittee recommended that the funding formulas be revised to reflect how “low income elderly” is measured so that it now compares the counties’ elder poverty rates to each other’s; and

WHEREAS, the RAAC approved the proposed revisions at its August 11, 2020 meeting and recommends the change take effect October 1, 2021.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The NCTCOG Executive Board approves amendments to the Aging Program funding formulas for nutrition and transportation services as reflected in Attachment 1, to be effective October 1, 2021.

Section 2. This resolution shall be in effect immediately upon its adoption.

Ray Smith, President
North Central Texas Council of Government
Mayor, Town of Prosper

I hereby certify that the resolution was adopted by the Executive Board of the North Central Texas Council of Governments on September 24, 2020.

Staff is working on the creation of a regional Greenhouse Gas emission inventory program and as part of program development, is utilizing traditional Transportation Planning Funds to analyze emissions from on-road mobile sources. To supplement those funds and further develop the program, grant applications are being submitted pursuing other competitive funding.

The Meadows Foundation provides grants throughout the State of Texas, primarily offering assistance in the Dallas area. There are no application deadlines, and grant applications are accepted at any time. This proposal fits in with the Meadows Foundation’s Environment Initiative to provide cities with affordable strategies and technical assistance to improve air quality. Multiple local governments have come forward requesting a regional Greenhouse Gas Emissions Inventory be developed on their behalf. It is with their partnership and request that this proposal was created. Local governments are pursuing other funding sources and may request NCTCOG to administer additional funds in the future to support this initiative. If so, those funds would be brought back to the NCTCOG Executive Board and/or NCTCOG Foundation to authorize receipt.

This project includes staff involvement from both the Transportation Department and the Environment and Development Department at NCTCOG. There are three reasons for the partnership before you today. The first reason is this item is coming at the request of our local governments. The second reason is emission inventories have been conducted by the Transportation Department for nearly two decades; we are an obvious technical resource to this program. Third, addressing regional greenhouse emissions will give us insight into how we may be able to better reduce volatile organic compounds and nitrogen oxide emissions aiding us in compliance with the regulated ozone standard.

The proposal was submitted on July 7, 2020, and aims to create the first regional Greenhouse Gas Emissions Inventory and companion toolkit. Staff has experience with emissions inventory work with on-road mobile sources which will contribute to this effort. The grant request is for approximately $130,000. On July 23, 2020, Burlington Northern Santa Fe announced that it will provide a donation toward this effort in the amount of $25,000. Executive Board endorsement is being requested.
Attached is a draft resolution endorsing the grant application to the Meadows Foundation to support the development of a regional Greenhouse Gas Emissions Inventory and companion toolkit on behalf of local governments and receipt of private-sector funds. I will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board endorsement.

RESOLUTION ENDORSING GRANT APPLICATION SUBMITTAL TO THE MEADOWS FOUNDATION TO SUPPORT THE DEVELOPMENT OF A GREENHOUSE GAS EMISSIONS INVENTORY AND SERVE ON BEHALF OF LOCAL GOVERNMENTS

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, NCTCOG has been designated as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth Metropolitan Area by the Governor of the State of Texas in accordance with federal law; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG, and has been and continues to be a forum for cooperative decisions on transportation; and,

WHEREAS, Subtask 3.02 of the Fiscal Year (FY) 2020 and FY2021 Unified Planning Work Program supports efforts in development of a comprehensive multipollutant emission inventory; and,

WHEREAS, the Meadows Foundation makes funding available through the Environment Initiative to provide cities with affordable strategies and technical assistance to improve air quality, and accepts applications throughout the year; and,

WHEREAS, on July 7, 2020, staff submitted a request for funding from the Meadows Foundation in the amount of $130,000 to develop a regional Greenhouse Gas Emissions Inventory and Companion Toolkit; and,

WHEREAS, on July 23, 2020, Burlington Northern Santa Fe (BNSF) announced it will provide a donation toward this effort in the amount of $25,000.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The Executive Board endorses NCTCOG’s submittal of a grant application to the Meadows Foundation to support development of a regional Greenhouse Gas emission inventory and companion toolkit on behalf of local governments in the amount of $130,000.

