I have the experience in the field and a desire to teach this program to peers within my own agency and in other agencies. I understand that submission of this signed application is my commitment to teach a minimum of four Traffic Incident Management classes, within 18 months, if selected as an instructor.		

The INSTRUCTOR has chosen one of the following three options in relation to compensation for instructional services provided:

- Direct payment for instructional services provided at a rate of \$30.00 per hour.
- Payment to INSTRUCTOR'S Agency Employer for instructional services at a rate of \$30.00 per hour.
- Donate INSTRUCTOR'S time and waive compensation for instructional services provided at a rate of \$30.00 per hour. INSTRUCTOR acknowledges that NCTCOG may utilize donated services to support local match obligations.

If approved as an instructor, a signed Professional Services Agreement must also be submitted before instructing.
