The Regional Veloweb and Community Shared-Use Path network does not include recreational paths, private trails, equestrian or roller trails, or other outdoor trails less than 10 feet in width. On-street bikeways in the urbanized area include separated or protected bike lanes/cycle tracks, bike lanes, marked shared lanes, and marked bicycle boulevards. On-street bikeways in the urbanized area do not include shared bike "trails" signed "Share the Road", unmarked side sidewalk lanes, or signed wide shoulders. The use of wide shoulders is included on various roadways linking rural communities outside of the urbanized area. Facility recommendations include transportation need, corridor specific alignment, design, and operational characteristics for the Regional Veloweb system will be determined through ongoing project development.