Section 2. The Executive Board authorizes receipt of approximately $130,000 from the Meadows Foundation for the purposes described above.

Section 3. The Executive Board authorizes receipt of a donation in the amount of approximately $25,000 from BNSF for the purposes described above.
Section 4. These funds shall be incorporated into the appropriate fiscal year budgets and Unified Planning Work Program.

Item Title:  Resolution Approving an Agreement with FG Aledo Development, LLC d/b/a Morningstar Concerning Old Weatherford Road in Parker County to Assist the Aledo Independent School District

In August 2020, the Regional Transportation Council (RTC) approved a total of $10,500,000 in Regional Toll Revenue funds for Old Weatherford Road in Parker County as part of a funding strategy related to the Aledo Independent School District (Aledo ISD). Aledo ISD is opening a school facility along Old Weatherford Road in August of 2022. FG Aledo Development, LLC (Morningstar) has an obligation after August 2022 under a development agreement with the City of Fort Worth to design and construct the northern half (2 lanes) of Old Weatherford Road that fronts its development. Morningstar’s anticipated obligation is $3.5 million.

The public sector has an interest in the concurrent design and construction of Old Weatherford Road from FM 3325 to east of the Aledo ISD facility as a 2-lane facility in the interim (4 lane ultimate), which includes the Morningstar segment. The RTC has agreed to fund the construction and right-of-way costs for the entire segment of Old Weatherford Road. In exchange, Morningstar has committed its $3.5 million to the project as follows: 1) approximately $1.1 million to fund the design of the ultimate 4-lane facility and 2) payment of the remaining balance ($3.5 million less design fees paid by Morningstar) anticipated to be $2.4 million to the North Central Texas Council of Governments as the RTC’s fiscal agent four years after the roadway is open to traffic.

A draft resolution authorizing an Agreement with Morningstar for the design and construction funding strategy for Old Weatherford Road in Parker County and receipt of approximately $2.4 million is attached for Executive Board consideration. I will provide a brief presentation on this item and will be available to answer any questions prior to requesting Board approval. Attached is a PowerPoint map of the project location.
RESOLUTION APPROVING AN AGREEMENT WITH FG ALEDO DEVELOPMENT, LLC D/B/A MORNINGSTAR CONCERNING OLD WEATHERFORD ROAD IN PARKER COUNTY TO ASSIST THE ALEDO INDEPENDENT SCHOOL DISTRICT

WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, the Regional Transportation Council (RTC), comprised primarily of local elected officials, is the regional transportation policy body associated with NCTCOG, and has been and continues to be a forum for cooperative decisions on transportation; and,

WHEREAS, Subtask 1.02 of the Fiscal Year (FY) 2020 and FY2021 Unified Planning Work Program supports efforts to explore innovative transportation financing and funding strategies to meet critical transportation needs; and,

WHEREAS, Aledo ISD is opening a school facility along Old Weatherford Road in August of 2022; and,

WHEREAS, FG Aledo Development, LLC (Morningstar) has an obligation after August 2022 under a development agreement with the City of Fort Worth to design and construct the northern half (2 lanes) of Old Weatherford Road that fronts their development with Morningstar's anticipated obligation to be $3.5 million; and,

WHEREAS, the public sector interest has an interest in the concurrent design and construction of Old Weatherford Road from FM 3325 to East of the Aledo ISD facility as a 2-lane facility in the interim (4 lane ultimate), which includes the Morningstar segment to accommodate the opening of the Aledo ISD facility in August of 2022; and,

WHEREAS, on August 13, 2020, the Regional Transportation Council (RTC) approved a total of $10,500,000 in Regional Toll Revenue funds for Old Weatherford Road in Parker County as part of a funding strategy related to the Aledo Independent School District (Aledo ISD); and

WHEREAS, Morningstar has committed its $3.5 million to the project as follows: 1) approximately $1.1 million to fund the design of the ultimate 4-lane facility and 2) payment of the remaining balance ($3.5 million less design fees paid by Morningstar) anticipated to be $2.4 million to NCTCOG as the RTC's fiscal agent four years after the roadway is open to traffic.
NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. NCTCOG is authorized to enter into an Agreement with FG Aledo Development, LLC d/b/a Morningstar and/or its related entities regarding the design and construction funding strategy for Old Weatherford Road in Parker County, consistent with the terms and conditions approved in the RTC action at its August 13, 2020, meeting.

Section 2. NCTCOG is authorized to receive approximately $2.4 million from Morningstar.

Section 3. These funds shall be incorporated into the appropriate fiscal year budgets and Unified Planning Work Program.

Section 4. The Executive Director or designee is authorized to execute necessary agreements in the name of the North Central Texas Council of Governments to carry out the initiatives described herein.

Section 5. This resolution shall be in effect immediately upon its adoption.

Item 11

Exhibit: 2020-09-11-EP

Meeting Date: September 24, 2020

Submitted By: Molly McFadden
Director of Emergency Preparedness

Item Title: Resolution Approving 2020 Emergency Preparedness Planning Council (EPPC) Bylaws Update

The Emergency Preparedness Planning Council serves in an advisory role to the NCTCOG Executive Board. The Council has responsibility for providing policy direction and oversight functions to enhance the development and maintenance of a coordinated, integrated regional approach to emergency management planning and response systems. The Council may also make recommendations as to how the region can most efficiently and effectively utilize state and/or federal financial assistance made available for emergency and disaster preparedness, planning, mitigation, response, and recovery.

Staff, with support from the Council, recommends the following updates and changes to the EPPC Bylaws. We believe this will improve the efficiency of the Council and allow virtual meetings and attendance to help continue preparing the NCT region for all types of disasters.

Appointment of Council
- Changed wording – The Executive Board will appoint Council members for a two-year term of office every August or as soon as possible thereafter.

Member Attendance
- In person attendance is preferred and recommended. In the event an in-person meeting cannot be held, Teleconference or video conference services will be held with the approval of EPPC Chairs and Director. Confirmed online attendance will count toward meeting attendance requirements.

Quorum and Voting Procedures – Added entire section
- A quorum is defined as a simple majority of the current committee membership.
- Action items requiring Council vote shall be decided through a simple majority of the quorum.
- Each member of the Emergency Preparedness Planning Council shall be entitled to one vote, except for the Chair who will only vote in the event of a tie. EPPC Members and alternate(s) may not share voting privileges simultaneously.
- If a teleconference or video conference is available, members are counted as present and may vote via teleconference or video conference.
- Electronic voting by email will be deemed binding if a remote decision is needed.

Conflict of interest – Added entire section
- Any member or organization that has a conflict of interest concerning any matter before the committee shall inform the committee before participating in a discussion.
- A conflict of interest shall be defined as any issue in which there is a conflict between members or an organization’s public obligation and private interests such as financial or other interests.
Compensation – Added entire section
EPPC members and alternates shall not be compensated in any way for the performance of their duties as members of EPPC.

A copy of the proposed bylaws is attached with the recommended changes highlighted. Should either you or the Executive Board members have questions, staff and I will be present at the meeting to summarize and address any questions, or I may be contacted by phone at 817-608-2322 or by e-mail at mmcfadden@nctcog.org.
WHEREAS, the North Central Texas Council of Governments (NCTCOG) is a Texas political subdivision and non-profit corporation organized and operating under Texas Local Government Code Chapter 391 as the regional planning commission for the 16-county North Central Texas region; and,

WHEREAS, NCTCOG is a voluntary association of, by and for local governments established to assist in planning for common needs, cooperating for mutual benefit, and coordinating for sound regional development; and,

WHEREAS, the North Central Texas Council of Governments is working with local governments and others in building regional emergency preparedness capacity; and,

WHEREAS, the health, safety and welfare of citizens in North Central Texas is threatened by a variety of natural and technological hazards including terrorism; and,

WHEREAS, the Emergency Preparedness Planning Council (EPPC) is an advisory council to the NCTCOG Executive Board and is in favor of the proposed bylaw amendments and recommends approval by the Executive Board.

NOW, THEREFORE, BE IT HEREBY RESOLVED THAT:

Section 1. The NCTCOG Executive Board approves the amended Emergency Preparedness Planning Council Bylaws as reflected in Attachment 1.

Section 2. This resolution shall be in effect immediately upon its adoption.

Primary Responsibility of the Council

The EPPC serves in an advisory role to the North Central Texas Council of Governments (NCTCOG) Executive Board. The Council has the responsibility to provide policy direction and oversight for the development of regional emergency planning and response systems. The Council may also recommend how to best utilize financial assistance for regional emergency planning, mitigation, and recovery.

The Council will specifically devote its attention to the following functions:

1. Recommending priorities for regional homeland security resources.
2. Providing advocacy for legal, regulatory, and legislative actions needed to ensure the most effective response to a major incident/disaster.
3. Providing assistance in assuring interagency communication capabilities.
4. Providing assistance in assuring planning and training opportunities for various regional stakeholders.
5. Facilitating regional preparedness and multi-agency planning for stakeholders, including interagency agreements and mutual aid.
6. Supporting coordination between medical, public health, and public safety.
7. Supporting assets for regional response.
8. Assisting in securing grant assistance for emergency management planning, equipment, personnel, and training requirements identified by stakeholders.

Recommendations of the Council

Recommendations of the Council will be accepted by the Executive Board through a simple majority vote.

Planning Area

The planning area includes all participating counties and cities in the 16 county NCTCOG region.

Eligibility to Participate

A county or city within the designated planning area is eligible to participate in the Regional Emergency Preparedness (EP) Program and to have Council representation if it submits its "membership dues" payment to the NCTCOG EP department for the limited purpose of funding the program. The Executive Board establishes the annual dues amount.

Jurisdictions must also be a member of the EP program to participate in special projects such as (CASA, Mitigation Planning, etc.) or pay an additional fee for service.
Council Membership

A review of population breakdowns and representation on the Council will be reviewed annually. Population statistics will be gathered from NCTCOG’s Regional Data Center population estimates data beginning January 1 of each year and generally approved by the Executive Board each Spring. This information will be used to determine which population range cities are classified by.

All members of the Council shall be elected officials who represent participating counties and cities within the designated planning area. Each participating county is entitled to one permanent Council seat.

Special districts, universities, and airports are not currently eligible for EPPC representation; however, these entities are eligible for working group participation.

Appointment of Council

The Executive Board will appoint Council members for a two-year term of office every August or as soon as possible thereafter. Council members will be appointed from nominations received from each eligible county and eligible cities within population range categories with open seats. Considerations for Council seat selection will include regional geographic balance, emergency preparedness related experience, and opportunity for different jurisdictions to represent their population category.
• **Officers**
  - The Executive Board appoints the Chair and Vice-Chair biannually, considering staff recommendations.
  - A Chair and Vice-Chair shall be the officers for the Council and serve approximate two-year terms. To allow for balanced regional representation, the Chair and Vice Chair shall consist of one Urban Representative and one Rural Representative.
  - An Urban representative may be a county or city representative from within the four largest counties (Collin, Dallas, Denton, and Tarrant). A Rural representative may be a county or city representative from the smaller counties.
  - The Chair and Vice-Chair must be the primary member on EPPC. At the end of a term, the Chair shall hold the position of Immediate Past Chair, a non-voting position. In the event of a mid-term officer vacancy, a replacement shall be appointed to serve for the remainder of the replaced officer’s term.

• **Duties of the Officers**
  - The Chair shall lead Council meetings and meet as needed with various working groups, subcommittees, and regional partners to ensure excellence in all phases of regional emergency preparedness.
  - The Vice-Chair shall be the appointed liaison of the Regional Emergency Preparedness Advisory Committee (REPAC). This duty may be delegated to another Council member or appointee should the Vice-Chair be unable to attend. The Vice-Chair shall take over Chair duties when the Chair is not available, and will also meet with the various working groups, subcommittees, and regional partners to ensure excellence in all phases of regional emergency preparedness.
  - The Past Chair will perform the duties of the Chair or Vice Chair in conjunction with or in their absence.

• **Member Attendance**
  - Regular meeting attendance is required of Members. Forms will be provided for Members to select another elected official as their Alternate. Alternates should attend meetings if Member attendance is not possible. Alternates meeting eligibility requirements may vote on behalf of the Member. Elected Alternates may be selected from interested nominees who were not appointed to the Council.
  - In person attendance is preferred and recommended. In the event an in-person meeting cannot be held, Teleconference or video conference services will be held with the approval of EPPC Chairs and Director. Confirmed online attendance will count toward meeting attendance requirements.
  - Member stand-ins, or non-elected alternates, will not count toward attendance and will not have voting privileges.
  - Non-Attendance: Missing two consecutive meetings will result in a letter to the Member requesting that an alternate be sent. A carbon copy (CC) to the jurisdiction’s secretary or equivalent will be included.
  - Repeated non-attendance will result in a letter of inquiry as to the intent of the Member to remain on the Council.

• **Council Vacancies**
  - Vacancies occurring during the regular term of a member will be filled for the remainder of the term by an elected official from the same jurisdiction. If the jurisdiction relinquishes the seat, a replacement will be chosen from another jurisdiction in the same population category to fill the unexpired term.
Quorum and Voting Procedures
- A quorum is defined as a simple majority of the current committee membership.
- Action items requiring Council vote shall be decided through a simple majority of the quorum.
- Each member of the Emergency Preparedness Planning Council shall be entitled to one vote, except for the Chair who will only vote in the event of a tie. EPPC Members and alternate(s) may not share voting privileges simultaneously.
- If a teleconference or video conference is available, members are counted as present and may vote via teleconference or video conference.
- Electronic voting by email will be deemed binding if a remote decision is needed.

Conflict of interest
- Any member or organization that has a conflict of interest concerning any matter before the committee shall inform the committee before participating in a discussion.
- A conflict of interest shall be defined as any issue in which there is a conflict between members or an organization’s public obligation and private interests such as financial or other interests.

Compensation
EPPC members and alternates shall not be compensated in any way for the performance of their duties as members of EPPC.

Meeting Schedule
Council meetings are scheduled quarterly according to business needs. Emergency meetings may be required, and the council will be given ample notification.

Staff Support
Staff support for the Council will be provided by NCTCOG EP staff.

Director of Environment and Development

Item Title: Appointments to Department of Environment and Development Advisory Committees

The Executive Board is being asked to consider appointments to the following advisory committees:

- **Public Works Council (PWC)** – Originating in 1977 as the Standard Specifications Advisory Committee, becoming the Public Works Advisory Committee in 1984, and evolving into the PWC in 2001, this committee is composed of public and private sector professionals with public works and development expertise. The current PWC structure is based on large jurisdiction and subregion representation. The subregions are intended to provide a linkage to the Council for all jurisdictions in the region and allow for subregional meetings to address localized issues.

- **Regional Codes Coordinating Committee (RCCC)** – The North Central Texas Council of Governments’ (NCTCOG) RCCC is comprised of area public and private code professionals that research and provide recommendations on the standardization of municipal construction codes.

- **Resource Conservation Council (RCC)** – Serving as NCTCOG’s solid waste advisory committee, the RCC provides support and advice on methods to reduce, reuse, and recycle valuable resources and to provide proper handling and disposal of non-recoverable waste materials.

- **Water Resources Council (WRC)** – The WRC was established in 1979 to advise NCTCOG’s Executive Board on both technical and policy issues related to water resources matters. The WRC reviews day-to-day technical issues; oversees the water resources planning process; and performs technical review of water-related grant applications.

Please reference Attachment 1 for the listing of members recommended for appointment/reappointment as well as continuing members. I look forward to discussing these recommendations with the Executive Board.
**PUBLIC WORKS COUNCIL**

(Chair and Vice Chair leadership positions are one-year terms; members serve two-year terms)

**Chair:** Keith Marvin  
Director of Public Services  
City of Lewisville

**Vice Chair:** Shawn Poe  
Director of Engineering  
City of Richardson
